

Welcome Back To All Souls Weekend and Weekday Masses:

Welcome back! All Souls has been praying and preparing for your return. By God's grace, and at the direction of Bishop Noonan, we are now ready to welcome you back to Weekday Masses at the Church on SR 46. Masses will be familiar, but a few changes have been made within the church for your health and safety. Here are the new things to know...

- Please wash your hands before Mass... your health and that of your neighbor is our greatest concern
- Church staff or ushers will be available to help direct you to your seats. Please wait for their signals and directions
- Outside and inside the church, you'll see marks on the floor indicating 6 ft social distancing
- Inside the church, you'll see some pews or sections marked with "X's". That means *"don't sit there"*
- Only every other pew will be in use, in order to maintain social distancing when seated
- Please be sure to sit 6 ft apart as indicated. However, household members may sit together
- Face masks are recommended for those over age 10. Church staff will all be wearing face masks
- During the "Sign of Peace" and "Our Father", please refrain from touching. A simple wave or bow will do
- Hand sanitizers are available in the church. Please consider bringing your own for use at Communion
- During Communion, please stand at your seat and wait for a Eucharistic Minister to come to you
- Remove your face mask; cup your hands; receive the Host in your palm; consume the Host; then replace mask
- After Mass, church staff will motion you to exit your pew. Please be patient so we can maintain social distancing
- Please exit the church right after Mass, so that cleaning and sanitizing can immediately begin

Entering and Exiting the Church:

- Only the front doors of the church will be opened for Mass. The side doors will remain closed*
- *If you have a disability, the side-door on the East will be opened to allow access from the handicap parking. Staff will be on hand
- The church doors will open ½ hour before Mass, and close right after Mass. Prayer time is very limited
- As you approach the entrance, there'll be 3 lanes indicated. The center lane is reserved for those with disabilities
- Signage will help indicate restroom locations, so you can line up accordingly. Read other signage for more info
- Offertory boxes (blue) are located near the doors, for your use upon entering or leaving the church
- Please refrain from gathering or socializing in groups outside the church; prior to, or after Mass

Thank you for your attention to the new procedures that have been developed for your well-being. Although some things have changed, Our Lord's house and Eucharistic celebration are still the same, and His grace is always with us. Please know that we will be live-streaming all our Masses on the All Souls Website, for those who cannot physically join us. If you should have any concerns or questions, the Parish Office will be happy to answer your calls **Mon – Fri, at Ph: 407-322-3795**, or **email us at office@allsoulssanford.org**.

May God Bless You All and Welcome Back!
