

Pastor's Message

May 9, 2020

Sometimes an impressive reminder of how none of us could outdo God in charity is helpful to increase our faith in Him.

On an early afternoon a few days ago, I received notification there was a family residing in Totowa who was in need of food and money to assist in the payment of their monthly rent. Later that afternoon, we had plenty of food and money prepared for that family. In the early evening, everything requested was given to the needy family. Indeed, grateful they were to receive; privileged we were to give.

Less than one hour after the said distribution, I opened the mail delivered to the rectory on that day. There were three envelopes addressed to the church, with the note "Fr. Marc." After opening them, two of three envelopes had a total of very substantial donations to "St. James Church" which equaled exactly double of what the church gave to the family in need!

Remember God is always good. Don't miss the small miracles which occur from God's goodness to you. And, I will try to do the same!

Peace,
Fr. Marc
