

## **Campaign Update #38: Looking back at 2017. Looking ahead in 2018!**

As we look back on the ways God has blessed our Keep the Promise campaign in the past year, we want to say THANK YOU for your financial and spiritual gifts. It was a busy year-end for our campaign and we are grateful for your support. Look for more details about the latest campaign benchmarks to be released soon!

If you haven't made a pledge yet, it's a good time to learn more about the donor recognition options available. There are many ways for your family name or memorial to be recognized at the new SMCHS. You can choose if you would like your name on a stadium seat, a chair in the new auditorium or on a window in the new chapel! ### **Introducing...St. Joseph of Cupertino Learning Center**

The St. Joseph of Cupertino Learning Center will be dedicated to serve the needs of our students at both St. Mary's Academy and the new St. Mary's Central High School. As Light of Christ Catholic Schools moves forward with a revitalization of its facilities, we feel called to continue to serve each of our students as Christ. This calling means taking a new, bold step toward helping our students succeed, encompassing individuals that struggle with academics or need to be challenged to reach their

potential. With this in mind, we are investing in educational services and resources to serve our students with extra educational support to experience success. The foundation for this programming will be a dedicated learning center classroom at both St. Mary's Academy and St. Mary's Central High School.

St. Joseph of Cupertino is a Saint who has for centuries interceded for those who struggle with traditional learning environments. He himself struggled with his studies and overcame his educational studies through the grace of God. We aim to aid our students through cooperation in God's grace and the intercession of St. Joseph of Cupertino.

St. Joseph of Cupertino, pray for us!
