First SBS Academic Scholarships Announced

Thank you to the families who were able to join us last Thursday night at the annual ACT Aspire Results Meeting in the Cafeteria. We are very proud of all the hard work our students have put in to their studies, and the results are clearly showing. At the end of the meeting, Mr. Downey announced the first winners of the new SBS Academic Scholarships. To qualify for the academic scholarship, students must perform in the 90th percentile or higher in at least one of the tested areas of the ACT Aspire, maintain an A average during all four quarters, have an A in conduct for all four quarters, and arrive on time to school at least 90% of the time. Children whose families are active and participating members of St. Benilde Parish receive a \$500 scholarship. All other children receive a \$250 scholarship. Here are this year's winners!

Wanted: Youth Willing to Make a Difference

The 29th Archdiocese Youth conference, World Youth Day New Orleans, will be held on Sunday, October, 25, 2015, at the Morial Convention Center. The theme is “*Rejoice in His Mercy*”, and the day features dynamic speakers, 2000 teens, praise & worship, Mass with Archbishop Aymond, and more! There is a track for grades 6 – 7 and a track for grades 8 – 12. To register, contact John Stiegman (504-382-4081) by October 15, 2015. We hope to have our Parish well represented. Don't miss out!

Home & School Association Meeting

Please come out and join us for our first Home and School Meeting at 7:00 PM on September 22nd. We will be serving wine and cheese and have a special speaker regarding internet safety and cyber bullying.

Bi-Annual Mandated Disclosure

St. Benilde School owns and operates a master meter natural gas distribution system on the school campus. The gas systems consist of underground networks of pipelines. The purpose of the gas systems is to provide a reliable and safe economical source of energy for heating purposes to the buildings adjacent to the

underground gas pipelines. The pipeline systems have the capacity to reliably deliver natural gas to the customers.

The hazards of natural gas are it is odorless, colorless, tasteless, lighter than air and can ignite and/or explode with tremendous force when mixed with the right amount of air.

Prevention measures taken include:

- adding odorant to the gas to give it that distinctive smell, similar to rotten eggs, to warn us of its presence,
- testing the odorant level each calendar quarter,
- performing annual gas leakage surveys, and
- conducting periodic pipeline patrols.

The following are signs that may indicate a gas leak:

- A hissing or roaring sound (caused by escaping gas),
- A patch of dead or discolored vegetation in an otherwise green setting along a pipeline route,
- Blowing dirt, grass or leaves near a pipeline,
- Continuous bubbling in wet, flooded areas,
- A “gas smell”.

Anyone who may smell this odor or notice any unusual conditions on or near gas mains, vents, service lines, meter sets, or especially inside of a building should call the St. Benilde School office immediately. If you smell a strong gas odor inside a building, notify everyone in the building to leave. Do not operate any switches or use the phone. Go a safe distance away upwind of the gas smell and call the St. Benilde School office. With any gas leak protect life first then property, then notify St. Benilde School.

State and federal laws require excavators to notify LA One-Call 2 days before digging. If any excavation is planned you must notify LA One-Call which will notify St. Benilde School to locate the gas lines. St. Benilde School maintains membership in the LA One-Call program.

To obtain additional information or report a gas related issue call St. Benilde School. The St. Benilde School phone number is (504) 833-9894. The LA One-Call Center phone number is 811.
