September 10, 2020

Dear friends at St. Mary's Parish,

Happy Fall!! As we all take on new challenges this time of year due to the COVID crisis we just want to take a moment to let you know how your gift of \$275.68 is really making a difference!

Your generous donation is helping us offer emergency food to *more* families. As a result of the pandemic, our distribution is up 60%, and we are keeping up with the demand thanks to our amazing network of givers!

The demand for our Residential Recovery Services is also on the rise right now, and there are new and costly challenges to keeping 29 men in a residential setting safe from the virus. We couldn't do it all without the support of the community, so thank you!

Your gift is also timely, as September is both **Hunger Action Month** and **Recovery Month**. A whole month in which we bring awareness to the issues many of our residents and clients face - sometimes just to survive. You cared enough to take this action and that means everything to our clients, residents, and staff. We are truly grateful.

Sincerely,

A handwritten signature in black ink, appearing to read 'Janelle Wilson', is written over the typed name and title.

Janelle Wilson, MBA

Executive Director
