The Black and Indian Mission Collection (BIMC) exists to help diocesan communities to build up the Church and preach the Gospel of Jesus among the African American, Native American, and Alaska Native people of God.

Every year, it is the amazing generosity of Catholic faithful just like you who enable the Black and Indian Mission Office to support the following important priorities:

**Enlivening Parish Life & Catechesis**
Grant funds from the BIMC enables us to support parish-based catechetical programs. We help form and train catechists who will form children to be disciples of Jesus in the world and get bibles and catechisms in kids’ hands so they can learn the ways of the Lord and take their place around His altar.

**Empowering Evangelizers**
BIMC grant funds help African American and Native American ministries to sponsor events and formation that encourage living the Christian life in culturally appropriate ways. Religious sisters shown here, serve Native American Catholics spreading the Good News of Jesus Christ.

**Helping Educators Reach Kids**
With your contribution to the BIMC, you will help to support good teachers to help African American and Native American children learn. In 2018, your generous donations reached over 5,000 students in more than 400 schools and parishes across the United States.

**Encouraging Vocations**
We need men and women to answer the call to the consecrated life and offer their witness as radical disciples of Jesus Christ. We need priests in order to have the Eucharist! Supporting the BIMC enables us to help encourage vocations to the priesthood and religious life in diocesan communities across the country.
