FIREPROOF is a movie about a firefighter, his wife, and a marriage worth rescuing. In reality, every marriage matters, because marriage comes from the hand of God. God brings a man and a woman together to love and support each other.

The Catholic Community believes marriage happens with the help of the Lord and is a relationship that parallels the love of Christ for his people. It is a lifelong commitment to one person and a dwelling place of God's spirit. As Caleb Holt learns in FIREPROOF, marriage is a lasting covenant.

The movie also reminds us that Christian marriage is a demanding vocation that needs the support and encouragement of the entire community. We believe that the well being of all society is closely tied to the healthy state of marriage and family life.
