

St. Benilde Bring Your Own Device (BYOD) Program Device Specifications / Minimum System Requirements *Revised 6/28/2021*

Minimum system specifications for our BYOD program are driven by curricular objectives across our classes. Devices that do not meet our specifications do not support necessary instructional programs used daily in our classrooms. **Please ensure your child's device meets these new standards.** A device is a mandatory supply for grades 1-7 as of the 2014-2015 school year. Please e-mail any questions to Cecilia Wilson at cwilson@stbenilde.com.

****All devices must support Wi-Fi only (No Data Plans).**
Windows and apple laptop computers are not recommended.

Device type	Chrome Book**	7 th Generation (or newer) iPad**
Operating System	Chrome OS Current Version	iOS 13 or higher
Screen Size	7.9-13 inches	7.9-13 inches
Browser	Up to date Safari, Chrome or Firefox	Up to date Safari, Chrome or Firefox
