Dear Friends in Christ,

This week, on June 21, we come to the formal beginning of summer. This time of year usually brings us more relaxed schedules, vacations and warm, pleasant weather. Summer gives us new opportunities to reflect and refresh.

Making time for reflection is necessary for a healthy spiritual life. In reflection, we ask the Holy Spirit to illumine our hearts and minds. We remember and attempt to discern how God is leading us and where in our lives God is present to us. Reflection can lead us into very fruitful prayer as we lift up our lives to God and ask for His grace.

Summer is a great time to develop a habit of daily reflection. **The first step** in developing this habit is deciding that it is important for us. **The second step** is to look at our routines and find at least five minutes of time that we can devote to reflection. **The third step** is to plan reflection into our day and at the time which is best for us to take the opportunity to be in quiet so that we may engage the process.

Reflection can lead into wonderfully meaningful personal prayer. In this kind of prayer, our memories, dreams, hopes and discernment comprise the substance of prayer. We share with God all of these things and ask for the grace to see God active in responding to us.

Let's enjoy summer's special graces!

In Christ,  
Fr. Michael

### **Summer Prayer**

Creator of all, thank You for summer! Thank You for the warmth of the sun and the increased daylight. Thank You for the beauty I see all around me and for the opportunity to be outside and enjoy Your creation. Thank You for the increased time I have to be with my friends and family, and for the more casual pace of the summer season. Draw me closer to You this summer. Teach me how I can pray no matter where I am or what I am doing. Warm my soul with the awareness of Your presence, and light my path with Your Word and Counsel. As I enjoy Your creation, create in me a pure heart and a hunger and a thirst for You. Amen.

The parish of St. Ann's counts on your regular offertory contributions throughout the summer to pay for our continuing expenses including the air conditioning in the church and the maintenance of our beautiful grounds. As you enjoy vacations away from home please do not forget your generous support of St. Ann's parish. If you are not receiving offertory envelopes and would like to have them sent to your home, please contact the rectory. Together we can keep our parish fiscally strong, socially active and give support to those in need.

Thank you

**A Hospital Bed was donated to St. Ann's Parish in good condition. The cost is \$200. Please call the rectory for more information.**
