

Jesus Training Exercises **DUE BY 4PM MONDAY, OCTOBER 19**

Read the attached Parent Letter then:

Jr. Discipleship /Disciples: Using the attached lesson work with your child(ren) to determine which things or behaviors belong inside the Circle of Grace? Which things should be kept out? Draw pictures or write words that represent those things and behaviors both inside of and outside of the Circle of Grace.

Apostle Level: Create a short three-minute informational message: poster, advertisement, video, etc. That would advertise what you allow in your Circle of Grace and what you don't allow in your Circle of Grace. There should be a minimum of 5 actions, thoughts, items, etc. that would be in your Circle of Grace and a minimum of 5 action, thoughts, items, etc. that would not be in your Circle of Grace.

Poster/Advertisement: You may draw or find pictures on the internet or in magazines. These should be appropriate images for Faith Formation (i.e. we do not want violence in our Circle of Grace, pictures/images cannot be overly graphic instead use peaceful images depicting kindness and love).

Video: Clear recording of what you allow in your Circle of Grace and what is not allowed in your Circle of Grace. Why are these allowed in your Circle of Grace? Use at least two props for your video. (i.e. hugging a loved one, showing an apple for healthy foods in your Circle of Grace).

ALL families must discuss and submit the 3 Step Action Plan.
