2018 BISHOP'S ANNUAL APPEAL

Here I Am, Lord!

While there are many ways to give to the Bishop's Annual Appeal, there is a particularly beneficial opportunity if you are 70½ or over and have an IRA. If you are in this category, the IRS requires you to take a required minimum distribution from your IRA each year. As a result, this distribution is added to your taxable income and increases the amount of taxes owed to the government. However, instead of taking your required minimum distribution, you can instruct your IRA investment manager to donate this distribution to a charity such as the Bishop's Annual Appeal and this automatically omits this amount from your adjusted gross income. This tax benefit can be realized by all qualifying individuals, whether you take the standard deduction or itemize your deductions. This can be a significant benefit to you and a great way to support the work of the Bishop's Annual Appeal. *If you are considering making a charitable donation using your IRA required minimum distribution, please be sure to first discuss this with your financial or tax advisor to make sure it is right for you.*

**NO MORE CHURCH BELLS?
NEW CARILLON TO BE INSTALLED**

Have you noticed that our church bells have not made a sound since Eastertime? Soon after Easter Sunday, lightning struck the church and took out our Verdin Sonata Carillon, a fancy name for our electronic bell system. Since the system was well over fifteen-years old, it needed replacement anyway, so the company tells us. The new system will be installed during the week of September 16. Hopefully it will be in place for our celebration of the Solemnity of Our Holy Father St. Francis of Assisi on Thursday, October 4th.
