

Keep the Promise Campaign Update #59: SMCHS Auditorium and Chapel

The progress on the new SMCHS auditorium is amazing! Seats are already installed. The rigging and curtains are being placed, the main painting work is done and the lighting is incredible. Enjoy a few photos of the project!

We've raised \$300,000 in pledges and donations during the \$1 MILLION MATCH! When your gift is matched, it has twice the impact! Please contact us now to finalize or increase your pledge.

When you drive by the new SMCHS, take a look at the beautiful exterior of Our Lady of Victory Chapel.

Inside the chapel, exterior windows are in and the rest of the floor will be poured soon.

Looking up, it's easy to imagine the beautiful ceiling and inner dome that will cover our chapel.

Thank you for your continued prayers and support of our schools.

Our Lady of Victory...PRAY FOR US!
