FIRE! FIRE! FIRE! FIRE! FIRE! FIRE!

Please help us to keep our chapels safe. Someone is moving the little plastic candles and placing them on top of candles that have already been burned. Please help us to stop this practice. Father and I walked into a chapel and smelled something burning, this was the issue. Please help us prevent a fire on top of the damage we already have incurred. We have already lost four glass candleholders because of this. Please **DO NOT** drop used matches into the candles. This is **EXTREMELY DANGEROUS**.
