BLOOD DRIVE MINISTRY

MONTHLY BLOOD DRIVES

So many lives are touched at our drives. St. Kateri is a special place for donors to come, to feel welcomed, and leave feeling good about the gift of life they have shared with others. We are grateful for the opportunity to be of service to a remarkable group of people.

Did you know?

Every **two seconds**, someone needs blood.

Fewer people are donating blood.

Only about **3%** of the U.S. population donates blood.

1 donation can potentially **save up to 3 lives**.
