**LABOR DAY . . . SEPTEMBER 7<sup>th</sup>**

Parish office will be closed on Monday, September 7<sup>th</sup> Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated

to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made

to the strength, prosperity, and well-being of our country.

The first Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City, in accordance with the plans of the Central Labor Union. In 1883 the second Labor Day holiday was also held on September 5<sup>th</sup>. In 1884 the first Monday in September was selected as the holiday and the Central Labor Union urged similar organizations in other cities to follow the example of New York and celebrate a "workingmen's holiday" on that date. The idea spread with the growth of labor organizations, and in 1885 Labor Day was celebrated in many industrial centers of the country.
