My son/daughter \_\_\_\_\_ has my permission to join the Team of Altar Servers of St. James. He/she will serve at the Holy Mass for which he or she is scheduled or, if necessary, due to an emergency, find a replacement.

Training will be scheduled for all new altar servers. Once servers have completed the initial training, they will be able to begin serving during Mass. After a server has qualified to serve, they will be added to the regular altar server schedule.
