Rachel's Corner - Hope and Healing After Abortion

"I didn't realize how so much of my anger and anxiety was caused by my abortion. I feel lighter now that I've been able to work through my struggle with other people." - Testimonial

Have you struggled with anger or anxiety, and struggled to understand the cause? Exploring the painful circumstances and the psychological wound left by a past abortion can help. God is calling you to fullness of life - where you can be restored to who you were created to be once and always wanted to be.
