A Message from the Pastor

August 5, 2018
Eighteenth Sunday in Ordinary Time

During the school year our parish is assisted at weekend Mass by the Salesian priests from Don Bosco High School in Ramsey. From time to time, we share with you some spiritual reflections by one of their members, Father Steve Ryan. He is currently assigned to their ministries in Florida.

Religion in the Lives of Young People

By Fr. Steve Ryan, SDB

Don Bosco saw RELIGION as a key ingredient of the Salesian educational methodology and mentality. Without faith and a steady dose of prayer, sacraments, Scripture and inspirational stories about virtue (lives of saints), education would certainly be less effective or *de facto* – ineffective. For Don Bosco – education without God would be worthless. Religion (faith life) was one of the three pillars of his educational approach (reason and kindness being the other two).

A new academic study confirms that Catholic schools instill self-discipline in students, a virtue that will help them in their studies and later in life. The study was conducted for the Thomas B. Fordham Institute by University of California-Santa Barbara. The authors of the study analyzed national data on school students comparing children in Catholic schools with those in public schools. The authors found meaningful evidence that students in Catholic schools exhibited less disruptive behavior than their counterparts in other schools. Students in Catholic schools “were more likely to control their temper, respect others’ property, accept their fellow students’ ideas and handle peer pressure.” In other words, they exhibited more self-discipline.

How come Catholic schools can produce students with more self-discipline and better student behavior? I know what some people reading this article are thinking:

1. Catholic schools use a “heavier hand” in discipline – the old fear tactics! – and they throw kids who are really bad out. The truth is... that’s false. Catholic schools are just as patient and reluctant to dismiss students as public schools.
2. Catholic schools are only in the suburbs teaching wealthy families. Answer... false. Catholic schools like the Cristo Rey network of schools are in urban areas, and black and Latino students who attend them show higher achievement, higher graduation rates and higher college enrollment than those at nearby public schools.

At a time when the different suspension rates between minority and non-minority students has become a toxic debate, the conclusion of this study offers three key judgments:

First: “Schools that value and focus on self-discipline will likely do a better job of fostering it in children.” If other schools “took self-discipline as seriously as Catholic schools do, they wouldn’t have to spend as much time, energy and political capital on penalizing students” for bad behavior.

Incoming 4TH AND 5TH GRADE STUDENTS

JOIN THE GUARDIAN ANGEL ALTAR SERVERS!

DID YOU KNOW that **YOU** are now old enough to become an **ALTAR SERVER** here at Guardian Angel parish?

Serving at weekend Mass is very special, and you have probably noticed we have many young people in this ministry – from 4th grade up through high school! It is an important responsibility, and a wonderful way to serve God and the Church! It’s a great help for Father Don, our visiting priests and me!

Altar servers assist the priest with the celebration of the liturgy. They carry the candles for the procession, hold the book (Roman Missal) for the priest and help with setting up the altar for the Liturgy of the Eucharist.

All altar servers receive training so that you will be ready. The alb (white robe) you will wear at Mass is provided by the parish, so there is no cost involved. We just ask that you exercise this ministry reverently: with prayer and care.

There are two altar servers assigned at each Mass and servers are generally scheduled to serve once or twice a month.

The coordinator of altar server ministry, Mr. Michael Schmidt, will teach you about serving at weekend Mass. Please talk about this opportunity with your parents and have them contact Mr. Schmidt soon. He can be reached at mike.schmidt1210@gmail.com or (201) 934-3353. *I really appreciate your service!*

Fr. Charlie

Second: “Assuming that these results reflect a ‘Catholic Schools Effect,’ other schools might consider to replicate it.” The report notes that some “no excuses” charter schools are already doing this, through the curriculum or the way students interact with adults and teachers who model self-discipline themselves.

Third: “Don’t underestimate the power of religion to positively influence a child’s behavior.” Religion is effective in promoting a commitment toward virtue and channeling youthful energy into productive self-control.

In my opinion (Fr. Steve’s) the tragedy for education in the United States is this:

- Catholic schools continue to close when they are most needed. (Bishops and religious orders can’t take the entire blame. How about parental apathy, too?)
- And... those schools that are Catholic but don’t put enough emphasis on religion in the program, are wasting time and burning the little capital the Church has for our educational mission.

Don Bosco thought that education without God and religious (or faith) formation was a waste of time. In our secular world today we pray that both Catholic schools and public schools will be more explicit about Judeo-Christian virtues and common sense morality. In this secular world we pray that God will not be blocked completely from public education nor be given a second seat in Catholic Education.

STEWARDSHIP WEEKLY REFLECTION

August 5, 2018 - 18th Sunday in Ordinary Time

"Each day the people are to go out and gather their daily portion; thus will I test them, to see whether they follow my instructions or not." (EXODUS 16:4)

When the Israelites gathered more than their daily portion of manna, the surplus became wormy and rotten. In the same way today, self-reliance, pride and ego leads to hoarding and excessive surplus of goods and money. Living a stewardship lifestyle helps us discern our "wants" from our "needs". Living a generous lifestyle reminds us that God will provide all that we need and that we have plenty to share.

GOD'S WORK

We are so busy! Most of us have more than one job to do, and we never seem to have enough time. We are workers, volunteers, parents, friends, and most of us are more than one thing at a time. But which of these is the work of God?

We seldom view our ordinary work as being the work of God. We may think that we have to be ministers or priests, missionaries or charity workers, engaged full-time in works formally identified as being "God's work." But everything we do with a faithful heart and with love for others is God's work. We each have our own role to fill in the world, and many gifts are necessary. We cannot always see the direct connection of our daily work to the plan of God. But we trust and we believe that God leads us to do what is needed, where it is needed. What is "God's work?" "This is the work of God, that you believe in the one he sent" (John 6:29).

RELIGIOUS EDUCATION

The Religious Education Office is closed for the month of August. Schedules have been e mailed. If you are registered for either the Tuesdays or Home School and have not received a schedule, please contact the Religious Ed office at inayden@guardianangelchurch.org. If you have not yet registered we cannot guarantee your child space in a class for next year. Tuesday classes will begin on October 2nd.

If you have registered for Home School classes and have not picked your materials, you may do so when the Religious Ed office re-opens on September 10th. Religious Ed office hours are from Monday to Thursday between the hours of 10:30 & 3:00. If those hours are not convenient for you, let us know in the Religious Ed office and we will be happy to make other arrangements. During August, I will be checking my email and can meet with you by appointment.

Summer is a great time to think about activities that your family might want to get involved in at Guardian Angel for next year. We always welcome any students from grade 4 and older to train to become an Altar Server. If you are interested or have any questions let us know.

For adults and older students (High School Seniors or older) we would love to have more volunteers for Children's Church, which continue at 11:30 Mass this fall. Contact the Religious Ed office for more information about this.

In the coming weeks we will continue to contact catechists for our Tuesday evening program. Several of our catechists in this program are not parents of students, but are happy to share their faith with our students. It is a great way to connect with the young people of our parish. If you think you would like to be a "guest speaker" for one Tuesday evening during the school year for either 6th, 7th or 8th grade, please let us know. We will be happy to go over the material with you and help you prepare in any way.

We continue to search for qualified catechists for our Tuesday afternoon program. These classes meet most Tuesdays from 3:30 until 5:00 between October and April. We desperately need catechists for grades 4 & 5. Please give prayerful consideration to helping out. For the past several years, we have had great success with High School juniors and seniors teaching. The kids love it and the teens get a lot out of it too!

If you have any questions you may contact the Religious Education Office at inayden@guardianangelchurch.org, jborzilleri@guardianangelchurch.org or 201-327-0352.

CHARITABLE GIFT ANNUITIES

Are you interested in giving a substantial gift to the Church? If you answered yes, you might consider a Charitable Gift Annuity (CGA) offered by the Archdiocese of Newark. CGAs regularly pay you a fixed amount of money every year for the rest of your life. Payments on our CGAs are guaranteed by The Archdiocese of Newark. When you pass to eternal life, what is left in the annuity is distributed to a catholic charity you specify. If you are interested in this gift opportunity, now might be a good time to act. For more information about making a gift, please call the Theresa Lynch, Planned Giving Manager, Archdiocese of Newark, (973) 497-4042 or email Theresa.lynch@rcan.org.

Take courage, He is calling you!

Healing the Wounds of Abortion

The psychological and spiritual wounds from abortion can be vast and crippling. You may feel stuck in life and not know why, or even numb, not able to name the buried pain or recognize the symptoms of post abortion syndrome. An abortion can often have a devastating impact on the father and grandparents of the aborted child and the friend/s of their parents, as well. Do not continue to hide in shame, fear or confusion. The Rachel's Vineyard retreat is a chance to focus on this difficult time in your life while moving you through a non-judgmental group process. This is done in a supportive atmosphere with confidentiality, understanding, and compassion. The program is designed to help both women and men to revive their hope by experiencing the tender mercy of God in Christ Jesus. If you are suffering from a past abortion experience and have isolated yourself from help and forgiveness, we've been there! Consider attending one of the upcoming retreat weekends here in the archdiocese.

September 7th, 8th, 9th 2018 (Spanish speaking also).

For confidential help and information, please call us: Newark Respect Life office (973) 497-4350 or via e-mail cheryl.riley@rcan.org.

FURNITURE FOR FOCUS MISSIONARIES

The FOCUS missionaries serving our Ramapo College Catholic students, who work in conjunction with the Archdiocese of Newark's Campus ministries will be living in local apartments or condos this year. These living quarters are rented unfurnished and we need contributions of furniture, appliances, TVs, kitchen utensils, pots and pans etc. Anyone who has something that might be useful is asked to contact Rob Herpst who is assisting the FOCUS missionaries with their housing for the upcoming school year. His email is rherpst@optonline.net and mobile phone is 201-602-7953.
