

Pastor's Message

July 4, 2020

The well-known saying is, “Everybody wants to live a long time, but nobody wants to be old.”

A lot can be achieved by a person who has lived a long time, but has decided not to be too old to do what he/she had set his/her mind to accomplish. The following are some examples of people who lived a long time, but are far from being “old.”

1. Gladys Burrill ran and completed a marathon at the age of 92.
2. Teiichi Igarashi climbed Mount Fuji at age 100.
3. John Glenn became the oldest person to go into space at age 77.
4. Mohr Keet completed a bungee jump at 96 years of age.
5. Dorothy Davenhill journeyed to the North Pole at 89 years of age.
6. Dr. Leila Denmark was the oldest practicing pediatrician until she retired at the age of 103.
7. Jessica Tandy was 80 years of age when she won an Academy Award!

No excuses, no matter what is your age. If you set your mind to achieve it, with God’s help and absolute determination, you can make it happen.

Be bold. Not old.

God bless you with good health to do what you are called to accomplish today!

Peace,
Fr. Marc
