## Purpose

The 250 Club is a unified fundraiser supporting our parish community. It seeks to replace many smaller fundraisers and offer instead a sufficient pool of money from which the ministries in the parish can apply for small grants. This furthers our goal of parish stewardship by better management of time, talent, and treasure allowing parishioners to place more emphasis on ministry rather than fundraising. Greater participation in the 250 Club will eliminate small fundraisers and provide more resources for our parish ministries.

## History

St. Nicholas School started as a one-room log cabin in 1859. In 1881, a brick school building was constructed. As the school enrollment increased, an additional classroom was built in 1954. In the 1990's, four portable classrooms were added to the school campus.

As the buildings aged and became difficult and cost prohibitive to maintain, the Heritage Project was launched. In September of 2018, construction began on a new education center, which opened its doors to students & staff for the 2019-2020 school year.

## How the Club Works

The 250 Club is a monthly drawing where \$250.00 is awarded to four members that are drawn from the pool of all entrants.

Prizes are awarded as follows:

First number drawn—\$100.00

Second number drawn—\$75.00

Third number drawn—\$50.00

Fourth number drawn—\$25.00

After the monthly drawing, all of the winning numbers are returned to the pool for next month's drawing.

In October a number is drawn and awarded a grand prize of **\$1,000.** The new year begins with the November drawing.

Each member will be assigned a membership number for the year. Joint memberships are welcome.
