February 1, 2016

Dear Sacred Heart Family,

The second semester is now underway, and that is good news. Though equal in length to the first semester, the longer days and brighter sun always makes quarters three and four seem to go by more quickly! Our school is also brightened by the exciting news so many of our seniors receiving college acceptance letters and generous scholarship offers. We are working to collect all of these to highlight on our website in the coming days.

This Lent, Sacred Heart is partnering with Catholic Relief Services (CRS) in Operation Rice Bowl. All proceeds generated by this project will go to support the work of CRS in places such as Rwanda, Laos, Columbia, Honduras, and Madagascar. We have also arranged for a special speaker in March for our young people to highlight the vast effects Rice Bowl has throughout the world. Students will receive more information about this from their homeroom teachers.

Report Cards that include second quarter, midterm exam, and first semester grades will be mailed this week. If you have any questions or concerns, please contact your son and/or daughter's teacher. Faculty emails can be found at www.sacredhearths.org/staff.

Here are some important upcoming events at Sacred Heart. Please check our website (www.sacredhearths.org) or follow us on Twitter (@WeRSacredHeart) and like us on Facebook (SacredHeartHighSchool) for more news.
