**A FRESH PERSPECTIVE ON THE SUNDAY READINGS
HIS WORD TODAY** by Rev. William J. Reilly

Fourteenth Sunday in Ordinary Time

July 7, 2019

“At that time the Lord appointed seventy-two others whom he sent ahead of him in pairs to every town and place he intended to visit. He said to them ‘the harvest is abundant, but the laborers are few; so ask the master of the harvest to send out laborers into his harvest. Go on your way; behold, I am sending you like lambs among wolves.’”

Imagine being one of those sent. Who is your companion, as you go to bring the message of Jesus to someone else. Is your partner the talkative type, allowing you to remain present, but quiet? To whom will you go, either knocking on a door, stopping by a hospital bed, saying hello to someone in the laundromat? Isn't it interesting to wrestle with the answers?

Well, you are one of the lucky ones, not among the seventy-two, but among all the baptized to work in bringing in the harvest. If someone doesn't do his or her part, the harvest fails, dies, or simply rots. It is out there and the Lord needs people to follow His call as priests and deacons, as religious and committed lay workers, as missionary disciples. The good thing is, we do not do it alone but the Lord accompanies you.

There is work to be done and I heard that He is asking you to do it. Talk to someone about it today and fulfill your potential.

Having a Mass offered is a wonderful way to remember a deceased loved one, celebrate a birthday or anniversary, or for any special intention you may have. The customary donation is \$15.00 and Mass Cards can be obtained by visiting the Parish Office during normal business hours or calling 973-729-1682. Monday through Thursday 8:30 am to 3:00 pm.

The Second Envelope on July 14, 2019 will be for Project Faith.

Youth Ministry Adult Volunteers Wanted

We are looking for adult volunteers to assist at weekly Youth Group and special youth ministry events. Its super easy, basically you would be supervising. Help a little or help a lot, its up to you. If you are interested please reach out to Jill skym@saintkateri.org.

Check us out!

It was a community effort to fill 350+ reusable bags with extra lunch foods for children in need.

Let's all pray for the children and families that will be receiving these lunch kits.

Getting Screened is Simple!

Catch health problems before they go too far.

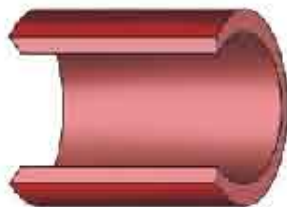

Life Line Screening, recognized with an A+ rating by the Better Business Bureau, offers a 5-test package to thoroughly check you for risk of stroke, cardiovascular disease and other chronic conditions. The combination of these tests helps detect problems—before you have symptoms and while you and your doctor can still take action...so you can keep doing the things you love.

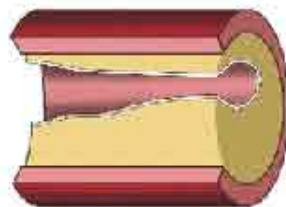

Register now to check the health of your arteries

**SPECIAL PRICE - \$10 OFF
5 SCREENINGS FOR \$139!**

Plaque buildup in the arteries can lead to heart disease, aneurysm or stroke.

A normal artery allows blood to flow through easily.

Plaque buildup in the arteries reduces your blood flow and can be dangerous if left untreated.

- Carotid Artery Screening (Plaque)
- Heart Rhythm Screening (Atrial Fibrillation)
- Abdominal Aortic Aneurysm Screening
- Peripheral Arterial Disease Screening
- Osteoporosis Risk Assessment

Join the **8 million people** who have been screened. We are coming to your neighborhood.

TUESDAY AUGUST 6, 2019
SAINT KATERI TEKAKWITHA CHURCH
427 STANHOPE RD, SPARTA, NJ 07871

Please call toll-free **800-679-6495** to register for your screening or visit
www.lifelinescreening.com/community-circle

Screening results are provided to you in 21 days. We direct all participants with abnormal results to take the report to their physician. Carotid Artery and PAD screenings help identify the presence of Atherosclerosis, and if found, can be an early warning for higher risks of stroke and coronary artery disease. Such early warning information can help you and your doctor take important steps to reduce your risk for more serious health issues. If necessary, steps may include lifestyle and diet, medical therapies, and even more thorough follow-up testing and evaluation of your heart function. Appropriate modification of risk factors (including high blood pressure, smoking, heart disease, diabetes and poor diet) is also necessary for cardiovascular disease prevention. Our screenings cannot detect all forms of stroke risk or cardiovascular disease. All tests are for screening purposes only. You should consult with your personal physician regarding your screening results. Insurance Note: Life Line Screening does not participate in the Medicare program and the cost of our screening services is not covered or reimbursable by Medicare. Life Line Screening does not file insurance claims nor provide referrals to any physician's group or hospital. Screenings in California are provided by Life Line Mobile Screening, a physician owned practice. Screenings in Kansas are performed by Life Line Screening of America, Ltd. on behalf of Life Line Screening Physicians, P.A. Screenings in New Hampshire, New Jersey and New York are performed by Life Line Medical Screening, LLC (Dr. Andrew Mangano, 70 Niagara Street, Buffalo NY, 14202). Life Line Screening does not engage in the practice of medicine in those states. This information is not intended to induce referrals by Life Line Screening to Life Line Medical Screening, LLC for any professional medical service. Texas residents: Physician authorization is required. A Life Line Screening affiliated physician will provide authorization for you if you qualify. Cancellation Policy: A full refund is issued if you call to cancel at least 2 days prior to your appointment. If less than 2 days' notice is given, we will issue a Gift Card for the full amount to be used by you, or anyone you choose, to purchase future screening services.
