The Department of Special Education is seeking joyful candidates for a part-time openings for the 2021-2022 school year for the following Dyslexia Lab locations:

- St. Elizabeth School in Paincourtville

Qualifications needed:

- Valid Louisiana Teaching Certificate
- Experience with reading remediation
- Orton-Gillingham/dyslexia training preferred

Duties include:

- Carrying out the mission of the REACH Program - to provide superior services that address the unique and diverse needs of all students.
- Planning and implementing an individualized instructional program.
- Assessing and reporting student progress.
- Establishing and maintaining effective working relationships with colleagues.

Our Dyslexia Lab teachers must be able to work well with school administration, school counselors and families to develop the potential within each child. Lab teachers work with students in grades K-8 in small groups of up to 4 students for a total of 120 minutes each week.

To apply, submit your resume and cover letter to Kristy Monsour, Department of Special Education Program Administrator, at kmonsour@csobr.org. On your resume, provide three professional references with contact information.
