Interested in supporting St. Martin de Porres or the Diocese of Fort Worth in their missions, but feel overwhelmed by the thought of writing another check or giving up your assets today? A simple, flexible and versatile way to ensure we can continue our work for years to come is a gift in your will or living trust, known as a charitable bequest. By including a bequest to the Catholic Diocese of Fort Worth Advancement Foundation in your will or living trust, you are ensuring we can continue our mission for years to come.

Please visit http://advancementfoundation.planmygift.org/ for more information, including bequest and beneficiary designation language. Or, contact Renée Underwood at the Advancement Foundation runderwood@advancementfoundation.org or 817.945.9441.

The Catholic Diocese of Fort Worth Advancement Foundation is a separate 501(c)(3) Texas non-profit corporation, organized and operated exclusively for charitable, religious and educational purposes. The Advancement Foundation, as a separate corporation, is an integrated auxiliary supporting the Catholic Diocese of Fort Worth, charged with receiving contributions intended to benefit supported activities and managing and distributing such contributions for the benefit of those supported activities.
The 2018-2019 school year has started off most successfully for the St. Martin de Porres Nighthawks! We just finished our third full week, and it looks like everyone is getting the new procedures down.

Each day we begin with Morning Assembly in the church. Morning Assembly starts with a daily uniform check, and then we have the readings for the day, prayer intentions, and recitation of the Our Father, Hail Mary, and our Morning Offering. We say both the U.S. and Texas pledges followed by a patriotic song, and then I recognize birthdays. This will also be a time for special announcements as our school year progresses. Once Morning Assembly is over, the classes walk over to school and begin their day.

The daily routines are getting into place for each of the grade levels. Students are learning class rules and expectations, which is so important. There are a number of new programs in place this year, too. We will be studying the virtues all year long with the Disciples in Christ, Education in Virtue program. For August and September, students will be studying the first six virtues under the Cardinal Virtue of Justice: affability, generosity, gratitude, courtesy, kindness, and loyalty. We also have a new guidance program called Second Step: “When students are better equipped to manage their own emotions, form healthy relationships, make good decisions, and cope with everyday social and academic challenges, they’re better equipped to learn.”

Our first school-wide fundraiser kicked off last week. We are selling World’s Finest Chocolate candy bars! Look for students to be selling these delicious chocolate bars after Masses and in their neighborhoods for only $2.00 a bar. You can also stop by the school office during school hours to buy some bars and satisfy your chocolate craving!

Our Athletics Program had its Annual Parent Meeting on Monday, August 20, to review program guidelines, fee structure, introduce coaches, and outline this year’s sports. We will continue to offer soccer, archery, track and field; we hope to add volleyball and basketball this year as well.

We continue to enroll new students. At this time, we have openings in all grades with the exception of 2nd, which now has a waiting list. If interested, please call the school to schedule a tour.

Have a blessed week,

Susan Flanagan, Principal
This weekend, we will be taking up the **National Collection for The Catholic University of America**. Established by Pope Leo XIII and the U.S. bishops in 1887, it is the national university of the Catholic Church. In addition to alumni who hail from the Diocese of Fort Worth, Catholic University claims one third of the U.S. bishops and 12,000 priests and religious as alumni. In Washington, D.C., the University provides an education based in the Catholic intellectual tradition to almost 7,000 students through its 12 schools.

Your support will enable The Catholic University to expand its impact in preparing the next generation of leadership for our Church and nation. We appreciate your generosity!
