Playaway Permission Slip

(For Students in Grades 4-8)

We are pleased to have a small collection of Playaways at the SJS Library. Playaways are audiobooks in an MP3 format. Playaways are small, portable, and easy to use. For most titles in our Playaway collection, we have a copy of the book in our library. Many students enjoy reading along with the Playaway, though some prefer to just listen.

Due to the cost of Playaways, we are requiring students to have parent permission to check them out of the library. By signing below, you are giving your child permission to check out a Playaway. This slip will stay on file in the library and will be effective as long as your child is a student at SJS. If you decide you no longer want your child to check out Playaways, please contact Mrs. Brown.

PLEASE READ AND SIGN BELOW:

By signing below, I am giving my child permission to borrow Playaways from the Saint Joseph School Library. I understand that if the Playaway is lost or damaged, I will be responsible for the replacement cost, which is \$40.00. I also understand that a standard pair of headphones is needed to be able to use the Playaway (not provided by the library). Should the single AAA battery need replacing while the Playaway is in our use, we will replace the battery before returning the Playaway to the SJS Library. Playaways are generally for home use and may only be listened to in a classroom per the discretion of each individual teacher and circumstance.
