

Our campaign has raised more than \$34 million and the \$5 million match effort continues!

Due to the overwhelming success of the match fund and the many people who would still like to take advantage of this amazing opportunity, the donor has graciously extended the match to a total of \$5 million through July 15.

We are so close to the \$36 million campaign milestone goal that we need to reach in order to break ground on the new SMCHS. Please consider making a pledge now to double the impact of your gift!

Light of Christ student donates lemonade stand profits to Keep the Promise Campaign

Rory Milbradt is a young entrepreneur with a heart for the mission of Light of Christ Catholic Schools. She recently participated in the Lemonade Day effort organized by the Bismarck-Mandan Chamber of Commerce and sold more than 120 cups of classic and blueberry lemonade at "Rory's Lemon Heaven" stand. She is donating the profit from this project to the Keep the Promise campaign.

Rory and her mother Megan worked together on the business plan for the lemonade stand for a few weeks before the event. As they discussed the goals for the project, they decided they wanted to use this opportunity to donate to the Keep the Promise campaign because it has been in their hearts and minds. They knew that whatever they raised now would be matched by a generous donor, doubling the lemonade stand donation.

"We are very thankful that our kids have the opportunity to go to Light of Christ Catholic Schools," said Megan. "I told Rory that every single dollar raised for this campaign counts."

When we asked Rory what she appreciates most about her school, she said "I like how whenever we do something at school or create something, it's usually about God." And when asked her what she is looking forward to in the new SMCHS, she quickly replied, "EVERYTHING!"

The Milbradt family is a beautiful example of how our students and families live out our mission of enlightening minds and enriching souls. We are grateful for the donation - and for the way they are inspiring us all to do what we can to build the future of our schools!

New window project at 1025 N 2nd Street continues!

The new window project at the current SMCHS and Academy campus is progressing every day! Check out the new/old windows in these photos. We are looking forward to the natural sunlight and energy efficiency for many years ahead!

God our Father,

Who sent to us Christ as our Light in the darkness,
send again, we beg you, the Light of Christ to guide this great work
so that we may keep our promise to the next generation.

May we allow His Light to fill the souls of our children and students with virtue,
the minds of our parents and teachers with wisdom,
and the hearts of our friends and benefactors with generosity.

Through the intercession of the Blessed Virgin Mary,
may our Catholic Schools be a sanctuary of love
shining with the Light of Christ.

Amen.

Imprimatur
Bishop David D. Kagan
