The King County Road Services Division's Adopt-A-Road Program is for volunteers who donate their time to help keep King County's road rights-of-way clean and clear of debris. Participants are informed and acknowledge being advised that working adjacent to a roadway can be a hazardous activity that can cause bodily injury and/or death. Volunteers agree they shall exercise due care and caution in performing litter cleanup activities.

Participants further acknowledge they will review the Adopt-A-Road Program **Safety Rules** prior to participating in any cleanup activity.

Participants must wear the high visibility vest and hard hat furnished by the County and appropriate protective clothing during cleanup activities. *Participants must obey the **Safety Rules** at all times!*

By signature below, I verify that I am a volunteer, 18 years of age or older, have viewed the Adopt-A-Road Volunteer Safety Training Video, and have read the **Safety Rules**. I am participating and am under control of our volunteer group and not King County.

I also understand the rights, responsibilities, and privileges of participation in the Adopt-A-Road Program and agree to release and forever discharge King County and its officials, agents, and employees from any liability whatsoever for any damages or injury arising out of or resulting from my participation in this program or working within the public road right-of-way.
