

## Campaign Update #53: New SMCHS Will Open In August - VIDEO TOUR

We just released a video tour of the new SMCHS! [CLICK HERE](#) to watch it on the Keep the Promise website or watch and share it on the [Light of Christ Catholic Schools facebook page](#).

It includes a look at the new gym floor, the furniture that is moved into the classrooms and the stone going up on the front entrances. The digital display at the front entrance is now installed and will welcome our students, families, alumni and the community to the new home of the Saints in August!
