

Dear Brothers and Sisters in Christ,

Today, Bishop John Noonan of the Diocese of Orlando has taken a necessary step to help protect the physical health of the faithful due to the spread of the Covid-19 virus. Essentially, all Masses and events at all Parishes will be suspended. This update has given us an opportunity to continue to look after the spiritual health of our flock through online communications - live streaming our weekend and daily masses.

Here are a few of the other details from our Diocese that you may want to know:

- Weekend Masses will be celebrated (live streamed) at 9:30AM (English) and 12:30PM (Spanish). Weekday Mass will be celebrated (live streamed) on a daily basis at 8:30Am, for the intentions of the faithful.
- Although parishioners will not be physically present, they can participate spiritually and watch online.
- Visitation to the Churches to pray has been suspended.
- Funerals, weddings, baptisms, etc. may be celebrated, but only with immediate and healthy family.
- All parish ministry meetings and/or events are suspended (i.e., Bible studies, prayer groups, etc.)
- Please join All Souls during the broadcasts of our Masses on our website and on YouTube, while at home you perform an Act of Spiritual Communion. (Details are in the letter from the Diocese - see note below).

May the Lord in His love and mercy be with us all, may He protect you and your loved ones, and may we all join together to support our loved ones, neighbors, Parish and communities in God's love.

Fr. David Vivero
