Monthly Holy Hour At St. Pius X

"Devotion to the Eucharist is the most noble, because it has God as its object; it is the most profitable for salvation, because it gives us the Author of Grace." (Pope St. Pius X)

Our parish will be hosting a monthly Eucharistic Holy Hour on the first Saturday of the month from 3:30-4:30 pm. There will be time for quiet prayer and adoration as well as the opportunity to attend Confession. Let us all take the opportunity to spend some time with our Lord in the Blessed Sacrament on Saturday, May 4th.

A Prayer For Easter

Alleluia, Alleluia!

*Hearts to heaven and voices raise,
Sing to God a hymn of gladness,
sing to God a hymn of praise.
He who on the cross a victim
for the world's salvation bled,
Jesus Christ, the King of glory,
now is risen from the dead.*

*Alleluia, Christ is risen!
Death at last has met defeat.
See the ancient powers of evil
in confusion and retreat.
Once he died and once was buried;
now he lives forevermore—
Jesus Christ, the world's Redeemer,
whom we worship and adore. Amen.
Alleluia! Alleluia!*

Happy Easter

Divine Mercy Celebration

Sunday, April 28th, 3-4 pm

(2-3 pm Confessions & Silent Eucharistic Adoration)

Our Lord said to Sister Faustina: "The soul that will go to Confession and receive Holy Communion on Divine Mercy Sunday will obtain complete forgiveness of sin and punishment."

"Tell people, my daughter, that I am love and mercy itself. When a soul approaches Me with trust, I fill it with such an abundance of graces that it cannot contain them within itself but radiates them to other souls." (Jesus to St. Faustina)

Music Ministry

Organ Project Update

Our organ project continues to gain momentum each week. As we have been announcing, the design of the new instrument will utilize both pipe and digital sounds in order to best serve a Church of our size. If you haven't done so already, please consider supporting this exciting project. Families who donate \$500 or more will receive an inscribed brick in the Memorial Garden outside the Church. Brochures are available in the Narthex of the Church and more information is available on the St. Pius X website, www.st-pius-x.org. As always, I'm happy to talk about the organ project either at the Ministry House or pcarroll@st-pius-x.org.

Seminarian Corner

The Lord is truly risen, which is an invitation and promise that one day we will do the same. Just as we are called to share in Our Lord's Passion and Death, we are also called to unite ourselves to His Resurrection during Easter, for if "We have died with Him, we shall also live with Him." We are called to be disciples, to follow Jesus in self-giving service to others out of love, in a world of self-serving and hatred. Today is a day of great joy. We encounter the Risen Lord in word and sacrament, in the people who are his Body, in those in our midst who have been newly baptized into his dying and rising, in those in need around us, we encounter the risen Lord in everyone we meet. In this world of pain, sorrows and tears, Easter reminds us that life is worth living. Our trust in the penetrating presence of the Risen Lord gives us strength to fight against temptations and freedom from unnecessary worries and fears as St. Augustine said, "We are an Easter people and 'Alleluia' is our song." Triumphant Alleluias ringing out in our parish communities, should echo in our lives. The joy we find in today's Gospel must show itself in mission. We pray that our praise of God leads us to share with others the good news of God's power over death. Christus resurrexit! Christ has risen! Alleluia Alleluia!

St. Pius X Organ Fundraiser

The pipe organ, like a congregation, is composed of many unique voices. Singing together they create harmonies that lift us to a worthy praise of God.

The Problem

It has been apparent for some time that our current electronic organ console's electronics has served our church to its' extent. The current instrument has been inoperable since June 2018. The music ministry's ability to support our liturgy relies on an instrument that can properly enliven our worship as we look toward building a better future in our Church.

The Solution

The Peragallo Organ Company of Paterson has designed a new organ to serve as a cornerstone for our music ministry, envisioning an instrument capable of fulfilling the many varied needs of liturgy throughout the year. The instrument is a hybrid combination of pipes and digital technology which combines the centuries' history of the Church with 21st technology.

How You Can Help

By contributing to this project, you will have the opportunity to support the every day life of the parish through musical support of the liturgy.
