Dear Friends in Christ,  
St. Paul observed that the Church is like a human body. Christ Himself is the head and we are the members, joined to Christ and each other through the Sacrament of Baptism. Through this experience of the Church, St. Paul saw that each member was unique but contributed to the overall functioning of the Church. He saw that even if one member was not functioning then the whole body was diminished and somehow less vital.

St. Paul's theology of the Church gives us tremendous insight into ourselves. It teaches us that every single one of us has been created with gifts and talents that God gave us for the good of the whole Church. When we work together with prayerful commitment and dedication to cooperate in the Church's mission, the Church is at its best and witnesses to the truth of Christ present within it.

Once a year our parish holds our Yard Sale. All proceeds of the Sale directly benefit St. Ann's Parish and make up for budget shortfalls. Last year, our Yard Sale helped us put on a new church roof!

**I am asking you all to contribute in some way to this year's Sale, to be held on the weekend of June 8 and 9. WE NEED YOU!** First, pray for good weather on Yard Sale weekend. Secondly, **volunteer to help** with set-up, clean up and, most importantly, to work the two days of the Sale. Many parishioners are needed to act as cashiers and to help customers bring heavy items to their cars. Thirdly, spread the word to your family and friends that we need more items to sell. Currently, we have not received enough items for a financially successful sale.

I want to thank those who have already made donations or signed up to help at the Sale. I also want to thank you in advance for showing your parish generosity with time and talent by helping with this event.

In Christ, Fr. Michael Lavallee
