Dear Parents,

Welcome to a new school year and another year of Seton Catholic Cardinals athletics. This year will, without a doubt, be unlike any we have ever experienced. We are truly blessed to be playing right now and I believe our athletes truly appreciate the opportunity. We appreciate your assistance in helping them do so safely.

We have many home games this fall for soccer and volleyball. As I am sure you know, it takes a lot of work to host athletic contests. Each year I ask our parents to assist in selling tickets and cleaning up at these home games. Our athletic boosters also asks for volunteers to assist in the concession stand. Let me tell you that I sincerely appreciate the help at these games because I could not do it without you.

I have created a list of all home games and the assistance we need at each of these games. We will have a brief window for parents to sign up for these slots. After this window closes, I will assign parents to each of these slots to help out at each game. To the best of my abilities, I will make sure that you will not miss any of your child(ren)'s games as a result of helping at these games. **If you are scheduled to work tickets, please be at the game one hour prior to the start time. If you are scheduled to work the opening shift for concessions, please be at the game 45 minutes prior to the start time.** Start times are listed on the sheet. Those selling tickets will sell tickets until approximately halftime of the last game of the night. If you are on the cleaning crew, please just help clean up after the games are over. All that you really need to do is clean up the bleachers and team benches. If you are on the closing shift for concessions you will need to arrive at least by the start of the second game, sell concessions during the game, and close the concession stand.

Here are a couple notes and things to consider when signing up:

- Some aspects of most jobs have changed. We will be sure to properly explain these changes to you upon arrival.
- All spectators and workers will be expected to wear a mask for your safety and the safety of others. Most importantly, in order for your child to have a season, we must follow these orders.
- At soccer games, you can watch the game while selling tickets and concessions. If you are a soccer parent who plans to be at the game already and doesn't mind the occasional distraction while watching the game, this might be a good option.

Please be sure that you show up to the games you are scheduled to work. The reason we have parents work these games is that many hands make light work for all. As I am sure you know, many schools charge a participation fee for extracurricular activities. By assisting us, we do not have a need at this time to have any participation fees. If workers do not show up, this will become necessary. Believe me when I say that your help is greatly appreciated. If you know you cannot be present at an event you are scheduled to work, it is preferred that you try to switch dates with another family. If for some reason you cannot find anyone to cover an event you are scheduled to work, please e-mail me at ttremain@setoncatholics.org. There is nothing worse than to have nobody show up and have no advanced notice.

Many of you know that we use Eventlink here at Seton Catholic and know that it is a wonderful tool. Well over 300 IHSAA member schools are now using Eventlink and we are trying to utilize it to better serve you and help us in our daily activities. I will do my best to send all parents an activation e-mail so you will have an account set up for Eventlink. Please be looking for that e-mail if you are not already set up from last year. You will also want to add

noreply@eventlink.com to your contacts to make sure the e-mail doesn't go to your spam/junk folder. You will find Eventlink useful as you will be able to go into schedules and select what you want to see. I believe you should also be able to sync events to your calendars. We really hope you enjoy the features of Eventlink.

Thank you for your continued support of Seton Catholic Cardinals athletics and I look forward to another great season!!!

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Tremain', with a stylized flourish at the end.

Trent Tremain
Athletic Director/Dean of Students
