Monthly Holy Hour At St. Pius X

*"Devotion to the Eucharist is the most noble, because it has
God as its object; it is the most profitable for salvation,
because it gives us the Author of Grace." (Pope St. Pius X)*

Our parish will be hosting a monthly Eucharistic Holy Hour on the first Saturday of the month from 3:30-4:30 pm. There will be time for quiet prayer and adoration as well as the opportunity to attend Confession. Let us all take the opportunity to spend some time with our Lord in the Blessed Sacrament on Saturday, June 1st.

Praying for fellow parishioners who are sick is an important component of our Faith. Due to privacy issues, however, people do not always appreciate their names being published. Requests for published names will only be taken from a family members.

From the Pastor

On March 7, 2019, we started our campaign to replace our organ for Christmas. It is my desire to be fully transparent with the finances in every area of our parish. The cost of the organ is approximately \$250,000 and possible upgrades depending on the generosity of St. Pius X families.

As stated before, thanks to the generosity of Lou and Christine D'Ascenza, we have seed money of: \$130,000. The Polish-American Carnival fundraiser donated: \$16,000. To date, 73 donors have donated: \$58,200.

	\$130,000
	\$ 16,000
	<u>\$ 58,200</u>
Total:	\$204,200.

As of today I am excited to share with you that we have reached approximately 80% of our goal. I am asking everyone in the parish to participate in this huge undertaking. With your continued gifts, no matter how large or small, we can make this dream come true. I will keep you informed as we move closer to improving the quality of sacred music at St. Pius X. Thank you for your considerations and your consistent generosity. Any questions, please feel free to contact me or our Director of Music, Paul Carroll.

Peace & Blessings,
Fr. Mark

Seminarian Corner

Jesus' attentiveness to food and mealtimes raises the possibility that our meal gatherings can be sacred times. In families, the domestic Church, our meals together are everyday opportunities to gather and recall Jesus' presence with us. As in the Eucharist, we bring the gifts that God has given us, which have been prepared especially for our Mass, and at our family meals we share gifts that God has given to us and that we have worked together to prepare. To be an Easter people means to be a Eucharistic people. He did not just rise from the dead 2000 years ago. He is risen, and He still is Emmanuel, God with us. It is not enough for us, in our own lives, to be aware of God's presence among us. That realization calls for a response on our part to make that presence a felt reality, a genuine experience for those around us. Let us continue to celebrate Easter with joy! I ask for your prayers this week as I begin finals here at the Seminary.

Organ Project Update

Our organ project continues to gain momentum each week. As we have been announcing, the design of the new instrument will utilize both pipe and digital sounds in order to best serve a Church of our size. If you haven't done so already, please consider supporting this exciting project. Families who donate \$500 or more will receive an inscribed brick in the Memorial Garden outside the Church. Brochures are available in the Narthex of the Church and more information is available on the St. Pius X website, www.st-pius-x.org. As always, I'm happy to talk about the organ project either at the Ministry House or pcarroll@st-pius-x.org.

Fatima Statue

"Among all devotions approved by the Church, none has been so favored by so many miracles as the devotion of the Most Holy Rosary." St. Pius X

We are beginning our second year with The St. Pius X Statue of Our Lady of Fatima. The first year was very successful and brought out a positive reaction and enthusiasm among the parishioners. If you have any questions or would like to sign up to take the statue home, please e mail Kathi at kathleenDW1013@gmail.com or call the Ministry House. Thank you.

"The Rosary is the most beautiful and the most rich in graces of all prayers; it is the prayer that touches most the Heart of the Mother of God...and if you wish peace to reign in your homes, recite the family Rosary." St. Pius X

St. Pius X Organ Fundraiser

The pipe organ, like a congregation, is composed of many unique voices. Singing together they create harmonies that lift us to a worthy praise of God.

The Problem

It has been apparent for some time that our current electronic organ console's electronics has served our church to its' extent. The current instrument has been inoperable since June 2018. The music ministry's ability to support our liturgy relies on an instrument that can properly enliven our worship as we look toward building a better future in our Church.

The Solution

The Peragallo Organ Company of Paterson has designed a new organ to serve as a cornerstone for our music ministry, envisioning an instrument capable of fulfilling the many varied needs of liturgy throughout the year. The instrument is a hybrid combination of pipes and digital technology which combines the centuries' history of the Church with 21st technology.

How You Can Help

By contributing to this project, you will have the opportunity to support the every day life of the parish through musical support of the liturgy.
