

TITHING COMMITTEE UPDATE

For February 2019 – May 2019

Below is a listing of recent tithes provided to various organizations (from February – May 2019) due to your generosity. You may recall from a previous bulletin insert that we focus on tithing to organizations who are 501c3 non profits and who meet the definition of “basic human needs” – identified as food, medical care, shelter, children and employment.

Please note that we also have an ongoing monthly tithe to Sts. Pierre and Paul in Haiti.

In the Gathering Space you will find a 3-ring binder with thank-you notes from various organizations. Please stop by to take a look when you have a chance.
