Parishioner communication: Prior to the tornado and COVID-19 restrictions we were building an email database to keep parishioners updated on Mass schedules and other items Assumption needed to communicate to parishioners. We have been encouraged to use the software called Flocknote instead as it allows text messages or emails & may handle phone calls as well. Please watch for info to sign up for Assumption's Flocknote program. This is managed and controlled by Assumption staff and your information stays with us and is not provided to anyone else. Please look for the Flocknote mascot Uno the sheep (above) for more information. **Please be patient, this is not completely set up first available training is not until June 18th.**
