

# MATHCOUNTS

*Back Again! AT SJS 2019-2020*

SJS will be offering a 7<sup>th</sup> and 8<sup>th</sup> grade weekly Math Club, using a renowned program called MathCounts. Club members will work with peers and our own Math Coach (Mrs. Brenda Hart) to expand their math knowledge, sharpen their math skills, explore a variety of math topics, learn to work as a team to solve problems, and HAVE FUN! The Math Club at SJS is focused on preparing students for the **MATHCOUNTS Competition Series**: All registered club members will have an opportunity to participate at a school level competition in January, and SJS will send a team of up to 10 selected members to the local Chapter competition in February (and possibly advance to State or National competitions!)

WHO: Open to interested 7<sup>th</sup> and 8<sup>th</sup> grade SJS students

WHEN: Tuesdays, 3:15-4:00pm

Meetings begin – TBD

WHERE: Mrs. Hart's classroom (6G)

For more information email: [mb\\_morrow@msn.com](mailto:mb_morrow@msn.com) or [b.hart@sjschoolva.org](mailto:b.hart@sjschoolva.org)

Registration Form for SJS 2019-2020

# MATHCOUNTS

\*\*Registration forms can be turned in to Mrs. Brenda Hart (6G)\*\*

Student Name: \_\_\_\_\_

Teacher/Class: \_\_\_\_\_

Parent Name(s): \_\_\_\_\_

Parent(s) Emergency Phone(s): \_\_\_\_\_

\_\_\_\_\_

I understand my child will be participating in a weekly math program and will participate in the school MATHCOUNTS competition administered at SJS in January at a club meeting. If my child is selected to represent SJS in the chapter competition in February, that competition and any subsequent ones will be at an off campus site. (Calendar of meeting dates to follow. Snacks will NOT be provided and should be sent in with student on meeting days.)

Parent Signature: \_\_\_\_\_
