Dear St. Columba Family,

This past Saturday Horizons had their first outing after we re-started the youth group in September. Since the Fall is such a beautiful time in the Hudson Valley, I thought a hike would be a nice idea. The plan was to go to Lake Minewaska and after the hike we would have Mass on the mountain which would fulfill that week's Sunday obligation. As the old saying goes, "if you want to make God laugh tell Him your plans." We carpoled to Minewaska only to find that many people had the same plan we did. The parking lot was full so we could not get in. Undeterred by the setback we tried another place in Ellenville. Like Mary and Joseph in Bethlehem there was no room there either! So, we headed to a location in Salisbury Mills to try there. Finally, it worked. We traveled over two hours in the car only to end up ten minutes away. By this time, it was already getting late so we were only able to hike a third of the way up. We stopped and I set up my Mass kit on a flat rock and celebrated Mass for the group. I was concerned that they would be discouraged by the changing plans, but it seems like they all really enjoyed themselves. It was beautiful as well that during the Mass other hikers passed by and saw a priest and the youth of his parish stopping for a moment to worship the Lord together. A great witness. It turned out to be a very good day and hopefully this is the first of many more trips to come.

*Fr. Chris*
