

Hike for Life Texas

“Helping Moms, Saving Babies”

www.hikeforlifetexas.org

PERSONAL HIKE

Can't make it to one of the Hike locations, or have somewhere else you need to be while the Hike is going on... then find a spot that works for you and have your own Hike for Life... you'll still get a great t-shirt and you'll be helping babies as well... what could be better? Just let us know your shirt size when you send in your contributions and we will rush you a shirt (while supplies last).

You are invited to participate in this year's **HIKE FOR LIFE** Texas' oldest Pro Life event having started in October of 1973. The Hike raises funds for Texas area Crisis Pregnancy Centers. .

Pro-Life individuals perceive themselves to be involved in the humane and progressive struggle for the rights of those who are weak and voiceless. Pro-Life works for humanity! Christians are dedicated to protect the value of all human life. You are joining in this celebration of life!

The **HIKE FOR LIFE** program provides us with the opportunity to become involved. We hope this involvement will have a profound and positive impact on our society and will lead to the protection of those yet born.

Walkers will obtain pledges and collect the money either in person or using the Hike's online donation tool. Money collected before the HIKE should be turned in the day of the HIKE, and money collected after the Hike should be mailed to Hike for Life, Inc., PO Box 38016, Dallas, TX 75238-0016 (please do not mail cash). Walkers and joggers are urged to register online, but may use an official Sponsor Sheet when obtaining sponsors. Print all information clearly with ballpoint pen. Be sure to include the organization (youth group, church, school etc.) you represent. This will enable your organization to receive credit towards awards, which will be presented after the HIKE. Also, this will allow HIKE officials to contact your organizational representative.

******Set a goal for pledges, you'll get more and the babies will be the big winners. On average it cost \$625 to save a baby... why not try and save at least one life this year.******
