

"We Are"

Kari Jobe

<http://www.viewpure.com/Y8cX6SHtXeE?start=0&end=0>

Every secret, every shame
Every fear, every pain
Live inside the dark
But that's not who we are
We are children of the day

So wake up, sleeper, lift your head
We were meant for more than this
Fight the shadows, conquer death
Make the most of the time we have left

We are the light of the world
We are the city on a hill
We are the light of the world
We gotta, we gotta, we gotta let the light
shine
We are the light of the world
We are the city on a hill
We are the light of the world
We gotta, we gotta, we gotta let the light
shine, let the light shine, let the light shine

We are called to spread the news
To tell the world the simple truth
Jesus came to save, there's freedom in His
name
So let His love break through

We are the light of the world
We are the city on a hill
We are the light of the world
We gotta, we gotta, we gotta let the light
shine
We are the light of the world
We are the city on a hill
We are the light of the world

We gotta, we gotta, we gotta let the light
shine

We are the light
We are the light
We are the light
So let your light shine brighter
We are the light
We are the light
We are the light

Jesus, you are the light
You are the light
You are the light
We will lift you high and shine, shine, shine

We are the light of the world
We are the city on a hill
We are the light of the world
We gotta, we gotta, we gotta let the light
shine
We are the light of the world
We are the city on a hill
We are the light of the world
We gotta, we gotta, we gotta let the light
shine

We gotta shine, we gotta shine (let the light
shine) [4x]

"Good Good Father"

Chris Tomlin

Oh, I've heard a thousand stories of what
they think you're like
But I've heard the tender whispers of love in
the dead of night
And you tell me that you're pleased
And that I'm never alone

You're a Good, Good Father
It's who you are, it's who you are, it's who
you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

Oh, and I've seen many searching for
answers far and wide
But I know we're all searching
For answers only you provide
'Cause you know just what we need
Before we say a word

You're a Good, Good Father
It's who you are, it's who you are, it's who
you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

'Cause you are perfect in all of your ways
You are perfect in all of your ways
You are perfect in all of your ways to us

You are perfect in all of your ways
You are perfect in all of your ways
You are perfect in all of your ways to us

Oh, it's love so undeniable
I, I can hardly speak

Peace so unexplainable
I, I can hardly think

As you call me deeper still
As you call me deeper still
As you call me deeper still
Into love, love, love

You're a Good, Good Father
It's who you are, it's who you are, it's who
you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

You're a Good, Good Father
It's who you are, it's who you are, it's who
you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

You're a Good, Good Father
It's who you are, it's who you are, it's who
you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

You're a Good, Good Father
(You are perfect in all of your ways)
It's who you are, it's who you are, it's who
you are
And I'm loved by you
(You are perfect in all of your ways)
It's who I am, it's who I am it's who I am

"Hold Us Together"

By: Matt Maher

<http://www.viewpure.com/4sxOdBeo0BE?start=0&end=0>

It don't have a job, don't pay your bills
Won't buy you a home in Beverly Hills
Won't fix your life in five easy steps
Ain't the law of the land or the government?
But it's all you need

And love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world would know that we're
not alone

It's waiting for you knocking at your door
In the moment of truth when your heart hits
the floor
And you're on your knees

And love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world would know that we're
not alone

This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark you can still see the
light
It's gonna be alright, it's gonna be alright

This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark you can still see the
light
It's gonna be alright, it's gonna be alright

Love will hold us together

Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world would know that we're
not alone

“Home”

by Chris Tomlin

<http://www.viewpure.com/YIb4NC5ikYo?start=0&end=0>

This world is not what it was meant to be
All this pain, all this suffering
There's a better place waiting for me
In Heaven
Every tear will be wiped away
Every sorrow and sin erased
We'll dance on seas of amazing grace
In Heaven
In Heaven
I'm goin' home
Where the streets are golden
Every chain is broken
Oh I wanna go
Oh I wanna go
Home
Where every fear is gone
I'm in your open arms
Where I belong
Home
Lay down my burdens, I lay down my past
I run to Jesus, no turning back
Thank God Almighty, I'll be free at last
In Heaven
In Heaven
I'm goin' home
Where the streets are golden
Every chain is broken
Oh I wanna go
Oh I wanna go
Home
Where every fear is gone
I'm in your open arms
Where I belong
Blinded eyes
Will finally see
The dead will rise

On the shores of eternity
The trump will sound
The angels will sing
Hallelujah, Hallelujah
I am
Goin' home
Where the streets are golden
Every chain is broken
Oh I wanna go
Oh I wanna go
Home
Where every fear is gone
I'm in your open arms
Where I belong
Where I belong
I'm goin' home
I'm goin' home
I'm on my way home
I'm goin' home

“Oh Come to the Altar”

Elevation Worship

http://www.viewpure.com/rYQ5yXCc_CA?start=0&end=0

Are you hurting and broken within?
Overwhelmed by the weight of your sin?

Jesus is calling
Have you come to the end of yourself?
Do you thirst for a drink from the well?
Jesus is calling
O come to the altar

The Father's arms are open wide
Forgiveness was bought with
The precious blood of Jesus Christ
Leave behind your regrets and mistakes

Come today, there's no reason to wait
Jesus is calling
Bring your sorrows and trade them for joy
From the ashes, a new life is born
Jesus is calling

O come to the altar
The Father's arms are open wide
Forgiveness was bought with
The precious blood of Jesus Christ
Forgiveness was bought with
The precious blood!...

Oh what a Savior
Isn't He wonderful?
Sing hallelujah, Christ is risen
Bow down before Him

For He is Lord of all
Sing hallelujah, Christ is risen

O come to the altar
The Father's arms are open wide

Forgiveness was bought with
The precious blood of Jesus Christ!...

O come to the altar
The Father's arms are open wide
Forgiveness was bought with

The precious blood of Jesus Christ!
The Father's arms are open wide

“Light the Fire”

By: Fusebox

<http://www.viewpure.com/mwYFm9B0AdY?start=0&end=0>

I stand to praise You
But I fall on my knees
My spirit is hungry
By my flesh is so weak

Light the fire (light the fire)
In my soul (in my weary soul)
Fan the flame (fan the flame)
Make me whole (make my spirit whole)
Lord You know (Lord You know)
Where I've been (where I've been)
So light the fire, in my heart again.

I feel Your arms around me
As the power of Your healing begins
You breath, new life into me
Like a mighty, rushing wind

Light the fire (light the fire)
In my soul (in my weary soul)
Fan the flame (fan the flame)
Make me whole (make my spirit whole)
Lord You know (Lord You know)
Where I've been (where I've been)
So light the fire, in my heart again.

Light the fire (light the fire)
In my soul (in my weary soul)
Fan the flame (fan the flame)
Make me whole (make my spirit whole)
Lord You know (Lord You know)
Where I've been (where I've been)
So light the fire, in my heart again.

So light the fire, in my heart again.
So light the fire, in my heart again.

"Reckless Love"

[Cory Asbury](#)

Before I spoke a word,
You were singing over me
You have been so, so good to me

Before I took a breath,
You breathed
Your life in me
You have been so, so kind to me

Oh, the overwhelming, never-ending,
reckless love of God

Oh, it chases me down, fights 'til I'm found,
leaves the ninety-nine
I couldn't earn it, and I don't deserve it, still,
You give Yourself away

Oh, the overwhelming, never-ending,
reckless love of God, yeah
When I was Your foe, still Your love fought
for me

You have been so, so good to me
When I felt no worth, You paid it all for me

You have been so, so kind to me
And oh, the overwhelming, never-ending,
reckless love of God

Oh, it chases me down, fights 'til I'm found,
leaves the ninety-nine
And I couldn't earn it, and I don't deserve it,
still, You give Yourself away

Oh, the overwhelming, never-ending,
reckless love of God, yeah
There's no shadow

You won't light up
Mountain You won't climb up

Coming after me
There's no wall You won't kick down
Lie You won't tear down
Coming after me
There's no shadow You won't light up
Mountain You won't climb up

Coming after me
There's no wall You won't kick down
Lie You won't tear down
Coming after me
There's no shadow You won't light up
Mountain You won't climb up

Coming after me
There's no wall You won't kick down
Lie You won't tear down
Coming after me
There's no shadow You won't light up
Mountain You won't climb up

Coming after me
There's no wall You won't kick down
Lie You won't tear down
Coming after me

“Go Light Your World”

[Kathy Troccoli](#)

<http://www.viewpure.com/CVqR6kTu8IE?start=0&end=0>

Take your candle, and go light your world
Take your candle, and go light your world

There is a candle in every soul
Some brightly burning, some dark and cold
There is a Spirit who brings fire
Ignites a candle and makes His home
Carry your candle, run to the darkness
Seek out the hopeless, confused and torn
Hold out your candle for all to see it

Take your candle, and go light your world
Take your candle, and go light your world

Frustrated brother, see how he's tried to
Light his own candle some other way
See now your sister, she's been robbed and
lied to
Still holds a candle without a flame
Carry your candle, run to the darkness
Seek out the lonely, the tired and worn
Hold out your candle for all to see it

Take your candle, and go light your world
Take your candle, and go light your world

We are a family whose hearts are blazing
So let's raise our candles and light up the
sky
Praying to our Father, in the name of Jesus
Make us a beacon in darkest times
Carry your candle, run to the darkness
Seek out the helpless, deceived and poor

Hold out your candle for all to see it
Take your candle, and go light your world
Carry your candle, run to the darkness
Seek out the hopeless, confused and torn

Hold out your candle for all to see it

"God Only Knows"

by: King & Country

<http://www.viewpure.com/Q5cPQg3oq-o?start=0&end=0>

Wide awake while the world is sound
asleepin'
Too afraid of what might show up while
you're dreamin'
Nobody, nobody, nobody sees you
Nobody, nobody, nobody would believe you
Every day you try to pick up all the pieces
All the memories, they somehow never
leave you

Nobody, nobody, nobody sees you
Nobody, nobody, nobody would believe you

God only knows what you've been through
God only knows what they say about you
God only knows how it's killing you
But there's a kind of love that God only
knows
God only knows what you've been through
God only knows what they say about you
God only knows the real you

There's a kind of love that God only knows
There's a kind of love that
There's a kind of love
You keep a cover over every single secret
So afraid if someone saw them they would
leave
But somebody, somebody, somebody sees
you
Somebody, somebody will never leave you

God only knows what you've been through
God only knows what they say about you
God only knows how it's killing you
But there's a kind of love that God only
knows
God only knows what you've been through

God only knows what they say about you
God only knows the real you
There's a kind of love that God only knows

There's a kind of love that
There's a kind of love
There's a kind of love that
There's a kind of love
For the lonely, for the ashamed

The misunderstood, and the ones to blame
What if we could start over
We could start over
We could start over
Oh for the lonely, for the ashamed
The misunderstood, and the ones to blame

What if we could start over
We could start over
We could start over
'Cause there's a kind of love that
God only knows
God only knows what you've been through

God only knows what they say about you
God only knows the real you
But there's a kind of love that God only
knows
God only knows what you've been through
God only knows what they say about you
God only knows the real you

There's a kind of love that God only knows
There's a kind of love that
There's a kind of love
There's a kind of love that
There's a kind of love

God only knows where to find you
God only knows how to break through
God only knows the real you

There's a kind of love that God only know

“The Good Life”

By: The Young Escape

<http://viewpure.com/I5JkzYrDY04?start=0&end=0>

How did I ever get this far?
After all I've been through still you hold my heart
How did you pull me through the dark?

If it weren't for you the healing couldn't start
I never knew I could find peace
Until you found me
Showed me who I could be
And now I know that

This is the good life
Never look back, wouldn't trade it for
A day in my old life
Never look back 'cause I know that
You are always with me
I got you, I know you got me

This is the good life
You gave me the good life
I always thought that I'd be fine
Chasing all the things that left me dead
inside
You gave me the truth when I had lies

Showed me you're the only one who
satisfies
I never knew I could find peace
Until you found me
Showed me who I could be
And now I know that

This is the good life
Never look back, wouldn't trade it for
A day in my old life
Never look back 'cause I know that
You are always with me

I got you, I know you got me
This is the good life
You gave me the good life
Yeah, you gave me the good life

You gave me life
You gave me something I could finally
believe
You gave me something that was way
beyond me
I'm finally living with a heart that is free
Out of the dark right where you want me to
be
And now I know that

This is the good life
Never look back, wouldn't trade it for
A day in my old life
Never look back 'cause I know that
You are always with me
I got you, I know you got me

This is the good life
You gave me the good life
This is the good life
You gave me life

You take all the pieces of my heart
put them back together make it all
alright
oh. You forgive me.

Only You can heal my broken heart
make all things new with a brand new
start
oh... You forgive me
You forgive me

I try so hard to do things right
But I make the wrong choice sometimes
and You forgive me

No one knows me God like You
You see who I am not what I do
and You forgive me

You take all the pieces of my life
put them back together make it all
alright
oh. You forgive me

Only You can heal my broken heart

"He Knows My Name"

By: Francesca Battistelli

<http://viewpure.com/ZtIDVleJBtA?ref=search>

Spent today in a conversation
In the mirror face to face with
somebody less than perfect
I wouldn't choose me first if
I was looking for a champion
In fact I'd understand if
You picked everyone before me
But that's just not my story

True to who You are
You saw my heart
and made
Something out of nothing

I don't need my name in lights
I'm famous in my Father's eyes
Make no mistake
He knows my name
I'm not living for applause
I'm already so adored
It's all His stage
He knows my name oh, oh,
He knows my name oh, oh

I'm not meant to just stay quiet
I'm meant to be a lion
I'll roar beyond a song
With every moment that I've got
True to who You are
You saw my heart
and made
Something out of nothing

I don't need my name in lights
I'm famous in my Father's eyes

Make no mistake
He knows my name
I'm not living for applause
I'm already so adored
It's all His stage
He knows my name oh, oh,
He knows my name oh, oh

He calls me chosen, free forgiven,
wanted, child of the King,
His forever, held in treasure...
I am loved

I don't need my name in lights...
I'm famous in my Father's eyes...

I don't need my name in lights
I'm famous in my Father's eyes
Make no mistake
He knows my name
I'm not living for applause
I'm already so adored
It's all His stage
He knows my name oh, oh,
He knows my name oh, oh

He knows my name

We've waited for this day
We're gathered in Your name
Calling out to You
Your glory like a fire
Awakening desire
Will burn our hearts with truth

You're the reason we're here
You're the reason we're singing!

Open up the heavens
We want to see You
Open up the floodgates
A mighty river
Flowing from Your heart
Filling every part of our praise

Your presence in this place
Your glory on our face
We're looking to the skies
Descending like a cloud
You're standing with us now
Lord, unveil our eyes
You're the reason we're here
You're the reason we're singing!

Open up the heavens

"Your Love Awakens Me"

By: Phil Wickham

<http://viewpure.com/EQyXsJMkUPg?ref=search>

There were walls between us
By the cross you came
And broke them down
You broke them down
There were chains around us
By Your grace we are
No longer bound
No longer bound

You called me out of the grave
You called me into the light
You called my name and then my heart
came alive

Your love is greater
Your love is stronger
Your love awakens
Awakens
Awakens me

Your love is greater
Your love is stronger
Your love awakens
Awakens
Awakens me

Feel the darkness shaking
All the dead are coming
Back to life
Back to life
Hear the song awaken
All creation singing
We're alive
Cause You're alive

You called me out of the grave
You called me into the light
You called my name and then my heart
came alive

Your love is greater
Your love is stronger
Your love awakens
Awakens
Awakens me

Your love is greater
Your love is stronger
Your love awakens
Awakens
Awakens me

What a love we found
Death can't hold us down
We shout it out
We're alive
Cause you're alive

What a love we found
Death can't hold us down
We shout it out
We're alive
Cause you're alive

What a love we found
Death can't hold us down
We shout it out
We're alive
Cause you're alive

Your love is greater
Your love is stronger
Your love awakens

Awakens
Awakens me

“Go, Make A Difference”

By: Steve Angrisano

<http://viewpure.com/WDjQEoltGzQ?start=0&end=0>

Go make a difference.
We can make a difference.
Go make a difference in the world.
Go make a difference.
We can make a difference.
Go make a difference in the world.

Go make a difference.
We can make a difference.
Go make a difference in the world.
Go make a difference.
We can make a difference.
Go make a difference in the world.

We are the salt of the earth,
called to let the people see
the love of God in you and me.
We are the light of the world,
not to be hidden but be seen.
Go make a difference in the world.

Go make a difference.
We can make a difference.
Go make a difference in the world.
Go make a difference.
We can make a difference.
Go make a difference in the world.

We are the hands of Christ
reaching out to those in need,
the face of God for all to see.
We are the spirit of hope;
we are the voice of peace.
Go make a difference in the world.

Go make a difference.
We can make a difference.
Go make a difference in the world.
Go make a difference.
We can make a difference.
Go make a difference in the world.

So let your love shine on,
let it shine for all to see.
Go make a difference in the world.
And the spirit of Christ
will be with us as we go.
Go make a difference in the world.

Go make a difference.
We can make a difference.
Go make a difference in the world.
Go make a difference.
We can make a difference.
Go make a difference in the world.

Go make a difference in the world.
Go make a difference
In the world.

[Citizen Way](#)

It's not a flag on a field
It's not a sign in my yard
Not a cause that I joined, not a phrase
on a corn

It's the change in my heart
Mercy and grace and compassion
They're only words without action
I need hands that are open
Reaching out for broken hearts
'Cause that's the only way this world
Would ever know who You are

Love is the evidence
Love is the evidence
Might be the that you share
Might be the time that you spend

Or the war you don't fight, backing down
from your pride
After all, in the end
Mercy and grace and compassion
They're only words without action
I need hands that are open

Reaching out for broken hearts
'Cause that's the only way this world
Would ever know who You are

Love is the evidence
Love is the evidence

My life wasn't changed by nothing else

I never would've been enough
My life was changed by the evidence of
love

Your hands, they were open
Reaching out to my broken heart
I need hands that are open

Reaching out for broken hearts
'Cause that's the only way this world
Would ever know who You are

Love is the evidence
Love is the evidence
Love is the evidence
Love is the evidence
Love is the evidence
Love is the evidence

crippling
It breaks my heart to see you suffering
'Cause I am for you
I'm not against you
If you wanna know how far my love can
go

Just how deep
Just how wide

If you wanna see how much you mean
to me
Look at my hands
Look at my side

If you could count the times I'd say you
are forgiven
It's more than the drops in the ocean,
ooh ooh
Don't think you need to settle for a
substitute

When I'm the only love that changes you
And I am for you
I'm not against you
I am for you
I'm not against you

If you wanna know how far my love can
go

Just how deep
Just how wide

If you wanna see how much you mean
to me
Look at my hands
Look at my side

If you could count the times I'd say you
are forgiven

It's more than the drops in the ocean
Open your heart it's time that we start
again, oh oh oh
Open your heart it's time that we start
again, oh oh oh
If you wanna know how far my love can
go

Just how deep
Just how wide

If you wanna see how much you mean
to me
Look at my hands
Look at my side

If you could count the times I'd say you
are forgiven
It's more than the drops in the ocean,
ooh ooh
The drops in the ocean, woah
I am for you
I'm not against you
I am for you
I'm not against you

“This Is Amazing Grace”

Who breaks the power of sin and
darkness
Whose love is mighty and so much
stronger

The King of Glory, the King above all
kings
Who shakes the whole earth with holy
thunder
And leaves us breathless in awe and
wonder
The King of Glory, the King above all
kings

This is amazing grace
This is unfailing love
That You would take my place
That You would bear my cross
You lay down Your life
That I would be set free
Oh, Jesus, I sing for
All that You've done for me
Who brings our chaos back into order
Who makes the orphan a son and
daughter

The King of Glory, the King of Glory
Who rules the nations with truth and
justice
Shines like the sun in all of its brilliance
The King of Glory, the King above all
kings

This is amazing grace
This is unfailing love
That You would take my place
That You would bear my cross

You lay down Your life
That I would be set free

Oh, Jesus, I sing for
All that You've done for me
Worthy is the Lamb who was slain
Worthy is the King who conquered the
grave
Worthy is the Lamb who was slain
Worthy is the King who conquered the
grave
Worthy is the Lamb who was slain
Worthy is the King who conquered the
grave
Worthy is the Lamb who was slain
Worthy, worthy, worthy

This is amazing grace
This is unfailing love
That You would take my place
That You would bear my cross
You lay down Your life
That I would be set free

Oh, Jesus, I sing for
All that You've done for me
All that You've done for me

I wanna set the world on fire
Until it's burning bright for you
It's everything that I desire
Can I be the one you use?

I, I am small but
You, you are big enough
I, I am weak but
You, you are strong enough
To take my dreams

Come and give them wings.
Lord with you
There's nothing I cannot do.
Nothing I cannot do.
I wanna feed the hungry children.

And reach across the fathers*farthest
land
And tell the broken there is healing
And mercy in the Father's hands.

I, I am small but
You, you are big enough
I, I am weak but
You, you are strong enough
To take my dreams
Come and give them wings.

Lord with you
There's nothing I cannot do.
Nothing I cannot do.
Take my dreams

Come and give them wings.
And Lord with you
There's nothing I cannot do.

My hands, my feet
My everything
My life, my love
Lord use me.

I wanna set the world on fire
Wanna set the world on fire.

Take my dreams
Come and give them wings.
Lord with you
There's nothing I cannot do
Oh no.

Take my dreams
Come and give them wings.
Cause Lord with you
There's nothing I can't do.
Nothing I can't do.

I'm gonna set the world on fire.
Set the world on fire.

They've made me feel like a prisoner
They've made me feel set free
They've made me feel like a criminal
Made me feel like a king
They've lifted my heart

To places I'd never been
And they've dragged me down
Back to where I began
Words can build you up
Words can break you down

Start a fire in your heart or
Put it out
Let my words be life
Let my words be truth
I don't wanna say a word
Unless it points the world back to You
You can heal the heartache

Speak over the fear
(Speak over the fear)
God, Your voice is the only thing
We need to hear
(We need to hear)
Words can build us up
Words can break us down

Start a fire in our hearts or
Put it out
Let my words be life
Let my words be truth
I don't wanna say a word

Unless it points the world back to You
(Back to You)
Let the words I say
(Let the words I say)

Be the sound of Your grace
(Sound like Your grace)
I don't wanna say a word
Unless it points the world back to You
I wanna speak Your love
Not just another noise

Oh, I wanna be Your light
I wanna be Your voice
Let my words be life
Let my words be truth
I don't wanna say a word
Unless it points the world back to You
(Back to You)

Let the words I say
(Let the words I say)

(Sound like Your grace)
I don't wanna say a word
Unless it points the world back to You

Start a fire in our hearts

You're not the only one who feels like this

Feelin' like you lose more than you win
Like life is just an endless hill you climb
You try and try, but never arrive
I'm tellin' you somethin'
This racing, this running

Oh, you're working way too hard!
And this perfection you're chasing
Is just energy wasted

Cause he love's you like you are!
So go ahead and live like you're loved
It's ok to act like you've been set free

His love has made you more than enough
So go ahead and be who he made you to be
And live like you're loved
live like you're loved
live like you're loved
live like you're loved
And live like you're know your value born

Like you know the one that hold your soul
Cause mercy has called you by your name

Don't be afraid to live in that grace

I'm tellin' you somethin'

This God we believe in
Yeah, he changed everything
No more guilt! No more shame!

He took all that away
Gave us a reason to sing
So go ahead and live like you're loved
It's ok to act like you've been set free
His love has made you more than enough
So go ahead and be who he made you to be

And live like you're loved
live like you're loved
live like you're loved
live like you're loved

Live like you're loved, walk like you're free
Stand like you know, who he made you to be

Live like you're loved, like you believe
His love is all, that you ever need
So go ahead and live like you're loved
His love has made you more than enough

So go ahead and live like you're loved
It's ok to act like you've been set free
His love has made you more than enough

So go ahead and be who he made you to be
And live like you're loved

You called us into darkness
You reached out to save us
You conquered the grave
You crossed the divide; lost in our sin
You made us alive

How can we ever hold it inside?
We can't hold back
We're gonna lift You higher, higher
Hearts burning bright like a fire, fire

Voices unite; make it louder, louder
We're never gonna stop the singing
We're never gonna stop the singing
Set free, no longer bound in chains
You rescued me and called me by name

You conquered the grave
You crossed the divide; lost in our sin
You made us alive
How can we ever hold it inside?

We can't hold back
We're gonna lift You higher, higher
Hearts burning bright like a fire, fire

We're never gonna stop the singing

We're never gonna stop
Higher, higher
Hearts burning bright like a fire, fire

Voices unite; make it louder, louder
We're never gonna stop the singing
We're never gonna stop the singing

Every tribe, every tongue, every heart will

Every knee, we will bow to the Risen

Lift Him up, lift Him up
We're never gonna stop the singing

Not scared to say it
I used to be the one
Preaching it to you
That you could overcome
I still believe it
But it ain't easy

'Cause that world I painted
Where things just all work out
It started changing
And I started having doubts
And it got me so down

But I picked myself back up
And I started telling me
No, my God's not done
Making me a masterpiece
He's still working on me

He started something good
And I'm gonna believe it
He started something good
And He's gonna complete it
So I'll celebrate the truth
His work in me ain't through
I'm just unfinished
I'm just unfinished
So I'll celebrate the truth
His work in me ain't through
I'm just unfinished

I know His history
And the kind of God He is

He might make it a mystery
But He's proven I can trust in Him
And yeah, I believe it

So I can pick myself back up
And keep on telling me
No, my God's not done
Making me a masterpiece
No, my God's not done

He started something good
And I'm gonna believe it
He started something good
And He's gonna complete it
So I'll celebrate the truth
His work in me ain't through
I'm just unfinished
I'm just unfinished
So I'll celebrate the truth
His work in me ain't through, no

Still working
Still, still working on me
He's still working
Still, still working on me
Ooh

He started something good
And I'm gonna believe it
He started something good
And He's gonna complete it
So I'll celebrate the truth
His work in me ain't through
I'm just unfinished
I'm just unfinished
So I'll celebrate the truth
His work in me ain't through
I'm just unfinished

Still working
Still, still working on me
He's still working
Still, still working on me
Oh yeah I'm just unfinished

Mirror, mirror, mirror on the wall
Tellin' those lies, pointing out your flaws
That isn't who you are
That isn't who you are

It might be hard to hear
But let me tell you, dear
If you could see what I can see, I know
you would believe
That isn't who you are
There's more to who you are

So when it's late
You're wide awake
Too much to take
Don't you dare forget that in the pain
You can be brave
Hear me say

I see you dressed in white
Every wrong made right
I see a rose in bloom
At the sight of you
Oh, so priceless
Irreplaceable, unmistakable,
incomparable
Darling, it's beautiful

I see it all in you
Oh, so priceless

No matter what you've heard
This is what you're worth
More than all the money or the
diamonds and pearls
Oh, this is who you are
Yeah, this is who you are

So when it's late
You're wide awake
Too much to take
Don't you dare forget that in the pain
You can be brave
Hear me say

I see you dressed in white
Every wrong made right
I see a rose in bloom
At the sight of you
Oh, so priceless
Irreplaceable, unmistakable,
incomparable
Darling, it's beautiful
I see it all in you
Oh, so priceless

Sisters, we can start again
Give honor 'til the end
Love, we can start again

Brothers, we can start again
Give honor 'til the end
Yeah, we can start again

I see you dressed in white
Every wrong made right
I see a rose in bloom

At the sight of you
Oh, so priceless
You're irreplaceable, unmistakable,
incomparable
Darling, it's beautiful
I see it all in you
Oh, so priceless

I see you dressed in white
Every wrong made right
I see a rose in bloom
At the sight of you
I see you dressed in white
Every wrong made right
I see a rose in bloom
At the sight of you

I see you dressed in white
Every wrong made right
I see a rose in bloom
At the sight of you

I've been trying to make sense
of the sorrow that I feel
Holding on for life to the
only thing that's real

I've only scratched the surface
I've barely had a taste
But just a glimpse draws
my heart to change
And one side of you lays
my sin to waste
I don't need to see everything
Just more of you

Take it all take it all away
Magnify no other name
Open up open up my eyes
To you
Take it all take it all away
Magnify no other name
Open up open up my eyes
To you

My sight is incomplete
and I made you look small
I've been staring at my
problems for way too long
Realign where my hope it set
Until you're all that's left
But just a glimpse draws my heart to
change
And one side of you
lays my sin to waste

I don't need to see everything
Just more of you

Take it all take it all away
Magnify no other name
Open up open up my eyes
To you
Take it all take it all away
Magnify no other name
Open up open up my eyes
To you

God be greater than
the worries in my life
Be stronger than the
weakness in my mind
Be louder let your
glory come alive
Be magnified

God be greater than
the worries in my life
Be stronger than the
weakness in my mind
Be louder let your
glory come alive
Be magnified
Be magnified

Take it all take it all away
Magnify no other name
Open up open up my eyes
To you

Open up my eyes
Take it all take it all away
Magnify no other name
Open up open up my eyes
To you To you

Broken Things

<http://viewpure.com/WdUu6ZsdVfM?ref=search>

If grace was a kingdom
I stopped at the gate
Thinking I don't deserve to pass through
after all the mistakes
that I've made

Oh but I heard a whisper
As Heaven bent down
Said, "Child, don't you know that the first
will be last and the last get a crown"

Now I'm just a beggar
in the presence of a King
I wish I could bring so much more
But if it's true You use broken things
Then here I am Lord, I'm all Yours

The pages of history
they tell me it's true
That it's never the perfect; it's always
the ones with the scars that You use

Oh, it's the rebels
and the prodigals;
it's the humble and the weak
All the misfit heroes You chose
Tell me there's hope for sinners
like me

Now I'm just a beggar
in the presence of a King
I wish I could bring so much more
But if it's true You use broken things

Then here I am Lord, I'm all Yours

Grace is a kingdom
With gates open wide
There's a seat at the table
just waiting for you
So, come on inside

Who am I that the highest King
Would welcome me?
I was lost but He brought me in
Oh His love for me
Oh His love for me

Who the Son sets free
Oh is free indeed
I'm a child of God
Yes I am

Free at last, He has ransomed me
His grace runs deep
While I was a slave to sin
Jesus died for me
Yes He died for me

Who the Son sets free
Oh is free indeed
I'm a child of God
Yes I am

In my Father's house
There's a place for me
I'm a child of God
Yes I am

I am chosen
Not forsaken
I am who You say I am

You are for me

Not against me
I am who You say I am

I am chosen
Not forsaken
I am who You say I am

You are for me
Not against me
I am who You say I am
I am who You say I am

Mercy Me

There's got to be more
Than going back and forth
From doing right to doing wrong
'Cause we were taught that's who we
are
Come on get in line right behind me
You along with everybody
Thinking there's worth in what you do

Then like a hero who takes the stage
when
We're on the edge of our seats saying
it's too late
Well let me introduce you to amazing
grace

No matter the bumps
No matter the bruises
No matter the scars
Still the truth is

The cross has made
The cross has made you flawless
No matter the hurt
Or how deep the wound is
No matter the pain
Still the truth is
The cross has made
The cross has made you flawless

Could it possibly be
That we simply can't believe
That this unconditional

Kind of love would be enough
To take a filthy wretch like this
And wrap him up in righteousness
But that's exactly what He did

No matter the bumps
No matter the bruises
No matter the scars
Still the truth is
The cross has made
The cross has made you flawless

No matter the hurt
Or how deep the wound is
No matter the pain
Still the truth is
The cross has made
The cross has made you flawless

Take a breath smile and say
Right here right now I'm ok
Because the cross was enough

And like a hero who takes the stage
when
We're on the edge of our seats saying
it's too late
Well let me introduce you to grace grace
God's grace

No matter the bumps
No matter the bruises
No matter the scars
Still the truth is
The cross has made
The cross has made you flawless
No matter the hurt
Or how deep the wound is
No matter the pain

Still the truth is
The cross has made
The cross has made you flawless

No matter what they say
Or what you think you are
The day you called His name
He made you flawless
He made you flawless

No matter the bumps
No matter the bruises
No matter the scars
Still the truth is
The cross has made
The cross has made you flawless

Spent today in a conversation
In the mirror face to face with
somebody less than perfect
I wouldn't choose me first if
I was looking for a champion
In fact I'd understand if

You picked everyone before me
But that's just not my story
True to who You are
You saw my heart
and made
Something out of nothing

I don't need my name in lights
I'm famous in my Father's eyes
Make no mistake
He knows my name
I'm not living for applause
I'm already so adored
It's all His stage

He knows my name oh, oh,
He knows my name oh, oh

I'm not meant to just stay quiet
I'm meant to be a lion
I'll roar beyond a song
With every moment that I've got
True to who You are
You saw my heart
and made
Something out of nothing

I don't need my name in lights
I'm famous in my Father's eyes

Make no mistake
He knows my name
I'm not living for applause
I'm already so adored
It's all His stage
He knows my name oh, oh,
He knows my name oh, oh

He calls me chosen, free forgiven,
wanted, child of the King,
His forever, held in treasure...
I am loved

I don't need my name in lights...
I'm famous in my Father's eyes...

I don't need my name in lights
I'm famous in my Father's eyes
Make no mistake
He knows my name

“Eye Of The Storm”

http://viewpure.com/_Wb3uEoSsmFQ?ref=search

When the solid ground is falling out
From underneath my feet
Between the black skies and my red
eyes I can barely see

When I realize I've been let down by my
friends and my family
I can hear the rain reminding me In
the eye of the storm,
You remain in control In the middle of
the war,
You guard my soul
You alone are the anchor, when my sails
are torn

Your love surrounds, me in the eye of
the storm

When my hopes and dreams are far
from me
And I'm running out of faith
I see the future I pictured slowly fade
away
And when the tears of pain and
heartache are pouring down my face

I find my peace in Jesus' name
In the eye of the storm,
You remain in control In the middle of
the war,
You guard my soul
You alone are the anchor, when my
sails are torn

Your love surrounds me, in the eye of
the storm

When they let me go and I just don't
know How I'm gonna make ends meet
I did my best
Now I'm scared to death
That we might lose everything
And when a sickness takes my child
away

And there's nothing I can do My only
hope is to trust
You trust You LORD
In the eye of the storm,
You remain in control
In the middle of the war,

You guard my soul
You alone are the anchor, when my sails
are torn
Your love surrounds me, in the eye of
the storm In the eye of the storm,
You remain in control In the middle of
the war,

You guard my soul
You alone are the anchor when my
sails are torn
Your love surrounds me in the eye of the
storm

"Grace Got You - Mercy Me"

http://viewpure.com/xtiUjNT_vAM?ref=search

Have you ever met those who
Keep humming when the song's
through?
It's like they're living life to a whole
different tune
And have you ever met those that
Keep hoping when it's hopeless
It's like they figured out what the rest
haven't yet

The second when you realize
When you have inside
It's only just a matter of time 'til you

Sing, so the back row hears you
Glide, 'cause walking just won't do
Dance, you don't have to know how to
Ever since, ever since grace got you
Laugh, 'til your whole side's hurting
Smile like you just got away with
something
Why? 'Cause you just got away with
something
Ever since, ever since grace got you

So when you're standing in the rain
again
You might as well be dancing
Why? 'Cause there ain't no storm that
can change how this ends
So next time when you feel blue
Don't let that smile leave you
Why? 'Cause you have every reason just
to

Sing, so the back row hears you
Glide, 'cause walking just won't do
Dance, you don't have to know how to
Ever since, ever since grace got you
Laugh, 'til your whole side's hurting
Smile like you just got away with
something
Why? 'Cause you just got away with
something
Ever since, ever since grace got you
Ever since, ever since grace got you
Grace got you

Got away with something, bubbling
inside of you
Spilling over 'cause your life is full, how
incredible
Undeniable, monumental like the Eiffel
Uncontrollable, let the joy flow through,
ha ha
Giddy oh, but pretty, pretty please
Let me see your hands in the air with
you out your seats
Warm it up, let go, shout it out, celebrate
When you can't articulate just say
Amazing Grace
The second when you realize
When you have inside
It's only just a matter of (only just a
matter of)
It's only just a matter of time 'til you

Sing, so the back row hears you
Glide, 'cause walking just won't do
Dance, you don't have to know how to
Ever since, ever since grace got you
Laugh, 'til your whole side's hurting

Smile like you just got away with
something
Why? 'Cause you just got away with
something
Ever since, ever since grace got you

Yeah yea yea yea yea
Ever since, ever since grace got you
Yeah, yeah, yeah, yeah, yeah
Grace got you
Yeah, yeah, yeah, yeah, yeah
Ever since, ever since Grace got you
Yeah, yeah, yeah, yeah, yeah
Grace got you
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Grace got you

In this time of desperation
When all we know is doubt and fear
There is only one foundation
We believe, we believe
In this broken generation
When all is dark, You help us see
There is only one salvation
We believe, we believe

We believe in God the Father
We believe in Jesus Christ
We believe in the Holy Spirit
And He's given us new life
We believe in the crucifixion
We believe that He conquered death
We believe in the resurrection
And He's comin' back again, we believe

So, let our faith be more than anthems
Greater than the songs we sing
And in our weakness and temptations
We believe, we believe!

We believe in God the Father!
We believe in Jesus Christ!
We believe in the Holy Spirit!
And He's given us new life!
We believe in the crucifixion!
We believe that He conquered death!
We believe in the resurrection!
And He's comin' back again!

Let the lost be found and the dead be
raised!

In the here and now, let love invade!
Let the church live loud, our God we'll
say
We believe, we believe!
And the gates of hell will not prevail!
For the power of God, has torn the veil!
Now we know Your love will never fail!
We believe, we believe!

We believe in God the Father
We believe in Jesus Christ
We believe in the Holy Spirit
And He's given us new life!
We believe in the crucifixion!
We believe that He conquered death!
We believe in the resurrection!
And He's comin' back,
He's comin' back again!
He's comin' back again!
We believe!
We believe

"You Say"

by Lauren Daigle

I keep fighting voices in my mind that
say I'm not enough
Every single lie that tells me I will never
measure up
Am I more than just the sum of every
high and every low?
Remind me once again just who I am,
because I need to know (ooh oh)
You say I am loved when I can't feel a
thing
You say I am strong when I think I am
weak
You say I am held when I am falling
short
When I don't belong, oh You say that I
am Yours
And I believe (I), oh I believe (I)
What You say of me (I)
I believe
The only thing that matters now is
everything You think of me
In You I find my worth, in You I find my
identity, (ooh oh)
You say I am loved when I can't feel a
thing
You say I am strong when I think I am
weak
And You say I am held when I am falling
short
When I don't belong, oh You say that I
am Yours
And I believe (I), oh I believe (I)
What You say of me (I)
Oh, I believe

Taking all I have and now I'm laying it at
Your feet
You have every failure God, and You'll
have every victory, (ooh oh)
You say I am loved when I can't feel a
thing
You say I am strong when I think I am
weak
You say I am held when I am falling
short
When I don't belong, oh You say that I
am Yours
And I believe (I), oh I believe (I)
What You say of me (I)
I believe
Oh I believe (I), yes I believe (I)
What You say of me (I)
Oh I believe (oh)

“Lord, I Need You”

by [Matt Maher](#)

Lord, I come, I confess
Bowling here I find my rest
Without You I fall apart
You're the One that guides my heart

Lord, I need You, oh, I need You
Every hour I need You
My one defense, my righteousness
Oh God, how I need You
Where sin runs deep Your grace is more
Where grace is found is where You are
Where You are, Lord, I am free
Holiness is Christ in me

Lord, I need You, oh, I need You
Every hour I need You
My one defense, my righteousness
Oh God, how I need You

So teach my song to rise to You
When temptation comes my way
When I cannot stand I'll fall on You
Jesus, You're my hope and stay

Lord, I need You, oh, I need You
Every hour I need You
My one defense, my righteousness
Oh God, how I need You
You're my one defense, my
righteousness

Oh God, how I need You
My one defense, my righteousness
Oh God, how I need You

Maybe It's Ok

If I didn't know what it hurt like to be broken
Then how would I know what it feels like to be whole
If I didn't know what it cost like to be rejected
Then I wouldn't know that Your love coming home

Maybe it's ok if I'm not ok
'Cause the One who holds the world is holding onto me
Maybe it's all right if I'm not all right
'Cause the One who holds the stars is holding my whole life

If I didn't know what it look like to be dirty
Then I wouldn't know what it feels like to be clean
And if all of my shame hadn't drove me to hide in the shadows
Then I wouldn't know the beauty of being free

Maybe it's ok if I'm not ok
'Cause the One who holds the world is holding onto me
Maybe it's all right if I'm not all right
'Cause the One who holds the stars is holding my whole life

Father, let Your kingdom come, let Your will be done

Here in my heart as in Heaven
Father, let Your kingdom come, let Your will be done
Here in my heart as in Heaven, oh!

Maybe it's ok if I'm not ok
'Cause the One who holds the world is holding onto me
Maybe it's all right if I'm not all right
'Cause the One who holds the stars is holding my whole life

Now I'm alive in You
The best that I deserved
Now I'm alive and I can see You in everything
Maybe it's ok if I'm not ok

Hills and Valleys

I've walked among the shadows
You wiped my tears away
And I've felt the pain of heartbreak
And I've seen the brighter days
And I've prayed prayers to heaven from
my lowest place
And I have held the blessings
God, you give and take away

No matter what I have, Your grace is
enough
No matter where I am, I'm standing in
Your love

On the mountains, I will bow my life
To the one who set me there
In the valley, I will lift my eyes to the one
who sees me there
When I'm standing on the mountain aft,
didn't get there on my own
When I'm walking through the valley end,
no I am not alone!
You're God of the hills and valleys!
Hills and Valleys!
God of the hills and valleys
And I am not alone!

I've watched my dreams get broken
In you I hope again!
No matter what I know
Know I'm safe inside Your hand
On the mountains, I will bow my life
To the one who set me there

In the valley, I will lift my eyes to the one
who sees me there
When I'm standing on the mountain aft,
didn't get there on my own
When I'm walking through the valley end,
no I am not alone!
You're God of the hills and valleys!
Hills and Valleys!
God of the hills and valleys
And I am not alone!
Father, you give and take away
Every joy and every pain
Through it all you will remain
Over it all!
Father, you give and take away
Every joy and every pain
Through it all you will remain
Over it all!

On the mountains, I will bow my life
To the one who set me there (to the one
who set me there)
In the valley, I will lift my eyes to the one
who sees me there
When I'm standing on the mountain aft,
didn't get there on my own
When I'm walking through the valley end,
no I am not alone!
You're God of the hills and valleys!
Hills and Valleys!
God of the hills and valleys
And I am not alone!
You're God of the hills and valleys!
Hills and Valleys!
God of the hills and valleys
And I am not alone!
And I will choose to say "Blessed be
Your name, yeah, yeah"
And I am not alone

“Thy Will”

I'm so confused
I know I heard you loud and clear
So, I followed through
Somehow I ended up here
I don't wanna think
I may never understand
That my broken heart is a part of your
plan
When I try to pray
All I've got is hurt and these four words

Thy will be done
Thy will be done
Thy will be done

I know you're good
But this don't feel good right now
And I know you think
Of things I could never think about
It's hard to count it all joy
Distracted by the noise
Just trying to make sense
Of all your promises
Sometimes I gotta stop
Remember that you're God
And I am not
So

Thy will be done
Thy will be done
Thy will be done
Like a child on my knees all that comes
to me is
Thy will be done
Thy will be done

Thy will
I know you see me
I know you hear me, Lord
Your plans are for me
Goodness you have in store
I know you hear me
I know you see me, Lord
Your plans are for me
Good news you have in store
So, thy will be done
Thy will be done
Thy will be done
Like a child on my knees all that comes
to me is
Thy will be done
Thy will be done
Thy will be done
I know you see me
I know you hear me, Lord

Hard Love
