## "IMITATE CHRIST"

Over the last several weeks our Lord has concentrated on giving you life lessons on how to be "Holy". If you have made a commitment to living the Christian life then you are commanded by God, to love your neighbor as yourself! This kind of holy love forbids you to hold within your heart, hatred, vengeance, grudges, unforgiveness, gossip, jealousy, etc. God's wisdom, which is revealed in Christ, asks you to even love your enemies. *WHY?* Perhaps the one who hates you, is in their deepest beings, the one who is most helpless and in need of great love. Jesus asks you to be "perfect as your heavenly Father is perfect." Loving and forgiving like Christ takes practice, but you have what it takes. You are the temple of the Holy Spirit and God dwells in you. You are "Holy" because God is Holy. You have all the power of Heaven at your fingertips when you learn to "Imitate Christ". **Join RCIA on Thursday evening, 7pm in the parish house. For more info call Msgr. Carroll, 973-838-6838 or Carol Mangani, 973-283-2218.**

## SEVENTH SUNDAY IN ORDINARY TIME

### First Reading: Leviticus 19:1-2, 17-18

The Lord urges Moses to tell the Israelite Community to love their neighbors as themselves. They should bear no grudge or hatred against another.

### Second Reading: 1 Corinthians 3:16-23

Paul, once again, reminds the Corinthians that they are the temple of God, and, as such, must avoid internal disputes and wrangling. He tries to make them realize that they belong to Christ and that the Spirit of God dwells within them.

### Gospel: Matthew 5:38-48

In this part of the Sermon on the Mount, Jesus exhorts his followers to do an extraordinary thing — to love their enemies and to pray for their oppressors. He reminds them that there is nothing laudatory in loving those who love them for even the "pagans" do this. He urges them to "turn the other cheek" and to "walk the extra mile."

## PRO-LIFE CORNER

On February 14<sup>th</sup>, we celebrated St. Valentine's Day. This feast named after a martyr of the Church has lost much of its true meaning. Saint Valentine, priest and martyr, lived nearly 1,700 years ago in pagan Rome. Father Valentine answered God's call to the priesthood at a time when it wasn't easy to be a Catholic, and it was downright dangerous to be a priest or bishop. He knew that the Christian faith was the only remedy for the sick and permissive society in which he lived. Especially when it came to her teachings about the relationship that should exist between a man and a woman as husband and wife. He made it his own personal mission to share the Catholic vision of marriage and the graces of the Sacrament. The grace of the Sacrament thus perfects the human love of the spouses, strengthens their indissoluble unity, and sanctifies them on the way to eternal life. In the year 269 AD, Valentine was sentenced to execution all because of his stand for Christian marriage.

## LAUDATO SI': Care for Our Common Home

*Pope Francis: Our insistence that each human being is an image of God should not make us overlook the fact that each creature has its own purpose. None is superfluous. The entire material universe speaks of God's love, His boundless affection for us.*

**THEME:** Impact on the poor. People in poverty have contributed least to climate change, yet they are disproportionately impacted by it. As a result of excessive use of natural resources by wealthy nations, those who are poor experience pollution, lack of access to clean water and more.

**OLM PARISHIONER RESPONSE** – Lower the thermostat during winter and raise it in the summer to use less energy.
