

**Campaign Update #7:
The Future St. Mary's Central High School**

It is fun to look forward and see the future St. Mary's Central High School. In this email, we share artist's renderings and photos from Lourdes High School in Rochester, MN so you can see what all the excitement is about! Our new school was modeled after the Lourdes High School to reduce architectural expenses.

ACADEMICS

Our new high school facility will enable students to experience the fullness of 21st century Catholic education. In keeping with our Benedictine roots, we believe that true Christian formation engages the entirety of the person.

mind, body and spirit

ATHLETICS

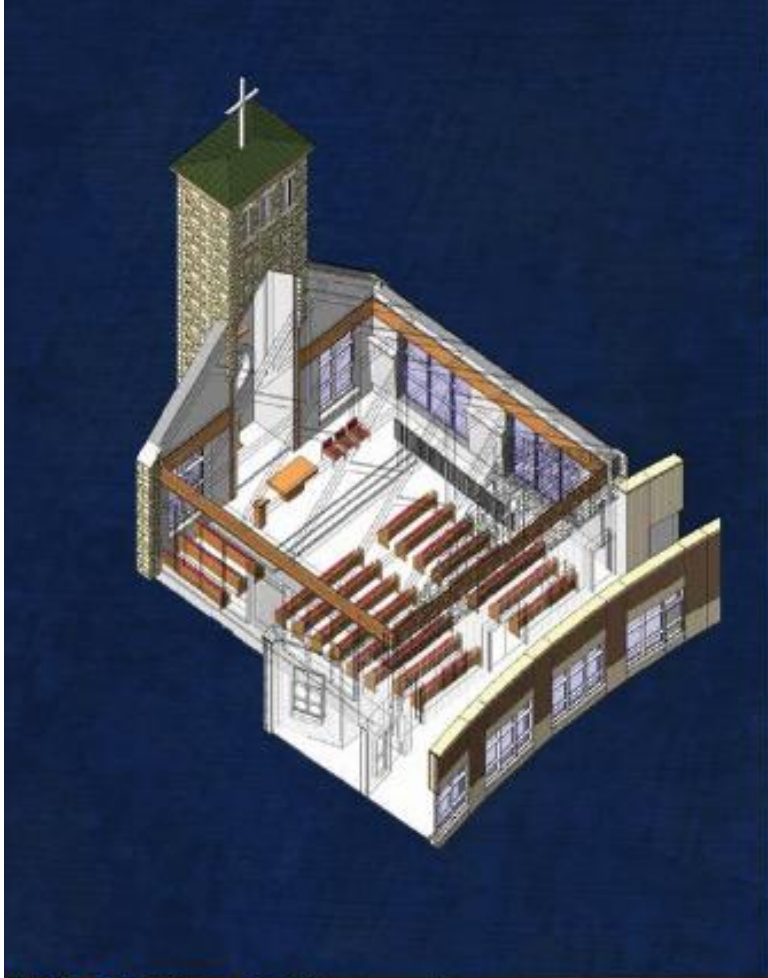

tradition of excellence

Our new facilities will allow our athletic programs to continue over the next several decades in the tradition of excellence St. Mary's Central High School strives for.

CHAPEL

The Eucharist is the source and summit of the Christian life.

*keeping Christ
as our focus*

Our Chapel will be a prominent focal point of our campus. We are expanding our chapel to ensure it will seat an entire class for Mass, adoration and reconciliation services.

Just as Christ is at the heart of christian life, our chapel will be at the heart of our school campus.

FINE ARTS

inspire our minds

The arts elevate our heart and expand our minds. For the first time in history, Light of Christ will construct an entire wing devoted to a vibrant arts program that includes music, performing arts and fine arts.
