

May 8, 2020

The greatest act of faith some days is to simply get up and face another day.”
— **Amy Gatliff**

Certainly, sometimes an act of faith is needed to begin the day. Most especially, if there is so much “unknown” in our day-to-day living, as it is now.

Keep faith in God. What you cannot do on our own, God will help you do it.

Trust in Him.

Peace,
Fr. Marc
