FEAST OF SAINT BLAISE - FEBRUARY 3rd

**THROAT BLESSING WILL BE OFFERED
FROM THE ALTAR THIS WEEKEND AND ON
WEDNESDAY, FEBRUARY 3rd.**

Blaise, who had studied philosophy in his youth, was a doctor in Sebaste in Armenia, the city of his birth, who exercised his art with miraculous ability, good-will, and piety. When the bishop of the city died, he was chosen to succeed him. His holiness was manifest through many miracles: from all around, people came to him to find cures for their spirit and their body; even wild animals came in herds to receive his blessing. In 316, Agricola, the governor of Cappadocia, having arrived in Sebastia at the order of the emperor Licinius to kill the Christians, arrested the bishop. As he was being led to jail, a mother set her only son, choking to death of a fish-bone, at his feet, and the child was cured straight away. Regardless, the governor, unable to make Blaise renounce his faith, beat him with a stick, ripped his flesh with iron combs, and beheaded him.

THE PRESENTATION OF OUR LORD . . . FEBRUARY 2nd

The Feast of the Presentation of the Lord is a relatively ancient celebration. The Church at Jerusalem observed the feast as early as the first half of the fourth century, and likely earlier. The feast celebrates the presentation of Christ in the temple at Jerusalem on the 40th day after His birth.
