This school is accredited by the Virginia Catholic Education Association whose accreditation process has been approved by the Virginia Council for Private Education as authorized by the Virginia State Board of Education.
Dear St. Joseph Catholic School Parents-

Welcome to the start of a brand new school year! I hope you were able to share a joy-filled, albeit hot, summer with family and friends.

Along with welcoming you back to school, I want to update you on our strategic initiatives for the school year. Calendar updates, introduction of new staff, and information regarding the Design for Excellence reaccreditation process will be delivered in separate emails.

Last year, I was able to send out the parent survey during the summer, and from that survey, I analyzed the data to identify strategic goals for 2018-2019 school year. As indicated in my year-end letter, we were successful in meeting all our goals. This year, we are working on the timetable set for the Design for Excellence, and the survey will not be shared with parents until October. Therefore, this year’s strategic initiatives will focus on continued improvement on last year’s goals, but will also include new areas that were identified during last school year.

To that end, we have identified the following initiatives:

- Strengthen our school’s Catholic identity by increasing the number of service projects for students.
- Create a more inclusive learning environment by increasing the number of resource staff, including special education teacher, reading specialist, resource instructional assistants, and adopting a collaborative teaching model called “push-in.”
- Further develop our of differentiating instruction initiative. Last year, our teacher professional development laid the ground-work to develop differentiated lessons, this year we are positioned to further individualize instruction to meet student learning needs.
- Establish a strong collaborative professional learning community among the professional staff at SJS. Professional Learning Communities (PLC) are a proven approach to school improvement and a best practice.
- Effectively utilize student performance data to drive decisions regarding investments in instructional programs and technologies.
- Continue to expand of the middle school math program for 2020-2021 to include Geometry for qualified 8th grade students.

These strategic goals reflect our increasing emphasis on building inclusive classrooms, and meeting individual student needs, while at the same time holding all students to high standards of achievement. Restructuring the resource department so that teachers “push-in” ensures support for all students, and fosters a collaborative learning environment that promotes individualized
and differentiated instruction. Success in these goals will be measured objectively through SCANTRON standardized testing results.

As always, parents are welcomed and encouraged to volunteer to the extent your schedule permits. To that end, the Office of Child Protection requires all adults who will have substantial contact with youth to be compliant in the Child Protection Program. This involves a background check and a Virtus Seminar attendance. The Diocese now has the background check registration online at https://secure4.arlingtondiocese.org/OPCYP_Application/. Paper applications are no longer accepted. To find a Virtus Seminar please go to virtus.org. You may attend any seminar in the Arlington Diocese. If you have any questions, please call Beth Covert at (703)880-4357.

Finally, each year, with the help and guidance of the Holy Spirit, our school community embraces a scriptural theme that provides a framework for our school’s faith based activities and formation efforts throughout the school year. This year the theme is ““Welcome one another … as Christ welcomed you,” (Rom 15:7) which reflects our commitment to our inclusive community, and extends last year’s message that growth in holiness is something that we do "as a community, side by side with others." (Papal Exhortation ¶ 141)

Please let me know if you have any questions, or if I can be of further assistance.

Welcome one another … as Christ welcomed you! (Rom 15:7)

I. PHILOSOPHY OF EDUCATION/MISSION STATEMENT

DIOCESAN PHILOSOPHY OF CATHOLIC EDUCATION

Go, therefore, and make disciples of all nations  
Teaching them to carry out everything I have commanded you.  
Matthew 28:19-20

These words of Christ addressed to the apostles at the Ascension bestowed on the Church the office of teacher. Obedient to this divine challenge, the Church provides education permeated with the spirit of Christ and dedicated to promoting the full development of the human person. The two-fold goal of Catholic schools is to provide an environment which will foster rich religious training as well as solid academic education in a Catholic, value-oriented manner.

1 Declaration on Christian Education #3

DIOCESAN MISSION STATEMENT

The Catholic schools in the Diocese of Arlington are an essential component in the educational ministry of the Church. Our schools are committed to providing an education rooted in the Gospel of Jesus Christ where Catholic doctrine and values and academic excellence prepare each student for a life of faith, service, and integrity.

SCHOOL MISSION STATEMENT/PHILOSOPHY

St. Joseph Catholic School exists to foster four basic purposes of Catholic Education: the teaching of Catholic Doctrine, the teaching of academics, the building of community, and the witnessing of Christ by service to others.

ST. JOSEPH SCHOOL PHILOSOPHY

At St. Joseph School both children and adults strive to uphold the dignity of all human life, regardless of age, race, ethnicity, socioeconomic status, or religion because every human is a unique creation of God, made in His image and likeness.

Emulating Christ, the Master Teacher, the faculty and staff are committed to the total growth and development of each child. They look to foster the children’s intellectual progress as well as their spiritual, emotional, social, and physical maturity. St. Joseph School believes that each of these areas is interconnected and that each must be given adequate attention and encouragement for the complete education of its students. To accomplish these goals, the school must provide a safe and nurturing environment where the staff utilizes multiple techniques and strategies to further the students’ academic and spiritual growth.

In partnership with the parents, St. Joseph School participates in the formation of the children as
they grow in the love of Christ, commitment to faith, and service to others in the world. This mission of unity will instill a foundation that empowers the students, who are the learners of today, to be the teachers of tomorrow. The Christ-like atmosphere of respect, love, and concern becomes the framework for the instructional program at St. Joseph School, inspiring a lifetime value system for each student.

**STUDENT/PARENT HANDBOOK**

Each school shall utilize the Office of Catholic Schools (OCS) template to develop and distribute a handbook for students and parents. All local policies and procedures must be in conformity with the Office of Catholic Schools’ policies, guidelines and regulations.

A committee, representative of the total school community, shall be involved in the development and periodic revision of this handbook.

All parents/guardians, along with students in middle and high school, are required to sign a form stating they have read the rules and regulations outlined in this handbook and they agree to abide by those rules (Appendix AG-1). This signature form will be given to students when they receive a copy of the handbook and the form must be signed and returned as soon as possible, but no later than the date when first interim grades are distributed. Failure to have a signed form on file will not prevent the school from enforcing its policies, but could result in disciplinary action being taken and/or prevent a student from enrolling (or continued enrollment) in the school.

Faculty and staff members shall be given copies of all school handbooks.

Handbooks and all subsequent changes are subject to prior written approval by the Diocese. To the extent any local handbook or policy statement therein may be inconsistent with the policies, guidelines, or regulations of the Office of Catholic Schools, the Office of Catholic Schools’ policies, guidelines, or regulations shall be of controlling force and effect.

**PARENTAL/GUARDIAN ROLE**

Since parents/guardians have given their children life, the Catholic Church recognizes parents as the primary and principal educators of their children. The Catholic parents’ promise at baptism to raise their children as Catholic supports this premise. The Catholic school exists to assist parents in the Christian formation of their children.

In this Handbook, the term “parent” refers not only to a child's natural or adopted parent, but to a student's non-parent legal guardian or to any person or agency authorized to act in place of parents.

The Diocese of Arlington Office of Catholic Schools respects the role of parents as the primary educators of their children. Since the school is a continuation of the education children are receiving at home, Diocesan schools should demonstrate respect and support for the parents in their important and challenging task.
Parents are expected to support the school's mission and commitment to Christian principles and support the school policies as outlined in school handbooks (i.e., annually sign the school’s Handbook Agreement Form). One of the conditions for initial and continued enrollment at the school is receipt of this signed form indicating the parent’s support of the school’s philosophy, policies, and regulations.

In the event a parent desires to discuss a problem with his/her child's teacher, the parent should make an appointment for a private meeting with the child’s teacher. Teachers welcome the opportunity to discuss a matter of concern with parents before it becomes an actual problem. Any parent who wishes to speak with the principal may do so, but after an initial meeting with the classroom teacher.

If a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students, or displays disrespectful, disruptive or harassing behavior toward teachers or toward school, parish, or diocesan staff, the school may take corrective action. Such corrective action may include, at the discretion of the principal (and, for parish schools, the pastor of the parish) the following: imposition of particular rules or procedures the parent must follow in interacting with the school and its students and staff; restriction or termination of the parent’s access to school or parish property; dismissal of the parent’s child(ren).

The school may impose other appropriate corrective action, without prior recourse, based upon the nature of the parent’s conduct and the surrounding circumstances.

As foundation for a faith-community, parents are invited and encouraged to participate in the school’s celebration of prayer and Liturgy.

Parents are encouraged to participate in the programs, which are developed for the education of their children. The wide spectrum of this involvement includes volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home, and active involvement in the school's Parent-Teacher Organization.

**NON-DISCRIMINATION CLAUSE**

Catholic Schools, administered under the authority of the Catholic Diocese of Arlington, comply with those constitutional and statutory provisions, as may be specifically applicable to the schools, which prohibit discrimination on the basis of race, color, sex, age, marital status, disability, national origin, or citizenship in the administration of their educational, personnel, admissions, financial aid, athletic, and other school administered programs.

This policy does not preclude the existence of single sex schools, nor does it conflict with the priority given to Catholics for admission as students. This policy also does not preclude the ability of the school to undertake and/or enforce appropriate actions with respect to students who advocate on school property or at school functions, any practices or doctrines which are inconsistent with the religious tenets of the Catholic faith.
**NON-CATHOLIC STUDENTS**

The presence of students from other faiths provides a wonderful diversity to the school. However, the presence of non-Catholic students in the school shall not alter the primacy of Catholic religious formation as an integral component of the educational program in the school. As such:

a. Non-Catholic students are expected to participate in the religious formation and education programs of the school.

b. Non-Catholic students must participate in liturgies (except for reception of the Eucharist), retreats, other religious functions, and religion classes for credit.

c. Non-Catholic students may be exempt from formal co-curricular or extra-curricular sacramental preparation programs but not from the catechesis held during the school day.

d. Students are expected, for testing and discussion purposes, to be knowledgeable of the Catholic Church’s positions on scripture, revelation, and moral practices. While Catholic teaching respects the various faith traditions of the students attending the Catholic school, parents/guardians must be aware that it is the Catholic position that will be taught.

In light of the unique situations which may arise in the educational process, and because it is impossible to foresee all school issues that arise, the faculty and administration reserve the right to address and to take appropriate action for any such situations not specifically referenced in this manual. In addition, in view of the unique and essential religious mission of the school, it is expressly understood that the school may take action in cases where moral offenses occur which reflect adversely on the school, the Catholic Diocese of Arlington, or the Roman Catholic Church, or which interfere with the ability of the school to perform its religious mission or effectively maintain the intimate working relationship of the school and the Community of Faith.

This handbook may be modified by the school after reasonable notice to the parents/students of the effective date of any changes. Any section headings are for convenience of use, and shall not affect the interpretation of any provisions. If the school should elect not to take action in a particular situation, this shall not be construed or interpreted as a waiver, or preclude the school from acting in a subsequent situation of the same or similar kind.
II. ACADEMICS

CURRICULUM

Curriculum encompasses the sequentially ordered learning experiences which the school provides for its students. The total curriculum includes the development of Catholic values and attitudes, as well as the attainment of knowledge and skills necessary for the student’s spiritual, moral, intellectual, social and physical development.

The basic curriculum for the school (but not necessarily for each grade level) includes the following subjects: Religion, Reading, Language Arts (English, Spelling, Handwriting), Mathematics, Science, Social Studies, Fine Arts (Art and Music), Health and Safety, Physical Education, Technology, Library and World Languages.

The following path is outlined for those students capable of completing High School Geometry in the eighth grade.

GRADES FIVE TO SIX

For Placement in Pre-Algebra in the sixth grade:

Students must satisfy the following criteria:

a. Math Composite standardized test score National Percentile: 96 or above on the Spring Scantron Performance Series Exam.

b. Class grade in 5th grade math: 93 or above.

c. End of year diocesan comprehensive grade-level test: 93 or above (Recommended time of testing – May of 5th grade year).

d. Favorable teacher and principal recommendation.

GRADES SIX TO SEVEN

For Placement in Algebra I in the seventh grade:

Students must satisfy the following criteria:

a. Math Composite standardized test score National Percentile: 96 or above on the Spring Scantron Performance Series Exam.

b. Class grade in Pre-Algebra: 93 or above.

c. Iowa Algebra Aptitude Test results: 85 or above (Recommended time of testing – May of 6th grade year).

d. Favorable teacher and principal recommendation.
Because the Algebra I course incorporates numerous word problems that students need to solve, a teacher’s recommendation should take into consideration the reading comprehension standardized test score when making a final decision for placement in Algebra I.

**GRADES SEVEN TO EIGHT**

For Placement in Geometry in the eighth grade:

Students must satisfy the following criteria:

a. Math Composite standardized test score National Percentile: 96 or above on the Spring Scantron Performance Series Exam.

b. Class grade in Algebra I: 93 or above.

c. Scoring 77% on the Diocesan Algebra I exemption exam.

d. Favorable teacher and principal recommendation.

The following path would be followed by those student identified as capable of completing High School Algebra in the 8th grade.

**GRADES SIX TO SEVEN**

For Placement in Pre-Algebra in the seventh grade:

Students must satisfy the following criteria:

a. Math Composite standardized test score National Percentile: 93 or above on the Spring Scantron Performance Series Exam.

b. Class grade in 6th grade math: 93 or above.

c. End of year diocesan comprehensive grade-level test: 93 or above (Recommended time of testing – May of 6th grade year).

d. Favorable teacher and principal recommendation.

**GRADES SEVEN TO EIGHT**

For Placement in Algebra I in the eighth grade:

Students must satisfy the following criteria:

a. Math Composite standardized test score National Percentile: 93 or above on the Spring Scantron Performance Series Exam.

b. Class grade in 7th grade math: 93 or above.

c. Iowa Algebra Aptitude Test results: 80 or above (Recommended time of testing – May of 7th grade year).
d. Favorable teacher and principal recommendation.

Because the Algebra I course incorporates numerous word problems that students need to solve, a teacher’s recommendation should take into consideration the reading comprehension standardized test score when making a final decision for placement in Algebra I.

Eighth grade students must satisfy the following criteria to receive credit for Algebra I instruction and placement in the next level of high school math instruction:

a. Pass the Algebra I course
b. Score 77% or above on the Diocesan Algebra I exam
c. Receive teacher recommendation for placement in the next level of high school math instruction

If a student does not score 77% or above on the exam, a compelling case made by the teacher through the use of the Teacher Recommendation Form (Appendix X) can be forwarded to the high school. The decision of the high school will be final.

**IMPLEMENTATION OF FAMILY LIFE PROGRAM**

Catechesis in Sexuality is an important and sensitive component of a comprehensive program of catechesis. According to the Second Vatican Council, "As they (children and young people) advance in years, they should be given positive and prudent sexual education." Education in sexuality includes all dimensions of the topic: moral, spiritual, psychological, emotional, and physical. Its goal is training in chastity in accord with the teaching of Christ and the Church, to be lived in a wholesome manner in marriage, the single state, the priesthood, and religious life.

TECHNOLOGY – RESPONSIBLE USE POLICY

There is no expectation or right to privacy or right to freedom of speech when using the school’s computer resources, which are the school’s property. Any use of the school’s computers and Internet access must be in support of education and research and be consistent with the educational objectives of the Office of Catholic Schools.

Using school facilities for Internet access and e-mail is a privilege, not a right. Inappropriate use which includes, but is not limited to, unauthorized transmittal or improper use of copyrighted materials or materials protected as trade secrets; transmission of threatening or obscene materials; vandalism of computer files; and violation of computer security as determined by the school administration can result in a cancellation, denial, suspension and/or revocation of those privileges by the school administration and also subject the user to other disciplinary action.

Electronic and/or digital communications with students should be conducted for educationally appropriate purposes and employ only school sanctioned means of communication.

Users must adhere to local school policy that may further define uses of mobile devices. Access will be determined by the administration of the school. If a particular mobile device is to be used for an educational purpose, the school administration and/or teacher will provide parameters for this use.

Additional responsibilities for use of school facilities for the Internet and e-mail are:
a. When using networks or computing resources of other organizations, students must observe the rules of that organization regarding such use.

b. Users should not reveal their personal addresses or phone number(s), and shall not reveal the personal address or phone number(s) of others without their authorization/permission.

c. Users are reminded that electronic mail (e-mail) is not guaranteed to be private. Operators of the network/system have access to all mail. Messages relating to, or in support of illegal activities, may be reported to the authorities.

d. Students shall immediately notify the system administrator/school administration if they suspect that a security problem with the system and/or the Internet exists.

e. Any attempt to log onto the Internet or the school’s network/system as a systems administrator will result in a loss of user privileges at the school. Any user identified as a security risk by the school administration/systems administrator due to a history of actual or suspected unauthorized access to other computer(s), network(s), or system(s) may be denied access to the school’s computers, networks, and/or systems.

f. Users shall abide by generally accepted rules of network etiquette, which include but are not limited to:

i. Messages to others shall be polite and shall not be abusive.

ii. Messages shall use appropriate language and shall not use obscenities, vulgarities, or other inappropriate language.

iii. Use of the network shall not disrupt use of the network by others.

g. The Diocese/school makes no warranty of any kind, whether express or implied, for Internet service. The Diocese/school will not be responsible for any damages suffered. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by its own negligence, user errors, or omissions. Use of any information obtained via the Internet is at the user's risk. The school specifically denies any responsibility for the accuracy or quality of information obtained through its services.

h. Examples of Unacceptable Uses – Users are not permitted to:

i. Use technology in sexting or cyber bullying: to harass, threaten, deceive, intimidate, offend, embarrass, or annoy any individual.

ii. Post, publish, or display any defamatory, inaccurate, violent, abusive, profane, or sexually oriented material. Users must not use obscene, profane, lewd, vulgar, rude, or threatening language. Users must not knowingly or recklessly post false information about persons, students, staff, or any other organization.

iii. Use a photograph, image, video, or likeness of any student or employee without express permission of the individual, individual’s parent/guardian, and the principal.

iv. Create any site, post any photo, image, or video of another except with express permission of that individual, individual’s parent/guardian, and the principal.

v. Attempt to circumvent system security.

vi. Deliberately visit a site known for unacceptable material or any material that is not in support of educational objectives.
vii. Violate license agreements, copy disks, CD-ROMs, or other protected media.

viii. Use technology for any illegal activity. Use of the Internet for commercial gains or profits is not allowed from an educational site.

ix. Breach confidentiality obligations of school or school employees.

x. Harm the good will and reputation of the school or school employees.

xi. Transmit any material in violation of any local, state, or federal law. This includes, but is not limited to: copyrighted material, licensed material, and threatening or obscene material.

i. Users must immediately report damage to the appropriate school officials.

j. The school has the right to monitor student use of school computer, computer accessed content, and social media. Social media refers to activities that integrate technology, telecommunications, and social interaction through the use of words, images, video, or audio tools. Examples include, but are not limited to, social websites, blogs, message boards, wikis, podcasts, image and/or video-sharing sites, live webcasting, and real-time communities. Because this is a constantly evolving area, this policy applies to all new social media platforms whether or not they are specifically mentioned in this policy.

k. Violation of the above policy will be dealt with by the administration of the school. Violation of this policy may result in any or all of the following:

i. Loss of use of the school network, computers, and software including Internet access.

ii. Disciplinary action including, but not limited to, dismissal and/or legal action by the school, civil authorities, or other involved parties.

l. The school retains the right to discipline students for their actions, regardless of when or where they occur, when those actions negatively impact the school’s image, reputation, and/or the safety and well-being of the school community. This covers inappropriate behavior in cyberspace including but not limited to messages, chat room commentary, comments/pictures, postings on social networking sites, blogs, wikis, gaming chats, digital transmissions, and other technology related activity.

**CELL PHONE POLICY**

Students are not permitted to use or carry cellphones during the school day. Cell phones must remain in the backpack, locked in the locker, and in the off or silenced position. Disruptions to class, or violations of student privacy caused by a student using a cellphone will be dealt with on a case by case basis.

Any student who brings a cell phone to school assumes responsibility for the phone. St. Joseph Catholic School is not responsible for any loss, theft, damage or other consequence to the cell phone.

**TESTING**
The school’s testing program is intended to assist teachers and administrators in a systematic evaluation of the academic and religion programs, to diagnose students’ strengths and weaknesses, and to aid in the revision of the curriculum and planning of instruction.

In addition to academic tests for grading purposes, the school will administer standardized religion and achievement tests according to the diocesan testing program. All eighth grade students take the high school placement test used in determining placement in diocesan high schools. Eighth grade teachers are encouraged to review only the format and style of the high school placement test with their students.

Saint Joseph Catholic School follows the standardized testing program below:

**HOMEWORK**

In order to reinforce daily work and develop good study habits, the school promotes specific homework policies.
Although homework has different purposes at different grades, homework is required at all grade levels. The amount of homework a child may have on any given day will vary depending upon the nature of the assignment, the amount of work the child completes in school that day and the speed at which the child completes his/her work at home.

**SUGGESTED TIME ALLOTMENTS**

The suggested time allotment for homework depends on the type of assignment and the age and grade of the student. Kindergarten may occasionally have homework assignments or projects. No definite time limit can be determined for all grades since students work at different speeds. The following is merely a general guide for written work:

<table>
<thead>
<tr>

</tbody>
</table>

- Not all assignments are written. As the students advance, they should study vocabulary and concepts presented in content areas. Independent reading, studying and review of content may increase the overall homework time required.
- Parents should provide a suitable environment for study and homework; show interest and give encouragement, but should not complete home assignments for their children. It is recommended to occasionally check on the papers your children intend to submit.
- If a parent feels that homework completion is consistently taking longer than the suggested time allotment, he/she is invited to discuss the matter privately with the teacher.
- Missed class work or homework will result in parent notification through a missing assignment form. The form must be signed and returned with the completed work within 48 hours.
- All students are responsible for bringing proper books and/or assignments home each day. Students are encouraged to contact classmates in the event of forgotten work. Students are expected to check their classroom homework websites for homework information.

**MISSING WORK POLICY**

When a student falls ill and cannot attend school the main concern is for the comfort and recuperation of the student.

Classwork and homework assignments missed during absence will be ready for your child when they return to school.
- Upon returning to school, it is the student’s responsibility to speak to the teacher and get all missed assignments. This work should be made up and turned in as soon as possible but not
to exceed the number of days absent.

- Any student that misses class due to early dismissal or late arrival MUST get the missed work for that day and turn it in the following morning prior to the start of class. If a student fails to do so, that work may not receive credit.

- Long term assignments (assignments given at least two weeks in advance) are due the day of the student’s return from an excused absence. If a student is in school but excused from class, he/she must still turn in long range assignments on the day it is due.

**PARENT-TEACHER COMMUNICATION**

Teachers are expected to be reasonably available to parents/guardians throughout the school year to keep the lines of communication open in the best interest of the students. Parent-teacher conferences can be scheduled throughout the school year if necessary. Parents should first privately contact a teacher with any concerns about a student or class concerns before seeking intervention by the school administration.

PowerSchool is a web-based student information system that allows parents to review their child’s performance as recorded in electronic teacher gradebooks. Grades are readily available to parents of students in grades 3-8 therefore interim/progress reports will not be distributed. It is recommended that parents view the PowerSchool Portal at least twice during each trimester. In addition, parents and students should monitor missing assignments which may impact a student’s overall grade. Parents are responsible for updating personal information and ensuring its accuracy.

Formal report cards are distributed at the end of each trimester for students in grades one through eight and students in Kindergarten will receive a formal report card mid-year and at the end of the school year.

**SCHEDULING AND OTHER CONFERENCE INFORMATION**

Parent/teacher conferences are held in November to discuss student performance. Conferences are scheduled for 15 minutes in length. Teachers and school personnel can be reached by phone. The St. Joseph School telephone system uses a voice mailbox system. Any school personnel mailbox can be reached by calling the main number 703-880-4350 and following the directions on the menu. Messages can be left for individual office staff or faculty members. Messages will be checked daily. All administration, teachers, aides and staff possess a school email address ending @sjschoolva.org The school website is updated regularly with news, events and calendar changes. [www.sjschoolva.org](http://www.sjschoolva.org)

Please allow 48 hours for the administration and teachers to respond to emails.
**GRADING/REPORT CARDS**

Overall evaluation of the student must be based on teacher judgment and observation of the student’s daily work, class participation, effort, and performance on teacher prepared tests (to include but not be limited to projects, portfolios, and other tools of assessment).

The purpose of report cards is to alert the parents/guardians and present to them an assessment of their child’s achievement in his/her academic studies.

Students with identified disabilities who have a current IEP or Student Assistance Plan should receive an asterisk on their report card grade when modifications have been made to the curriculum. A modification changes the content, instructional level, or student work load of subject matter or tests. Conversely, accommodated programs should not be denoted.

**GRADING SYSTEM**

**Grades 1-2**

M  Meets Grade Level Standards – Child consistently meets skills  
P  Progressing Towards Grade Level Standards - Child is in process of developing skill

**ACADEMIC PROGRESS SCALE**

The letter M, P or NI is indicated in the appropriate box for each subject area.  
*(asterisk)* indicates modified curriculum

**Grades 3-8** use numeric (percentage) grades. Below 70 is designated by an F.

**INDICATORS FOR EFFORT, SPECIALS, AND PERSONAL DEVELOPMENT:**

Perfect Attendance Award – This award is given at the end of the school year to students who have maintained an outstanding record of attendance at school, defined by their full attendance each day of school, i.e. no tardies, no early releases, or time away from school due to appointments.

Good Samaritan Award – This award is the highest honor earned at St. Joseph School, and is awarded one time, at the end of the school year. The award recipients are those students who serve as a Christian example to their peers and are chosen by both the classroom teacher and classmates as a model of faith-filled living through word and action.

**PROMOTION/RETENTION/PLACEMENT POLICY**

A major goal of the school is to assist students to complete each academic year satisfactorily. The repetition of a grade is recommended when it is deemed by the school to be necessary and advantageous to the particular needs of the student.

a. The final decision to promote or retain a student is based on the student’s academic performance and best interest as determined by the principal.

b. Teachers will notify parents/guardians if their child is not progressing satisfactorily toward a passing grade in the course.

c. Elementary students failing one or two academic areas must successfully complete summer school or another program approved by the principal in order to be promoted to the next grade. If a student fails three or more core academic subjects, the student will not be promoted to the next grade.

d. Students who have not successfully completed summer school or another program approved by the principal but would not benefit from being retained in the grade may be “placed” in the next grade level; however the school must prepare and implement an “Academic Intervention Plan” for the student as a condition of placement.

**SCHOOL COUNSELORS**

School counselors are available to confer with students in areas which may extend beyond academic matters. While the conferences are generally confidential, the counselor may need to disclose certain information to parents/guardians, school administration, or other authorities.

St. Joseph School employs a part-time school counselor. Following the National Model for School Counselors, the counselor teaches in the classroom throughout the year and provides whole group instruction on a variety of topics. Classroom lessons address the needs of most students.

The counselor offers small group counseling. Small group counseling is appropriate for some
students who might need extra reinforcement in certain areas, above and beyond what is already addressed during classroom lessons. Small groups meet about once a week for a six to eight-week period and focus on specific concerns of the participant(s) (e.g., social skills, divorce, deployment, grief or anger management). Participation in small group counseling requires written parental permission for each student.

The counselor is available for individual counseling when needed. Individual short-term counseling is an appropriate intervention for a few students who need reinforcement to develop the skills necessary to be successful in the school setting. Many students visit with the school counselor for a brief intervention, which differs from small group counseling. Students can be referred for individual counseling through self-referral, parent referral, or teacher/staff member referral. Parent/guardian consent is not required for short term personal or social counseling and/or crisis intervention that is needed to maintain order, discipline, or a productive learning environment. It is not the role of the school counselor to provide long term individual counseling.

Confidentiality is a key feature of the counseling experience. The school counselor will keep information confidential with the following possible exceptions, as required by law/or ethical standards: harm to self or others, abuse or neglect, and court or other legal proceedings.

Elementary school years set the tone for developing the knowledge, attitudes, and skill necessary for children to become healthy, competent and confident learners. Through a comprehensive developmental school counseling program, school counselors work as a team with the school staff, parents and the community to create a caring climate and atmosphere.
A. III. ADMINISTRATIVE PROCEDURES

ADMISSIONS

DIOCESAN INITIAL ADMISSION REQUIREMENTS

Students who desire an educational experience founded on the Catholic philosophy of education and who fulfill the age, health, academic, and behavioral requirements are eligible for admission to the school.

The school sets registration procedures and admission policies. The availability of space and the order of preference for admission is determined by the school according to the following general criteria:

a. Children from the parish
b. Children from parishes without schools
c. Children from parishes with schools (for sufficient reason)
d. Children from non-Catholic families

If approved by the pastor, and where practicable, siblings may receive special consideration.

AGE FOR ADMISSION TO KINDERGARTEN

Children who will have reached the age of five years by September 30th may be admitted to a kindergarten program. Readiness testing, at the discretion of school officials, may be used to determine, among other things, the developmentally appropriate placement in the kindergarten program. Readiness testing (fine/gross motor, speech, and language screen) is required for kindergarten entry and within 60 days of school admission for new students in grades 1 – 3. Additional school readiness testing may be conducted at the discretion of school officials. In those cases where the school has sufficient reservations regarding the potential for success, those students may be admitted on a conditional basis with dates and criteria of evaluation established in writing; however, the decision of whether to extend or remove conditional admission status should be made by school officials at their discretion.

REQUIREMENTS FOR SCHOOL ADMISSION: PRESCHOOL – GRADE 5

a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
b. Baptismal certificate for Catholic students
c. Proof of custody where applicable
d. Current report card and previous academic years’ report card as applicable
e. Current standardized test scores and previous years, if applicable
f. Completed Diocesan Application Form (Appendix J)
g. A non-refundable application fee
h. A fully executed MCH-213G Commonwealth of Virginia School Entrance Form (Appendix F-2) or equivalent, which stipulates the following must be submitted prior to the student beginning school:

i. Proof of exact dates of immunization as required by the Code of Virginia

ii. Physical examination covering all required aspects as mandated on the MCH-213 G, within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A preschool physical does not take the place of the required kindergarten entry physical unless it is completed within 12 months prior to kindergarten entry.)

i. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school

**REQUIREMENTS FOR ADMISSION TO GRADES 6 – 12**

a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)

b. Baptismal certificate for Catholic students
c. Proof of exact dates of immunization
d. Records from previous school, including standardized test scores
e. Proof of custody where applicable
f. Completed Diocesan Elementary or High School Application Form (Appendix J)
g. A non-refundable application fee
h. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school

**GENERAL CONDITIONS OF ADMISSION**

A student is admitted to the school on the premise the student intends to learn the Catholic religion and be educated in a Catholic environment. In certain cases, students may be admitted on a probationary basis subject to the student successfully completing one or more subsequent interim evaluations. Students with academic or other needs (i.e., behavioral), which cannot be reasonably addressed by the school, may be denied admission.

School application forms may request disability-related information. The Americans with Disabilities Act (ADA) does not prohibit a school from asking questions about a student’s disabilities provided that information does not discriminate (automatically prohibit a student from applying).

**INTERNATIONAL STUDENTS**

1. F-1 (Nonimmigrant) students who apply for admission to a Diocese of Arlington Catholic school will be considered for admission, upon meeting the following conditions:

a. Meets Diocesan admission requirements as stated in Policy 601.2;
i. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or equivalent, which stipulates the following must be submitted prior to the student beginning school:

1. Proof of exact dates of required immunization as required by the Code of Virginia.

2. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A pre-school physical does not take the place of the required kindergarten entry physical unless it is completed within 12 months prior to kindergarten entry.)

ii. F-1 (Nonimmigrant) students who enroll in a school in the Diocese for the first time must provide documentation that they are free from communicable tuberculosis. (Policy 624.1.b).

b. Currently holds or is in the process of obtaining an F-1 (Nonimmigrant) student visa;

c. Resides at the same U.S. address as the guardian;

i. There is no refund given for registration, tuition or other related fees;

2. Students meeting the above criteria and accepted for admission must complete the Diocese of Arlington I-20 Application Form and return the form to the school the student will be attending. The school must forward the Diocese of Arlington I-20 Application Form to the Office of Catholic Schools with the original signature of principal or admissions director.

3. When a student is transferring from another school outside the Diocese, the originating school must transfer the existing I-20 in active status to the Diocese of Arlington. A Diocese of Arlington International Student Transfer Report must be completed by the originating school and returned to the Office of Catholic Schools along with the I-20 Application Form. It is the responsibility of the parent/guardian to contact the originating school within 15 days of leaving that school to have the I-20 transferred;

a. A student must maintain status by attending classes until the transfer release date. Lack of attendance before the transfer date would be a violation of status and the student’s SEVIS record should be terminated;

b. The student must report to the school within 15 days of the program start date and enroll full time in the first required session/term at the school;

c. When a student is transferring to a school outside the Diocese of Arlington school system, the Diocese of Arlington must transfer the existing I-20 in active status to the new school. It is the responsibility of the parent/guardian to contact the Office of Catholic Schools within 15 days of leaving the Diocesan school to have the I-20 transferred.

4. In order for international students to maintain F-1 (Nonimmigrant) student status, the Department of Homeland Security requires ongoing accounting. In that regard, schools are responsible for ensuring the enrollment status of all F-1 (Nonimmigrant) students is reported correctly. High Schools will report via the Diocese of Arlington Semester Report on Status of F-1 (Nonimmigrant) Students form (Appendix AH). Reports for elementary school international students will be accessed through the Student Information System district database. Specifically, the school shall:
a. Submit a *Semester Report on Status of F-1 (Nonimmigrant) Students* form for each high school international student who has been issued an I-20 regarding the enrollment status of any F-1 (Nonimmigrant) student. This form is due to the Office of Catholic Schools within 30 days of the beginning of every semester;

b. Create and update elementary F-1 (Nonimmigrant) student record in the Student Information System, ensuring all fields pertaining to international students are completed. All F-1 (Nonimmigrant) student records must be completed and/or updated within 30 days of the beginning of every semester;

c. Notify the Office of Catholic Schools via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form if an F-1 (Nonimmigrant) student has been accepted by that school and fails to report to the school within 30 days of their Program Start Date;

d. Notify the Office of Catholic Schools via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form within 15 days when an F-1 (Nonimmigrant) student transfers to another school or departs the United States;

e. Report via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form any legal change in the name, address, or guardianship of an F-1 (Nonimmigrant) student within 10 days.

5. For students who hold a visa other than F-1, refer to Appendix AJ (*Visa Types*);

   a. Students who are currently in B-1 or B-2 status cannot begin their studies prior to approval of their change to F-1 (Nonimmigrant) student. Obtaining a change of status is the responsibility of the parent/guardian.

   b. Students who are currently in B-1 or B-2 status may be enrolled to audit classes at the discretion of the principal for a limited time (generally not more than two months) but must still meet Diocesan admission requirements pertaining to the MCH 213G Commonwealth of Virginia School Entrance Form and provide documentation that they are free from communicable tuberculosis. (Policy 624.1.b).

Any student applicant whose passport, United Nations travel document or other United States Citizenship and Immigration Services (USCIS) documents indicates that the student is a refugee, asylee, parolee, lawful nonimmigrant or legal permanent resident may be admitted to the schools of the Diocese of Arlington under normal requirements for admission. This policy would also include undocumented children.

**CLASS PLACEMENT**

The principal/administration and faculty reserve the right to place students in a class which is consistent with the results of the student’s prior academic records and any admission testing.

**ATTENDANCE**

**Diocesan Policy for Attendance Requirements**

In order to achieve the goals and objectives of the curriculum, regular attendance by the student is
mandatory.

The school (K-8) is normally in session not less than 180 days per academic year or the length of time as required by the Virginia Catholic Education Association.

a. Once a student is enrolled in the school, the principal/administration and teachers will insist on regular attendance. Neither the Diocese, the Office of Catholic Schools, the school, nor any of its employees are, however, responsible for ensuring actual attendance. This is the responsibility of the student's parent(s)/guardian(s).

b. Students in grades kindergarten through grade eight who miss ten or more days of the school year, whether excused or unexcused, and who have not satisfactorily completed the required work, may be considered for retention. Certification of absence by a physician is an exception to the ten-day limit. However, satisfactory completion of required work is still required.

**ABSENCE/TARDINESS/LEAVING SCHOOL**

In order to ensure continuous progress in school, regular attendance and habits of punctuality are essential. The school defines proper procedures as:

a. A written excuse, explaining the reason for absence and signed by the parent/guardian, must be presented upon a student’s return to school.

b. Persistent absences may cause serious academic problems (including but not limited to course failure) and could result in the dismissal of the student. The administration or the class teacher will normally review the matter with parents/guardians before a decision is made by the administration. Persistent absences may also result in the student being subject to appropriate disciplinary action.

c. Except in cases of emergency as determined by the principal/administration and/or a faculty member (as applicable or necessary), a student may only (a) be released from school with the prior written authorization of the student's parent/guardian, or (b) leave the school grounds with the prior authorization from the principal/administration.

**TARDINESS**

The tardy student will normally be subject to appropriate disciplinary action by the school administration or by the class teacher.

A student who is tardy, as determined by local policy, should report to the principal's office or attendance office.

A student who arrives late with an excused reason (i.e. doctor’s note) is counted tardy.

The student who is tardy due to unexcused reasons may be subject to appropriate disciplinary action. Frequent cases of tardiness should be brought to the attention of the principal so that the parent/guardian may be contacted.
ABSENCES FOR OTHER REASONS

When parents wish to take their student out of school for several days for personal and/or medical reasons, the parents should discuss the student’s progress with the teacher. However, the school is under no obligation to provide a tutor, make-up work, or special testing schedules for such a period of absence. The administration has the sole discretion to determine the conditions and terms governing such absences.

ATTENDANCE/REPORTING PROCEDURES

In order to ensure continuous progress in school, regular attendance and habits of punctuality are essential.

Absence

St. Joseph School requires that parents notify the school of all absences. If the illness is extended for more than one day, a call or email on the first day is sufficient, and upon return of student to school, a note or email with an explanation and duration of illness is to be given to the teacher. Calls are not accepted from minors.

If a student is well enough to come to school, the student is expected to participate in all activities. There will be outside recess (weather permitting) for all students. **No student may return to school until 24 hours after a fever has broken.** If a student is sent home from the clinic with a fever, he/she may not return the next day. Additionally, if the student is put on an antibiotic, he/she must be on the medication for 24 hours before returning to school.

Anticipated Absences

Vacations during the school year are highly discouraged but sometimes are unavoidable. If you know in advance that your child will be absent please send an email to your child’s teacher as early as possible prior to absence, indicating the dates and reason for absence.

Medical Excuses

Certification of an absence by a physician when students have been absent for an extended period of time, is required. If your child requires crutches, casts or splints, you must send in a doctor’s note that states limitations for physical activities and your child will remain in the clinic with the nurse during recess.

Additionally, a doctor’s note is required if your child is unable to participate in Physical Education classes.

Unplanned Absences (illness or family emergencies): Please send an email to your child’s teacher in the morning indicating why your child will not be in school. If you know that your child will be absent for additional days, please indicate the expected date of return.
Tardy
While a student may be late due to any number of circumstances, a pattern of late arrival is detrimental to a student’s academic progress and understanding of the importance of punctuality. Additionally, the late arrival of a student on a regular basis is also disruptive to the classroom environment and the learning that is taking place. School administration will review records to ensure the regular and timely attendance of all students.

- Students are expected to be in their homerooms and ready to begin class when the 8:00 a.m. bell rings. Students arriving after 8:00 are considered tardy, and should enter the school through the school and parish office doors.
- A parent must accompany a student to the school office, and sign the student in for the day. The student will receive a tardy note to be admitted to class.
- The tardy student will normally be subject to appropriate disciplinary action by the school administration or by the class teacher.

- A student who arrives late with an excused reason (i.e. doctor’s note) is counted tardy.

- Frequent cases of tardiness should be brought to the attention of the principal so that the parent may be contacted.

RELEASE OF STUDENTS

A note or email is required for a student to request permission to leave class early. The note/email should indicate the time the student is being picked up and must be signed by the parent. This note will be sent to the office and kept on file. When a student leaves class during the day for an appointment, he/she must be signed out at the school office by the responsible adult. Excessive early releases are unacceptable due to the instructional time a student will miss.

Please note: Early dismissal of students must take place prior to 2:45

TRANSFERRING TO ANOTHER SCHOOL

The school must be notified in writing by the parent(s) of a student regarding a decision to transfer a student to another school, including the last day the student will attend classes at school. All school-owned materials such as textbooks and library books must be returned to school and all fees paid before leaving. Scholastic information will be sent to the new school upon a “Release of Student Records Form” from the new school. All fees and tuition MUST BE PAID prior to the release of the student’s records.

LUNCH/MILK PROGRAM
Rules for acceptance and participation in the U.S. Department of Agriculture Child Nutrition Programs are the same for all students without regard to race, color, sex, age, handicap or national origin. Any person who believes he or she has been discriminated against in any USDA related activity should write to the Secretary of Agriculture, Washington, DC, 20250.

St. Joseph School offers a daily lunch program, in conjunction with a local vendor, who sets menu, pricing and order requirements.

**ARRIVAL AND DISMISSAL**

Each school should formulate a policy of traffic, pedestrian, bike, and bus safety for its students and communicate this policy to all school personnel, students, and their parents/guardians. Older students in elementary schools and secondary school students may serve as traffic/pedestrian safety patrols at the discretion of the school principal. Within the scope of this designation, the students shall work under the supervision of and in cooperation with the school principal and the local police liaison for safety issues.

Carpool Policy - Parents are responsible to arrange carpool. Only students participating in approved after school activities are permitted to remain at school. Siblings and other carpool members must go directly home at dismissal. Carpool drivers are responsible for the safety of their passengers at all times!

Bicycles/Walkers Policy - Students are allowed to ride bicycles to school and are expected to observe all safety rules. Bicycles should be locked at the designated bicycle racks. As a safety precaution, students are not allowed to ride bicycles within the parking lot. Students should remain away from the bicycle area during lunch and recess. Bicycle riders must wear a helmet.

Walkers are assembled in a specified area at dismissal time. They are dismissed as a group by the designated faculty member(s) at a time deemed safe. This policy is in effect for all walkers regardless of parental accompaniment.

A Walker/Bicycle Permission Form must be signed and on file with the school administration. St. Joseph School will follow the safety directive of Fairfax County’s Transportation Department which permits a student who lives within a radius of one (1) mile of the school to walk/bike to or from school. Proof of a destination address is required for each student who walks/rides to or from school.

The following regulations must be strictly adhered to:

- Students must use extreme caution when entering and exiting the school parking lot.
- Students must arrive at school by 7:50 AM.
- Students must exit immediately following afternoon announcements. (Out the 2nd grade doors, under the supervision of the walkers moderator).
- Students must follow each directive of teacher(s) on duty.
• Students must submit written parental permission.
• Students must at all times represent the St. Joseph Code of Conduct.
• Students riding a bicycle must wear a helmet and possess a lock for the bicycle.
• Students must walk on sidewalks (where present) and bikers must follow all safety rules.
• Students must go directly to destination and not return to St. Joseph School property.
• Students must know home and emergency phone numbers.
• Parents must provide alternate transportation for their student on inclement days.
B. IV. GENERAL SCHOOL POLICIES

ADMINISTRATIVE

STUDENT CUSTODY AND GUARDIANSHIP

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the principal/administration with a true and correct copy of the legal document for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

a. Custodial parents should identify, in writing, other adults who may have access to information regarding their child.

b. Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

ACCESS TO RECORDS

Parents/Guardians have a right (unless prohibited by the courts in a custody agreement) to the timely inspection of the educational records (cumulative and confidential) of their child during school hours. The school shall respond to reasonable requests for explanations and interpretations of the records.

If the education records of a student contain information on more than one student, the parents are limited to the specific information about their child only.

Student records shall be open to authorized school personnel only (principal, assistant principal, and those to whom they extend access within a given year.)

The School administration may elect to provide, at cost, photocopies of a student’s educational records to parents, but documentation is to be stamped "unofficial."

TRANSFER OF RECORDS

Schools may disclose a student’s cumulative record (i.e. Permanent Record card, attendance card, test results) to another school with legitimate educational interest provided a written request for such records is received, or when those individuals to whom the custodial parent/guardian has given written permission, have requested the child's records to be released. Parent signature is required for release of a student’s confidential file (i.e. special education records, psychological reports, disciplinary records, anecdotal information, or reports by the school counselor).

Only copies of student records may be released. Original Cumulative Health Record and MCH-213 transfer with the student.
Parents/guardians may not hand-carry records to another school, except under extraordinary circumstances. If this occurs, the records are to be placed in a sealed envelope and marked "hand carried."

As a general rule, each school, at the discretion of its principal, shall have the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a Certificate of Diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

**CONFIDENTIAL ACADEMIC RECORDS**

Parents/guardians are obligated to share educational/psychological testing results and any resulting plan with the school. If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. The refusal to provide such information is grounds for terminating enrollment in the school.

Confidential records for dis-enrolled students are merged with the students’ cumulative files.

**SCHOOL VISITORS**
All persons other than school staff and currently registered students must first report to the school office immediately upon entering school grounds, sign-in, and wear an identification tag when visiting the school.

St. Joseph Catholic School uses the Raptor System, and visitors will be required to provide photo ID, that will be scanned through the Raptor identification system.

**SCHOOL COMMUNICATIONS**

**PRINCIPAL’S COMMUNICATION**

Communication is paramount. The Principal or his/her designee will keep informed by reading all school communication sent by the school community. Parents will be kept informed of updated information through the use of St. Joseph School’s website www.sjschoolva.org. Please check for new information, calendar updates and current activities. Additionally, a weekly electronic publication will be provided to update parents of students’ activities and accomplishments.

**TAKE-HOME COMMUNICATION**

All materials prepared by parents/guardians for release to the parish or school community must be approved by the Principal or his/her designee.

- Principal must be given 48 hours to review materials
- Weekly folders will be sent home containing the student’s work.
- Parent signature is often required for take home folders of weekly work.

**TELEPHONE USE/MESSAGES FOR STUDENTS**

All messages for the office should be sent with the morning folder or be given through voice mail to the school mailbox (ext 4350).

The school telephones are for the use of the office and the transaction of school business. Students and teachers will not be called from classes to answer the telephone except in case of emergency. Students are not permitted to call home for forgotten items. A written note from the teacher is required giving exception to this. Forgotten items may be picked up by students during their designated lunch period.

**INCLEMENT WEATHER/SCHOOL CLOSINGS**

In addition to the traditional 180 school days, schools should add at least three extra days to the school calendar each year to accommodate days off due to inclement weather or other non-weather
related emergencies. In the event these inclement weather/emergency days are not used, schools may dismiss for summer after completing the required 180 school days. If, however, during the course of the year, the school uses more than three inclement weather/emergency days, it is not necessary for the school to extend its school year beyond the 183 budgeted days, provided the school has surpassed 1038 hours of instructional time (as defined by the Commonwealth of Virginia).

If, during the course of the year, the school uses inclement weather/emergency days, it may be necessary to modify the published school calendar.

If Fairfax County Public School System closes due to inclement weather, St. Joseph Catholic School will be closed. If Fairfax County delays the opening of school on a day when we are scheduled for early dismissal, we will follow the delay BUT will extend our school day until 3:15 PM. The information can also be found by calling the school bulletin board, 703-880-4350 or checking the school website. Parents and students are requested not to call the radio stations or the Priests’ residence. If the school district or schools in the area are not mentioned, it is assumed that normal scheduling will take place.

**Extended Day/Inclement Weather Closings:**

If the school is closed for the day, there will be NO Extended Day. If school opens one to two hours late due to inclement weather, Extended Day will open as follows:

- **One-hour late school opening** – Extended Day will open one hour later than the usual time. It will open at 8:00 am. Two hours late opening – Extended Day will open two hours later than the usual time. It will open at 9:00 am.

If school closes early due to inclement weather, Extended Day will close as follows: There will be NO Extended Day after school, all students must be picked up within 30 minutes of the early dismissal time. Any child who is not picked up by 30 minutes after the dismissal time will be charge $1.00 a minute per child until he/she is picked up. If St. Joseph dismisses on time, but Fairfax County Schools cancel after school activities, Extended Day will be open for two hours after school dismissal. If the weather deteriorates during those two hours, parents will be called and emailed to pick up children as soon as possible.

Please note: If St. Joseph Catholic School closes for inclement weather, all activities whether parish or school are cancelled for the entire school day and evening.

**PHOTOS AND OTHER MEDIA**

Parents/guardians may opt their children out of participating in videotaping, audio recording, school pictures, other photography, or participation involving the Internet. When a parent decides to exercise this right, the school is required to use the *Waiver/Right to Object* form (Appendix N). All student or parental publications are subject to review and approval by the school administration prior to publication.

Parents may never take photos of SJS students during school sponsored activities and post them on the internet/social media including Facebook and Shutterfly without prior permission of the parent and school administration.
**LIBRARY**

All books chosen for classroom reading in Diocesan schools must be appropriate for students, not only in age level and reading ability, but also for the moral development which we are working to foster. All books shall conform with Diocesan policies and guidelines regarding Catholic education.

Parents/guardians or teachers who object to reading or audio-visual/computer materials must complete an Objection to Content Form (Appendix K) and submit it to the school principal. A review committee (to include an Office of Catholic Schools member) will subsequently discuss the objection and decide the disposition of the challenged material. The parent or teacher initiating the review should be personally notified of the results of the review.

**FIELD TRIPS**

Field trips are privileges planned by teachers and approved by the school administration with educational purposes as the primary objective and in light of financial considerations.

Field trips are considered an extension of the school day and the code of conduct will apply.

A student must give to the sponsoring teacher a permission form signed by a student's parent(s) prior to a student participating in each activity (Appendix R).

In the event private automobiles/vehicles of students, parents, or other authorized adults of at least 20 years of age are to be utilized to transport students on field trips, the drivers and/or the vehicle owners must have a valid driver's license and sufficient liability, medical, and uninsured motorist insurance coverage as defined by the Diocesan Risk Manager. Evidence to this effect must be presented to the principal/administration for review and approval prior to the use of such vehicles. Appendix R-1 must be used for this purpose. The principal/administration shall have the right to prohibit, for any reason, a proposed driver from transporting students on a field trip.

Youth weighing less than 100 pounds may not be seated in the front seat.

Cell calls and texting are not permitted while driving.

Parents/guardians are to be furnished with detailed written information about the field trip, and must be given the opportunity to “opt out” their children from the field trip.

Teachers and other school employees should not drive students in their personal vehicles.

It should also be understood, in light of world conditions and specifically threats of terrorism against Americans, that it may be necessary to cancel school-sponsored trips due to world and national developments at any time.

School-sponsored ski trips are not permitted.
All medications given on field trips must comply with medication administration policies. For a student with prescription medication and/or medically necessary health related procedures or treatments, a trained individual needs to be present on the field trip such as; a school nurse, parent/guardian, or designated family member to ensure care in the case of an emergency. If a trained individual of the school is unable to chaperone the student on a field trip, it is the responsibility of the parent to provide a trained individual to accompany the student.

In addition, with respect to field trips:

- All field trips must be approved by the principal.
- Safety is of paramount importance throughout the field trip.
- All chaperones must be Virtus-approved (Child Protection Program)
- No siblings are allowed on field trips.
- The teacher is the authority while on the field trip, and is responsible for the entire class.
- The teacher is responsible for giving specific instructions to chaperones, and students.
- The teacher must have copies of parent permission and medical emergency forms, and have the school’s phone number (703-880-4350) in case of an emergency. The principal should be called prior to entering a hospital or an emergency care facility.
- The teacher must ride with any student who suffers from severe allergies.
- All chaperones are accountable for the students assigned to them throughout the field trip.
- All chaperones should be aware of any specialized medical conditions of the students assigned to them, especially allergies.
- If a student appears ill, chaperones must report this immediately to the teacher. No chaperone is to administer/dispense medication to a student or seek permission from a parent to administer/dispense medication to a student.
- If a student is misbehaving, chaperones must report this immediately to the teacher. No chaperone should discipline a student or call the student’s parent(s) to report misbehavior.

**OVERNIGHT TRIPS**

Overnight trips are not permitted for elementary school children.

**MARCH FOR LIFE POLICY**

Students are offered varied opportunities to participate in activities that promote the sanctity of life.

Based on the principal/administration’s decision, students in grades 7 and 8 may be permitted to participate in the March for Life as a school and/or parish sponsored activity. Field trip procedures will be followed. Students in grades K through 6 will not participate as a group in the March for Life. Students with written parental/guardian permission may accompany their parents on the March for Life.

Students who accompany parents on the March for Life should not be marked as absent for that day.
GRADUATION REQUIREMENTS/CEREMONIES

The school does not guarantee the award of a degree or any certificate of satisfactory completion of any course of study to students. In order to qualify for graduation, students must satisfactorily complete (by attaining a passing grade) all courses as required by the Diocese of Arlington and the Commonwealth of Virginia. In addition, students must comply with all school regulations and policies.

The principal shall have the right to withhold certification of a student's graduation or provide transcripts of the student's academic record to other schools, or to issue a Certificate of Completion to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations or infractions against the school’s code of conduct).

Graduation ceremonies should be characterized by dignity and due consideration for practical and economic realities.

A celebration of the Eucharist should be held for the graduates close to the date of graduation.

Additional Graduation Ceremony Information

• Graduates will be required to purchase cap and gown for the graduation ceremony.
• Graduates must adhere to required dress code for the Graduation ceremony. Infraction of such will result in student non participation in the ceremony. A detailed description of appropriate attire for the ceremony will be provided by the teacher.
• A reception will be hosted by the seventh grade class.
• Limousine Services will not be allowed. Students are to arrive and be dismissed in regular vehicles.
• A photographer / video graphic is contracted by the administration of the school, who will photograph individual graduation and class photos. No parent may hire or sign a contract regarding photos. Any other solicitation of photos/videos is prohibited within school.

PARENT ORGANIZATIONS

Parent-teacher (and/or home-school) organizations are sponsored by the school to promote a cooperative effort at meeting certain needs of the student body. The parent organization is subject in all respects to the control of the school. All parent organization activities and all materials prepared by parents must be submitted to the principal/administration for approval prior to implementation and/or distribution.

All PTO monies must be deposited in the parish or school account as designated by the pastor. In consultation with the principal, the PTO officers should prepare a budget and submit it to the pastor and principal for approval.

Persons nominated to serve as a PTO board member must receive the approval of the pastor and principal.
Every school should have an effective Parent-Teacher Organization. An effective Parent-Teacher Organization should strive to provide support and assistance to the head of school/principal regarding advancement of the school’s mission and legislative issues concerning the school, as directed by school leadership.

Every school should have a representative on the Diocesan Council of PTOs.

**FUNDRAISING**

Any program of generating additional revenue should have the approval of school leadership (pastor, principal, head of school). These activities should be organized and executed so that the school program is not interrupted.

Students may participate in, and cooperate with, worthy collections and fundraising projects conducted by a school or parish, provided such activities have been approved by the school leadership (pastor, principal, head of school).

**TRANSPORTATION/PARKING**

Morning Carpool drop-off begins at 7:40 a.m.

If you arrive on campus prior to 7:40, turn to the right and follow the path created by the traffic cones. Continue towards the front of the school and past the gym entrance. Loop around, and enter the parking area adjacent to the gym. Here cars form four lines, designated by traffic cones. Parents wait with students until school personnel begin the carpool drop off process. Once the carpool process begins, students exit their cars and walk to the student entrance. Cars will be dismissed from this area at the direction of school personnel, and exit the campus using Franciscan Way.

Morning Drop-Off
Cars arriving after 7:40 will pull up along the sidewalk, and students may exit vehicles as soon as the vehicle is stopped and it is deemed safe to exit. Students must walk on the sidewalk and enter the school through the student entrance that faces the Church, or the student entrance adjacent to the flagpole. Please refrain from using your vehicle’s trunk to transport book bags. Thank you for your cooperation in the safety of our students.

The dismissal carpool procedure:

- Second carpool is directed into vacated CAR lanes.
- Please turn off your engines; students will proceed to their cars when directed.

Once first carpool has exited the parking lot, second carpool exits.

***Students are not permitted in the second carpool area.***

We embrace all the families who choose to be a part of the St. Joseph School Community. Being a registered Catholic means that a family fully participates in your Catholic faith community, and practices good stewardship by sharing time, talents, and treasure. This means that the Catholic Church is where you would worship, attend Mass on each weekend, and contribute financially. You have talents to share and gifts to enrich others. Our tuition income
does not cover all the expenses of operating our school. We ask all our parents (Catholics and Non- Catholics) to support the school through active participation in the PTO, fund raisers, and volunteer

**NEW AND RE-ENROLLING STUDENTS**

A non-refundable application fee of $125.00 is to be attached to all new St. Joseph School Applications. Upon acceptance or re-enrollment, and Enrollment Reservation/Academic Supplemental Fee form will be sent to the Parents/Guardians of the new or returning student. A non-refundable fee of $300.00 per student and the form must be returned to the finance office by the designated due date. In-house registration for students currently enrolled takes place during the second semester and is permitted only for those families whose financial accounts are current. Registration for the following year will not be considered final until all tuition and fees for the current year are paid in full. Eighth Grade students may participate in graduation activities provided all financial obligations are met by May 20th of the current school year. Eighth Grade transcripts are released to high schools after all financial obligations to St. Joseph School are satisfied. In June, final report cards are distributed to those families whose financial accounts are current.

Postdated checks to the school will not be accepted.

**STUDENT WITHDRAWAL**

Should a student be withdrawn from school during the course of the year, a full month’s tuition payment will be charged for any portion of a month in attendance. D. VI. CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITIES

PARTICIPATION

In order for sportsmanship to be rooted in Catholic values, it is expected that coaches, athletes, and fans display respect, civility, and responsibility in words and actions before, during, and after all athletic contests and/or practices. These policies are developed to assist the four diocesan high schools in accomplishing their goal of providing a Catholic education which is rooted in the teachings of the Catholic faith, especially the practice of respect for each person. The policies outlined in this section exist to ensure good sportsmanship and fair play.

Participation in co-curricular and extra-curricular activities is a privilege, not a right. Students who successfully meet the school’s academic requirements and adhere to the code of conduct will be given the privilege of participating in co-curricular and extra-curricular activities. Girls are not allowed to participate in boys’ football and/or wrestling activities.

Students participating in school-sponsored team athletic activities must have proof of an annual physical. Submission of a pre-sport participation physical examination form and consent form for elementary- and middle school-based athletic program participation is required, excluding parish CYO.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents/guardians are required to submit a written statement from their child’s physician that states any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

TRANSPORTATION OF ATHLETES

Students participating in a school-sponsored sport who wish to drive to and from practice and games in a privately owned vehicle must have a written permission from their parents/guardians. This approval does not permit a student to transport other passengers, under any circumstances, unless that passenger is a member of the car pool as permitted by the parents and administration.

Although CYO athletic teams are separate and distinct from parish/school activities, the pastor/principal retains the right of possible intervention by the school in the event a significant incident would bring the reputation of the parish and/or school into question within the community.

SUPERVISION OF STUDENTS
The school is not responsible for providing supervision for students who remain on school property after the conclusion of the instructional day, unless the student is enrolled in an extended day/aftercare program, or participating in a school-sponsored activity (such as athletics or theater).

**Additional Co-Curricular and Extra Curricular Activities**

**Band:** Students in grades 4-8 may receive instrumental lessons through the Garwood Whaley Music band program. Additional fees for participation in the band are arranged through this program. The school band competes in the annual diocesan band festival, the "Festival of Music" at Kings Dominion, and performs an annual winter and spring concert.

**National Junior Honor Society:** St. Joseph School is a charter member of the NJHS and abides by the Constitution and bylaws of the national organization. The purpose of this organization is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, to develop character, and to encourage citizenship.

**Student Council Association:** St. Joseph School Student Council Association (SCA) has for its purpose to provide leadership and service to the student body in all aspects of student life and to assist the principal and faculty in carrying out the school’s activities. Officers are elected annually from grades 7 and 8 and representatives from grades 4 through 8.

**Safety Patrols:** Students in grade 6 serve as members of the School Safety Patrol. The patrols help school staff and teachers ensure the safety of students by assisting during the morning arrival.

**SUPERVISION OF STUDENTS**

The school is not responsible for providing supervision for students who remain on school property after the conclusion of the instructional day, unless the student is enrolled in an extended day/aftercare program, or participating in a school-sponsored activity (such as athletics or theater).
E. VII. STUDENT RESPONSIBILITIES & BEHAVIOR

CODE OF CONDUCT

In all areas of learning, discipline must be considered in the development of the whole person. The Code of Conduct is based on the Gospel message of Jesus. Growth in self-discipline, a responsibility for Catholic moral values and a loving respect for the rights of all persons is encouraged and nourished by the Code of Conduct. To achieve these ends parents/guardians, faculty, and students work together to create a Catholic school environment. These basic components include:

a. Teachers have a right to teach. No student will stop the teacher from teaching.
b. Students have a right to learn. No student will stop another student from learning.

Based upon the Catholic moral values and loving respect for others taught by Jesus, students:

a. will be honest and committed to integrity.
b. will be respectful and courteous toward all teachers and adults.
c. will refrain from harassment of any kind.
d. will use appropriate language.
e. will speak respectfully to and about others.
f. will complete all assignments and participate fully in class.
g. will respect all school and personal property (see Care of School Property).
h. will refrain from any deliberate disruption in the school.
i. will adhere to the school’s cell phone policy.
j. will comply with the Internet Responsible Use Policy.
k. will demonstrate good sportsmanship when engaged in all school-sponsored co- and extra-curricular activities.
l. will be present for all required activities unless officially excused by the administration.
m. will adhere to the dress code (see Dress Code).
n. will not give or receive unauthorized assistance on tests, quizzes, or assignments.
o. will not leave school grounds during the school day for any reason without permission from the principal/administration.
p. will not bring to school, nor possess at school, any real or toy knives, guns (or any facsimile thereof), sharp objects that may be used as a weapon, matches, lighters, sparklers, laser devices, or any facsimile thereof. It is understood if this term is violated, suspension, or expulsion may result (see Substance Abuse/Weapons and Inappropriate Materials).
q. will maintain, and support others who maintain, a safe and drug-free environment at, or near, school and at all school sponsored functions/activities with the understanding that
possession or distribution of alcohol, drugs, tobacco, or any other substance that may be harmful or dangerous and forbidden to include drug paraphernalia will result in suspension or expulsion from school (see also Substance Abuse/Weapons).

r. will not engage in any physical or verbal contact with another student which could be interpreted to be an inappropriate display of affection. Such conduct is prohibited on school grounds or at school-sponsored activities.

s. will, at all times, whether at school or in the community, conduct themselves in a manner which reflects the Catholic values and principles of the school.

The school observes this Code of Conduct because it is built on fundamental Catholic social teachings. The role of the principal/administration, staff, and faculty is to work with the students and parents/guardians to assist the students in developing a strong Christian attitude toward life.

**SUBSTANCE ABUSE/WEAPONS**

The school makes every effort to make students aware of the dangers and consequences of the unlawful use of substances.

It is unlawful for any person to manufacture, sell, distribute, or possess with intent to sell, give, or distribute any controlled substance, imitation controlled substance, or marijuana while upon the property of the school; on any school bus; upon any public property or any property open to the public use within 1000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity.)

If a student knows or suspects that any of the foregoing activities are occurring, he/she must immediately report the matter to the school administration/faculty so the appropriate law enforcement agency may be contacted.

If a student is suspected or is discovered to have (a) violated the foregoing policy with respect to any controlled substance, imitation controlled substance or marijuana or (b) used, possessed or distributed alcohol, tobacco, or e-liquids while upon the property of the school; on any school bus; upon public property or any property open to the public use within 1000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity), the student will be subject to disciplinary action, up to and including expulsion. In the event school officials believe that a student is under the influence of an illegal substance, the parents/guardians will be notified, and the student will be removed from class. School officials reserve the right to require that the student be taken for drug testing within 24 hours and that the results of the testing be shared with the appropriate school officials. If, however, a violation of the law has occurred, the proper law enforcement agency will be contacted (see also Policy 615).

A student shall not possess or use drug paraphernalia, including, but not limited to, e-cigarette delivery devices, e-cigarette accessories, water pipes, cigarette paper rolling machines, and miniature scales on the property of the school, on any school bus and/or at any school-sponsored activity, whether discovered in an authorized search of his or her private property (Policy 615.1) or on school property (e.g., lockers – Policy 615.2). Any student who violates this provision will
be subject to disciplinary action up, to and including, expulsion.

A student shall not possess, use or threaten to use on the property of the school, on any school bus; and/or at any school sponsored activity, any weapons (including but not limited to any pistols, revolvers, rifles or other firearms, stun weapons, tasers, knives, flailing instruments [which may sometimes be known as nun chucks or fighting chains], sling shot, metal knuckles, any type of pointed metal throwing disk or dart, mace, pepper spray, or other similar propellant or any type of explosive, incendiary or poison gas, bomb, grenade or rocket) or any facsimiles thereof, or any object that can be used with the intent of threatening or harming an individual, except when expressly authorized by a member of the school administration/faculty for authorized school purposes (such as knives for use only in food preparation activities in family life/home economics class; chemicals solely for use in instructional lessons as part of the school’s academic curriculum; etc.). Any student who violates this provision will be subject to disciplinary action up to, and including, expulsion. If there is reason to believe a violation of law has occurred, parents as well as the proper law enforcement agency, will be immediately contacted.

DISCIPLINE

Because it is impossible to foresee all problems which arise, this handbook empowers the faculty and administration to take disciplinary action for any behavior (within or outside of the school community) which violates the spirit, philosophy, and code of conduct of the school, even though not specified.

In justice to the other students, circumstances may dictate that a student be removed temporarily or permanently from the particular school setting.

USE OF DISCIPLINARY ACTION

In cases where a student is continually disruptive of others or in the case of a single serious disciplinary infraction, the teacher will apprise the principal/administration of the situation. They will assist in the development of a course of action to be taken to correct the situation.

Students who lack self-discipline or who violate the rights of others can expect disciplinary action. Each offense will be dealt with on an individual basis according to the age of the student, the nature of the infraction, and the severity of the case. Repeated infractions can result in more serious consequences, up to, and including, suspension and/or expulsion, but there is no requirement for progressive discipline.

DISCIPLINARY MEASURES

The following are some approved disciplinary measures:

f. Counseling and/or conference with the student and family

g. Assignment of special tasks

h. Denial of privileges
i. Detention
j. Probation
k. Suspension
l. Dismissal
m. Expulsion

**SPECIFIC DISCIPLINARY POLICIES**

Attitudes and actions of Christian courtesy and respect toward each individual are nurtured and expected from each student at St. Joseph School. Good manners, a manifestation of respect for self and for others, are continually stressed. Inappropriate behaviors may include but are not limited to the following:

- Continued and willful disobedience.
- Open defiance of the authority of any person having authority in the school.
- Conduct constituting a continuing danger to the physical and well-being of other students.
- Physical assault upon another.
- Taking or attempting to take another’s personal property or money.
- Forging of work and/or another person’s signature or deliberate plagiarism (copying another person’s work and calling it your own) of work.
- Willfully causing, or attempting to cause damage to school property.
- Continued cursing or verbally abusing any person.
- Lying and cheating.
- Use of offensive sexual words or gesture in the presence of students and adults.
- During school hours, students may never leave school grounds for any reason whatsoever, including going out to lunch or going to fast food establishment. Leaving the school grounds without permission is a very serious offense.

**SUSPENSION**

Suspension may be imposed as determined by the principal/administration. Once the principal/administration suspends a student, parents/guardians may be required to sign a behavioral contract in which they signify their understanding of the problem and agree to work with the school in correcting the situation.

The failure of the parents to execute the above referenced agreement shall preclude the student from returning to the regular instructional program. This policy applies to in-house and out-of-school suspensions.
DISMISSAL

Conduct which is disruptive to the learning atmosphere and/or contrary to the school’s Code of Conduct is justification for a principal/administration to dismiss a student at the close of the school year.

Students who are dismissed may apply for readmission to any Diocesan school after one full year.

EXPULSION

Expulsion may be resorted to when one or all of the following are present:

a. a serious infraction of school rules occurs;

b. the student has demonstrated continuing disregard of school rules for which other means of discipline have proven ineffectual;

c. the student's continued presence in the school is considered by school officials to be a serious hindrance to the safety or welfare of the school community;

d. a parent/guardian repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students or displays disrespectful, disruptive, or harassing behavior toward teachers, school, parish, or diocesan staff.

If the principal/administration believes it necessary to expel a student, the principal/administration will notify the student and the student's parents about the student's action and provide them with an opportunity to respond in accordance with the school’s disciplinary hearing process before making any final decision on the matter.

A parent/guardian whose child is expelled may appeal this decision in writing to the Superintendent of Schools within 5 working days from the time of written notification.

During the pendency of any appeal, the expelled student shall be removed from the school community in compliance with the expulsion notice unless otherwise directed at the discretion of the principal/administration.

Students who have been expelled from any Diocesan school may not apply for admission to that school or another Diocesan school for a minimum of one (1) year from the date of expulsion.

STUDENT REGULATIONS AND PROCEDURES

Privacy of individual students must be balanced against the need to protect the health, welfare, and safety of other members of the school community.

STUDENTS AND STUDENT PROPERTY SEARCHES

The principal/administration or his/her designee has the right to protect the health, welfare, and safety of school patrons against drugs, weapons, unauthorized publications, and other contraband
materials. Search of a student's person and/or personal property on school property (e.g. automobiles, etc.) or at school activities may be conducted by the school principal/administration or other designated officials. It is only necessary that a search be reasonable and related to the school rights in these regards. The failure of a student to voluntarily submit to a search shall be presumptive evidence of the existence of contraband and grounds for appropriate disciplinary action.

**INTERROGATION OF STUDENTS**

Unless provided with a court-issued warrant, the pastor (or principal if Diocesan high school) or the Office of Catholic Schools must first be consulted before law enforcement authorities are allowed to speak to any student for interrogation purposes of alleged illegal activities. This policy does not apply to Child Protective Services (CPS) officers, who are by law entitled to interview children.

The questioning by police officers of students in school or on school grounds about alleged illegal activities shall meet the following conditions:

a. The principal, the assistant principal, or the principal’s designee shall be alerted.
b. The police officers shall report to the principal’s office.
c. Permission from the student’s parent/guardian must be acquired, either by phone or in person, prior to questioning.
d. The principal or a school representative shall be present.
e. The questioning shall be conducted in a private room where participants cannot be seen or heard by students and/or other school personnel.

The police officers, under unusual circumstances, may take legal actions that they deem necessary.

**STUDENTS AND STUDENT PROPERTY**

Students are solely responsible for their own personal property. The school accepts no responsibility for items left unattended in the common areas of the school. It is the responsibility of the student to turn in wallets, watches, and other valuables to the physical education teacher/coach when participating in athletic events away from school. Items of personal property or clothing not directly related to academic or athletic events sponsored by the school should not be brought to school.

**SCHOOL LOCKERS AND DESKS**

Lockers and desks are school property and are subject to searches by school authorities to protect the safety of all. A student to whom a locker or desk has been assigned, has vís-a-vís other students, exclusive use of the locker or desk but has no proprietary rights versus the school.
CARE OF SCHOOL PROPERTY

Students are to care for school property in a respectful manner. Students who deface or damage school property or the property of others will make financial restitution. If library books are not returned, students will be assessed an amount equal to the value of the book or its replacement, whichever is greater, as determined by the principal/administration.

DRESS CODE

The dress code provides a standard for our students, which fosters an environment conducive to learning and respectful behavior.

Final decisions regarding the school uniform rest with the principal/administration.

N. VIII. HEALTH, SAFETY, & WELFARE

STUDENT HEALTH, SAFETY, & WELFARE

Parents/guardians have the primary responsibility for the health and well-being of their children. School health services supplement, rather than substitute, for parental care and concern for the health of the students.

PREVENTION OF SEXUAL MISCONDUCT AND/OR CHILD ABUSE

The Catholic Diocese of Arlington Policy on the Prevention of Sexual Misconduct and/or Child Abuse generally applies to all clergy, all employees and all volunteers.

It is the policy of the Diocese that sexual misconduct and/or child abuse while performing any work or activity under the auspices of the Diocese is contrary to Christian principles and outside the scope of any authority, duties, and/or employment of any clergy, employee, or volunteer.

Any clergy, employee, or volunteer with the Diocese who knows or has reasonable cause to suspect that an incident of child abuse or illegal sexual misconduct has been perpetrated by any individual, including clergy, employee, or volunteer with the Diocese,

a. must comply with applicable reporting and other requirements of state and local law;
b. must report the incident to the Moderator of the Curia of the Diocese of Arlington.

Virginia law imposes upon school personnel the legal responsibility of reporting to the local child protective services agency any incident of suspected child abuse or neglect.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the school principal who in turn will call the Moderator of the Curia. At that point, confidentiality must be respected.

According to the Code of Virginia, (Section 63.2 – 1518) Authority to Talk to a Child or Sibling, “Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his siblings without consent of and outside the presence of his parent/guardian, legal custodian, or other person standing in loco parentis or school personnel.”

WELLNESS POLICY

The Diocese of Arlington Office of Catholic Schools Wellness Policy meets minimum federal standards and establishes goals for physical education, nutrition, and healthy environments in schools. All schools must develop, and continue to evaluate, local school wellness policies. The local policies create a framework for increased student activity, staff wellness, safe and healthy environments, and the elimination of foods of minimal nutritional value during the school day. All schools have wellness committees to implement, sustain, and evaluate the local wellness program.
ACCIDENTS AND FIRST AID

The parents/guardians of an injured student will be notified of the accident/injury by the principal/administration or the principal/administration's designee as soon as reasonably possible, taking into consideration such factors as the apparent severity of the accident/injury and the priority of providing assistance to the student.

If an incident results in a medical condition or injury which can be reasonably known to the appropriate supervisory faculty/staff member and/or the principal, the school and/or its staff are authorized to render reasonable basic first aid if such direct medical assistance would, in the opinion of the school, serve to minimize the severity of the injured person's condition. As an example, staff should initially resort to using only ice, band aids, soap and water when treating cuts and/or scrapes to avoid any possible known or unknown allergic reactions to salves or creams. In addition, staff may secure a professional diagnosis and/or treatment if such action, in the opinion of the school, appears to be reasonably warranted. The school and school officials shall be expressly held harmless from any liability costs or expenses associated with the professional diagnosis and/or any treatment or first aid provided (including but not limited to the cost of transportation), such costs or expenses being the responsibility of the injured party or, if a student, the student's parents.

The school nurse or principal’s designee will record the circumstances of all accidents, (e.g., date, time, injured party, immediate cause, involved parties, supervisory facility/staff member, treatment/action taken, etc.) in the individual student health record. A separate Diocesan Accident Report Form (see Appendix F-7) is completed for all significant accidents or injuries that may require treatment outside of school. A copy of the accident report is retained as a separate, internal school record, with the original forwarded to the Diocesan Insurance Risk manager at the Chancery within 72 hours of the accident or as soon as possible in the case of major accidents and/or injuries.

ILLNESS

Each school will provide a health office or comfortable space, apart from the student population, where children who become ill or injured can be cared for following Virginia School Health Guidelines.

Children with fevers, contagious, or infectious diseases will be sent home promptly and excluded from school while in that condition, per Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a healthcare provider or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school, afterschool, and extracurricular activities.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents are required to submit a written statement from their child’s physician which states
any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

**MEDICATION ADMINISTRATION OVERVIEW**

All school clinic, administrators, and staff are required to administer medication within the framework of the procedures outlined in Diocesan policy and summarized here.

All prescription and over the counter (OTC) medications may be administered during the school day under the following conditions:

a. When the need for administration of medicines during school hours has been confirmed by the school nurse/health assistant (or the school administration);

b. After the first dose of any medication has been given at home;

c. When the parent/guardian provides and transports the medication to and from school and the medication is given directly to the school nurse/health assistant or a senior member of the school administration;

d. When there is a health care provider’s written order signed by the parent/guardian requesting the school administer the medication or to permit the student to self-administer the medication;

e. When the medication is brought to the school in its original container stating the name of the student, the dosage and method of administration prescribed by a physician. It is the parent’s or guardian’s responsibility to notify the school of any changes to the original prescription. The new prescription must also be brought to the school in the original container as stated above;

f. When the appropriate medication authorization form (*Appendix F-6*) has been completed, signed and accompanies the medication.

g. For any medication, parents must document the number of tablets or dosages to be secured for administration by authorized school personnel. If tablets are to be divided, the parent or guardian is responsible for dividing the tablets in order to achieve their child’s proper dosage.

h. Herbal and homeopathic medications will not be given in Diocesan schools without written authorization by a LHCP that shall include desired and adverse effects. Protein supplements will not be administered unless directly requested by a physician with a health treatment plan.

i. Under no circumstances are medications to be shared with other students.

j. Picc Lines, Heparin/Saline Locks, and Central Venous Lines may be present in students with specialized health care needs. Dressing changes, heparin flushes, and other medication administration via these lines are to be done at home and should not be done at school.

When the medication is epinephrine, trained school employees are permitted to administer Epi-pen injections when:

a. the parents advise the staff most directly involved with the student of the situations when an Epi-pen may need to be administered (e.g., symptoms indicating that a person is suffering from severe allergic reaction, basic procedures for administering the Epi-pen with a suitable
demonstration);
b. parents of students requiring such injections provide a doctor's letter attesting to the life-threatening allergy;
c. parents agree to execute the release of liability/hold harmless agreement regarding the use of the Epi-pen *(Appendix F-6)*.

All OTC and prescription medications are to be kept locked in the clinic/school office and be administered by the school nurse, clinic aide, principal or trained designee. No student is to carry/possess medications, without appropriate medical authorization. No medication will be administered unless the school has received a signed copy of the Medication Authorization Form (Appendix F-6). OTC medications do not require a health care provider’s signature unless the medication is required for four (4) or more consecutive days.

It shall be the student’s responsibility to come to the clinic/school office at the appropriate time for medication unless a health care provider or parent/guardian indicates in writing that the student cannot do this.

Students are NOT permitted to self-medicate. The school does not assume responsibility for medications taken independently by the student. Exceptions may be made on a case by case basis for students who demonstrate the capability to carry and self-administer emergency lifesaving medications (e.g. inhaler, Epi-pen).

Within one week after expiration of the effective date on the order, or on the last day of school, the parent/guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

**SPECIALIZED STUDENT CARE NEEDS**

The parent/guardian of any student on a continuing regimen for a non-episodic condition shall inform the school principal/administration and identify, in writing, the student's supervising health care provider. If necessary, and with parental written consent, there may be occasions when the school needs to communicate with the health care provider regarding possible effects on the pupil's healthcare management, special emergency procedures, or behavior at school.

**TOILETING/INCONTINENCE**

Although the vast majority of school staff would assist in an emergency situation, as no child should be left in wet or soiled clothing, it is important to note that there is no expectation that routine and predictable incidents are to be dealt with by school staff.

Parents/guardians will always be contacted in incidents of soiling. The exception to this policy is the student with a prescribed health-related treatment or procedure plan obtained in writing from a LHCP, with proper authorizations in writing by the parent or guardian.

For preschool students, it is recognized that continence training is an area of development which is reached at different ages for all children and that every child has individual needs which are
respected. The preschool director will determine age appropriate protocols for the student population.

**USE OF CRUTCHES**

An order from a Licensed Healthcare Provider (LHP) is required to use crutches at school. If a student arrives at school on crutches without a doctor’s order, the parent will be called to take the student home.

**USE OF MICROWAVE OVEN**

Given the risk of potential harm, students’ access and use of microwave ovens is prohibited for preschool through grade 5.

For middle school students, the school administration can determine if middle school students may use a microwave oven.

St. Joseph Catholic School does not maintain a microwave for student use.

**LIFE THREATENING ALLERGY**

Schools will utilize current resources and reputable materials such as; Food Allergy Research & Education (FARE) and the CDC’s *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* to develop allergen management communications for student handbooks, classrooms, and parental publications.

All schools must provide an annual in-service educating school faculty and staff about the policy. Training will include minimizing the risk of exposure to life threatening allergens in the school setting as well as anaphylaxis recognition, medical management, and incident reporting.

Schools will utilize the policy to develop allergen management communications for student handbooks, classrooms, and parental publications. Schools will select and train staff to be utilized as anaphylaxis response teams responsible for managing an allergic crisis.

Parents/guardians of students with a life threatening allergy must inform the principal and school health personnel of any allergies and provide schools with fully executed Diocesan documents. Parents/guardians are expected to supply schools with any emergency medications as prescribed and may additionally provide the student with “safe” foods for classroom celebrations involving food. Schools will utilize Diocesan documents to formulate an emergency care plan for the student and will share this care plan with those involved with the student including, but not limited to, teacher(s), food service, bus drivers, and janitorial staff.

**CONTROL OF COMMUNICABLE DISEASES**
DISEASE

Parents/guardians must notify the school within 24 hours if their child or any member of the immediate household has developed a communicable disease. Parents must notify the school immediately if the disease is life threatening. Parents must pick up their sick or injured child in a timely manner when contacted. If the parent cannot be reached, emergency contacts will be called to pick up the child.

The protection and welfare of each individual student is of importance in the schools of the Diocese of Arlington. In an effort to enhance the protection of students:

a. No daycare/preschool, elementary, middle, or secondary school student may attend class without documentary proof of adequate immunization in accordance with Virginia Department of Health’s school entry requirements (or modified schedule as approved by licensed health care provider) on the Virginia School Entrance Health Form MCH-213G (Appendix F-2).

i. Parents or guardians who object to the administration of immunizing agents for their child on the grounds that this conflicts with their religious tenets or practices must produce a notarized Certificate of Religious Exemption CRE-1 form, which will be retained in the student health record.

ii. Students who have traveled or resided in a foreign country for five months or more during the last three years are required to provide documentation of a recent tuberculosis skin test result prior to school entry.

b. Students with fevers and/or contagious or infectious diseases will be sent home promptly and will be excluded from school while in that condition, according to the Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a health care provider, or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school.

c. School health personnel will follow the Virginia Department of Health Communicable Disease Chart, found in the Virginia School Health Guidelines, when referring suspected cases of communicable disease to the local health department for excluding or readmitting a student.

d. The Diocese of Arlington has comprehensive guidelines for school/parish based influenza vaccination clinics. The liability associated with the vaccination of children is great. The Diocese of Arlington does not promote school based vaccination clinics for children during school hours, and in the absence of the parent, with the exception of a state or federal emergency. Any school wishing to offer an onsite school influenza vaccination program must comply with all aspects of the Memorandum of Agreement (Appendix F-18). Vendors wishing to serve as vaccinators must be fully vetted by the Office of Risk Management prior to the consummation of any contract for services.

LICE

All students determined to have an active case of lice will be excluded from school until they receive treatment. It is the responsibility of the parent/guardian to provide appropriate and adequate treatment for the student and home environment as recommended by their health care professional. Readmission to school is determined by the school nurse/administration based upon
re-inspection and the effectiveness of treatment. Follow up treatment is expected and verified by the school nurse/administration. Classroom contacts may be inspected.

**BLOODBORNE DISEASE**

The Christian community is called to respond to the sick in our midst with compassion and justice. The diocese recognizes its obligation to protect the rights of individual students infected with Hepatitis and HIV and to provide a safe environment for students, staff members, and the public. Students who are infected with bloodborne Hepatitis, Human Immunodeficiency Virus (HIV), or HIV-related conditions must be provided the opportunity to receive a Catholic school education in a regular classroom unless the student’s health interferes significantly with school performance.

Since it is known that bloodborne Hepatitis and HIV are not transmitted through casual contact, any student who is infected will continue education in a regular classroom assignment unless his or her health status requires otherwise. It is the intent of the Diocese of Arlington Office of Catholic Schools to follow the recommendations of the U.S. Centers for Disease Control and Prevention (CDC) and the Virginia Department of Health which state that most bloodborne Hepatitis and HIV-infected children be allowed to attend school in an unrestricted setting, and that decisions regarding school attendance be based on the medical condition of each child and the expected type of interaction with others in that setting.

Persons involved in the implementation and monitoring of this policy shall maintain confidentiality of records in compliance with federal and state law and diocesan policy. All diocesan schools shall also maintain a program of information and training for school staff members to ensure a consistent and accurate understanding regarding prevention of exposure to bloodborne pathogens. This includes training related to the proper application of universal/standard precautions.

**FIRE/EMERGENCY DRILLS**

St. Joseph Catholic School conducts regular fire drills and has inspections of the physical plant for fire safety. An annual Tornado Drill, Earthquake Drill and Lock Down Drill is also exercised. Precautionary measures, within reason, are taken to insure the safety and the welfare of the St. Joseph Catholic School community.

**SEXUAL HARASSMENT – STUDENTS**

Sexuality affects all aspects of the person including, in a general way, the aptitude for forming bonds of communion with others. The Office of Catholic Schools of the Diocese of Arlington endeavors to provide for its students an atmosphere free from sexual harassment.

No student is to sexually harass another member of the school community. Any student who
engages in sexual harassment shall be subject to disciplinary action, up to, and including, expulsion.

Sexual harassment is defined as any unwelcome sexual advance, unwelcome physical contact of a sexual nature, or unwelcome verbal or physical conduct of a sexual nature. "Unwelcome verbal or physical conduct of a sexual nature" includes, but is not limited to, "the deliberate, repeated making of unsolicited gestures or comments, or the deliberate, repeated display of offensive, sexually graphic materials via any media source which is not necessary for school purposes."

Any student who believes that he or she is being sexually harassed shall immediately report such information to the supervising teacher and to the school principal/administration. A student who is uncomfortable for any reason in reporting such alleged harassment to the teacher and/or school principal/administration, or is not satisfied in doing so, may report the matter directly to the Superintendent of Schools. Any information reported shall, to the extent possible, be treated as confidential. All claims of sexual harassment shall be thoroughly investigated in an appropriate manner under the supervision of the Superintendent of Schools and/or another designated Chancery official.

No student will be subject to any retaliation or disciplinary action on the part of the school for reports of sexual harassment made in good faith.

In adherence to the Charter for the Protection of Children and Young People, schools will offer the “Safe Environment Program” endorsed by the Office of Catholic Schools. This program will be presented annually to students in selected grades (Policy 616.5).

Parents/guardians should be afforded the opportunity to review the materials prior to presenting the program at any given grade level and reserve the right to remove their children from the classes.

HAZING

Hazing is defined as the imposition of strenuous, often humiliating, tasks as part of a program of rigorous physical training and initiation.

Hazing is prohibited. School personnel will not tolerate any hazing on Diocesan school grounds or at any school-sponsored activity (on or off school grounds). The Office of Catholic Schools expects staff members who become aware of an incidence of hazing to report the hazing to school administration for further investigation.

In cases of reported hazing, the principal or designee shall interview all students involved (i.e. the aggressor(s) and the victim(s)) and investigate, as appropriate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues. **RESPECT FOR LIFE**

A fundamental tenet of our Catholic faith is that human life must be respected and protected absolutely from the moment of conception. In the event of a student pregnancy or participation in an abortion, the school may condition continued enrollment in the school upon the student’s/family’s compliance with the foregoing and other corollary tenets of the Catholic Church.

**ASBESTOS MANDATORY YEARLY NOTIFICATION**

St. Joseph Catholic School has an AHERA Management Plan on file in the office.

**ASBESTOS NOTIFICATION (SAMPLE LETTER)**

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retardant capabilities. Virtually any building constructed before the late 1970s contains some asbestos. Intact and undisturbed, asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers.

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Every _______ years, ________________ School has conducted an inspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last inspection, all materials listed in the Management Plan as asbestos-
containing (or assumed to be asbestos-containing) were inspected and found to be in good condition.

The law further requires an asbestos management plan to be in place. The _________________ School Asbestos Management Plan has several on-going requirements.

It is the intention of _________________ to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a health and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan at the school during regular business hours. _________________, as Director of Operations, is our designated asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to him/her at _________________.

**VIDEO SURVEILLANCE CAMERAS**

School leadership at each individual school must install video surveillance cameras in order to maintain a safe and secure environment.

a. At the discretion of the principal/head of school or his/her designees, video surveillance cameras may be placed in public locations deemed appropriate. Such locations may include, without limitation, school entrances/exits, lobby areas, hallways, classrooms, cafeterias, athletic areas, gathering spaces, and outdoor grounds, as well as school buses.

b. Restrooms, changing rooms, private offices, nurse’s offices, and locker rooms are excluded from security camera use.

c. It is recognized that it will not be possible to monitor all building areas, rooms, and grounds, or to monitor any location at all times.

Schools making use of video surveillance cameras will provide notice to staff, students, and parents/guardians, by means of inclusion of this policy in their respective handbooks, that video surveillance may occur on school property. In addition, school leadership may elect to install signs at building entrances or other locations deemed appropriate to inform visitors and invitees that video surveillance may occur.

To the extent video images may be deemed appropriate to create student records or personnel records, the school shall comply with any applicable state and federal laws related to record maintenance, retention, and disclosure.

Video images obtained by the school shall be viewed by authorized school and diocesan personnel as necessary. The school and the diocese may rely on the images obtained by the video surveillance cameras in connection with the enforcement of diocesan or school policies, regulations, codes of conduct, building rules, and other applicable laws or rules, including, but not limited to, use of such images in student and staff disciplinary proceedings and matters referred to local law.
enforcement agencies in accordance with applicable law. Video images may become part of a student’s educational record or a staff member’s personnel record in accordance with applicable law.

All video recordings shall be stored in a secure place. Recordings will be saved for no less than 30 days, and may be retained longer if deemed appropriate. All video recordings are the sole property of the Catholic Diocese of Arlington. Release of such videos will be made only with the permission of the diocesan Superintendent of Schools or his/her designee.
O. IX. STUDENTS WITH SPECIAL NEEDS

The Office of Catholic Schools recognizes the beauty and potential inherent within each student. In an effort to foster continued growth, the school embraces the challenge to provide assistance and programs to serve students with special needs according to the resources available within/to the school. Parents/guardians are considered an integral part of the process.

In order to accommodate a student who has been evaluated for special learning needs, parents are obligated to share educational/psychological testing results and any resulting plan with the school. The refusal to provide such information is grounds for terminating enrollment in the school. A student may be admitted on a probationary basis with dates and criteria of evaluation clearly established in writing.

If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Support Plan (SAP) should be maintained in the student’s confidential file. Students who have a documented disability, but do not qualify for services through the local public school, may be eligible for accommodations through a Student Assistance Plan written at the Catholic school.

When a student qualifies for special education services through the public school and will not receive services, an Individualized Catholic Education Plan can be written following the information in the Guidelines for Serving Students with Special Needs.

Failure of the parent to sign the Student Assistance Plan or Individualized Catholic Education Plan does not prevent the implementation of the plan.

Students with disabilities are expected to follow the school’s policies and honor code.
EXTENDED DAY PROGRAM

The school offers an extended day program on days when the school is in session for students who are currently enrolled in the school’s academic program. See Section IV, General School Policies, regarding fees to utilize this program. Parents/guardians must sign their child(ren) in/out when they are being placed in/released from the program at the beginning and end of the school day, respectively. All provisions in this handbook (except Section II, Academics, but including the section on Technology), apply to the Extended Day Program.

LICENSES INFORMATION
The Commonwealth of Virginia helps assure parents/guardians that child day programs that assume responsibility for the supervision, protection, and well-being of a child for any part of a 24-hour day are safe. Title 63.1, Chapter 10 of the Code of Virginia gives the Department of Social Services authority to license these programs. While there are some legislative exemptions to licensure, licensed programs include child day centers, family day homes, child day center systems, and family day systems. The state may also voluntarily register family day homes, which are not required to be licensed.

Standards for licensed child day centers address certain health precautions, adequate play space, a ratio of children per staff member, equipment, program and record keeping. Criminal record checks and specific qualifications for staff and most volunteers working directly with children are also required. Standards require the facility to meet applicable fire, health, and building codes.

Compliance with standards is determined by announced and unannounced visits to the program by licensing staff within the Department of Social Services. In addition, parents or other individuals may register a complaint about a program, which will be investigated if it violates a standard.

Three types of licensing may be issued to programs. Conditional licenses may be issued to a new program to allow up to six months for the program to demonstrate compliance with the standards. A regular license is issued when the program substantially meets the standards for licensure. A provisional license, which cannot exceed six months, is issued when the program is temporarily unable to comply with the standards. Operating without a license when required constitutes a misdemeanor which, upon conviction, can be punishable by a fine of up to $100 or imprisonment of up to 12 months or both for each day’s violation.

If you would like additional information about the licensing of child day programs or would like to register a complaint, please contact the Regional Office of Social Services closest to you.
