

Dear Members of St. Thomas Aquinas/Immaculate Conception Parishes:

Welcome back to Phase I-Week day Masses! It is great seeing you back for public Masses.

Even though we cannot meet for weekend Masses, I am praying with you on livestream Masses. I am confident that our Lord will pour the grace of these Masses out abundantly to the people of St. Thomas Aquinas/Immaculate Conception Parish.

People of God, I need your help. During this time of trial and uncertainty, St. Thomas Aquinas/Immaculate Conception Parishes are called to be a light and a sanctuary of peace and hope to our community. The Church must do all she can to ensure that no one is left utterly alone.

However, bringing Christ to people takes resources. Because we have not been able to gather together for public Sunday Masses, we have arranged for ACH or monthly electronic withdrawal. We will attach ACH form to this email. Please consider making your regular offertory gift, marked 'Special Gift' or 'Tithes' if using a check and, if you are able, stretching yourself to offer a bit more on behalf of those who have lost their livelihood. If you make a gift, please share my request with others, encouraging them to give. I would also appreciate if you would let me know of your gift at frrockyf@gmail.com so I can encourage others to give. Those names and amounts will be kept confidential. For 2,000 years, through pandemics, wars, and other crisis, Catholics have generously served the world, on the front lines caring for those who are sick, etc. I need your help to make sure that St. Thomas Aquinas/Immaculate Conception can survive and even thrive to bring Christ's love and mercy to hearts that long to know him.

Let us continue to hold each other in prayer. St. Thomas Aquinas and St. Mary, our patron saints, pray for us.

Sincerely in Christ
