KNIGHTS OF COLUMBUS

Next Meeting – Monday, April 3rd at 8:00 pm in the Knights of Columbus Room.

Knights of Columbus Hero Of The Week

Certainly many of our Brothers and parishioners deserve recognition but I have chosen for this week a Personal Hero, Billy Regan. A mere 5' 6" tall, he was always a giant of a man. In the stress of ethical problems and emotional discussion, Bill would sort of chuckle and gently urge you toward the just and loving solution leaving you with the question, "Why didn't I realize that? What was I thinking?"

As a young man, recently married to his high school sweetheart, Sally, Bill joined the New York City Fire Department. He rose quickly through the ranks from Lieutenant to Captain to Battalion Chief.

Bill was a leader in the late sixties, the time when everyone knew the Bronx was burning. It was a hard time for First Responders. Their very reason for being was questioned and often were threatened as enemy invaders in their efforts to save lives and property.

Bill retired from his physically demanding job as the highest ranking fireman in the NYFD that still fought fires. One of New York's bravest.

Bill's retirement was a calm and quiet combination of home repair, Chaplain at Essex County Prison, working with local Fire Departments, Right To Life leader at St. Pius X and loving father to 7 children and grandpa to 17 grandchildren. The low stress was not to last, however. Like many of us, he saw airplanes striking the World Trade Center. His brief retirement ended as he pulled on his turnout gear and headed to join his brothers at the disaster we call 9/11, and he never left. He joined as a leader in the rescue operation which soon turned into a recovery mission. 9/11 was a tragedy for our nation and especially the NYFD whose ranks were decimated that day. Bill continued his work on recovery leading a group of 10 firemen from Newark who went daily to the city for almost a year to help identify body parts.

When recovery operations ended, Bill stayed on with the New York Fire Department counseling surviving firemen who in some cases had lost every member of their house in this disaster. His amazing strength allowed him to help others deal with their loss, but even Bill's incredible fortitude couldn't bring him through days and nights of breathing the products of death and destruction. Shortly thereafter, he was diagnosed with late stage Pancreatic Cancer.

Bill's last months were spent making sure his responsibility to family and parish were complete. He never blamed anyone and joined his fallen brothers with the same courage, surrounded by God's love and beautiful family. He's still here in the hearts of many. If you are ever in need of good counsel, just ask Bill, you will sense a sort of chuckle, you'll become aware of the just and loving solution to your problem, and you'll wonder why didn't I think of that, and say to yourself, "What was I thinking?"

Update On The Future Of St. Pius X School

When it comes to operations of the school, fiscal realism is always a concern. We are in the stages of a long term commitment to evaluate, adjust and continue the vibrancy of the school. In taking those steps, we have formed a Strategic Planning Committee, which myself and Tom Welsh are leading, and together we will take this time to strengthen our enrollment as well as the quality of our education.

I am happy to inform you that we recently had a meeting with the Strategic Planning Committee. It was a unanimous decision to set goals in regards to the vitality of our school.

1. Immediately pursue accreditation for our STEM school status from the Diocese.
2. Have a campaign to establish a school playground for younger children as well as older children.
3. To make significant strides in our academic, technological and our extracurricular activities. Both in the short-term and long-term planning.
4. Long-term commitment to evaluate, adjust and continue the vibrancy of the school.
5. Strengthen our enrollment as well as the quality of our education.

Please send any questions, suggestions or comments to office@st-pius-x.org or call the Ministry House at 973-335-2894.

*Peace & Blessings,
Fr. Mark*
