

Jesus Christ, when you walked the earth, you travelled the countryside through towns and villages “curing every disease and illness among the people”. At your command, all who approached you in illness were made well, made whole.

Now Lord, we implore you to blanket our world with your love and your healing presence. Open the heart of all to turn back to you in their hearts and seek you in all things.

We pray that for all who have been infected and affected by the Coronavirus may find their strength in you. For those who have died, may they find their rest in you.

Guide the leaders of all nations to work together for the family of man, working to help all in need out of a love for all mankind. Give grace, courage and strength to all medical professionals who put their well-being in harms way for the sake of others.

We pray for your guidance through the waters of uncertainty and for a sense of your presence as we place our trust in you.

Gracious God and Father, may this crisis bring your healing presence to a wounded world, so that mentally, spiritually and physically we may return to you in ALL things. Amen.
