“The Spirit of the Lord is upon Me, Because he has anointed Me to bring glad tidings to the poor.

He has sent Me to proclaim liberty to captives, and recovery of sight to the blind, to let the oppressed go free, and to proclaim a year acceptable to the Lord.”

But if you don't open your eyes

and you don't open your ears

Or taste things

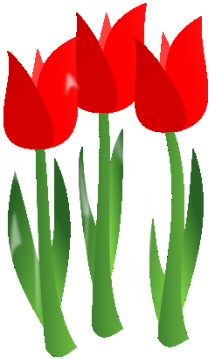

Or touch things

Or smell things

Well then you will never know me

All that I do is to show My love for you.

Jan. 26-Feb. 8, 2019

CTK LIBRARY NEWS:

We have a few new books that we would like to tell you about. One is "Cold-Case Christianity" written

by J. Warner

Wallace. A

homicide

detective

investigates the

claims of the

Gospels. Are they real? Read the book and solve the mystery yourselves!

Another couple that I really liked are

"Kicking and Screaming Into the Catholic Church" by Kevin Lowry. and "Why I

Am A Catholic (And you should be too)"

by Brandon Vogt.. For the youth of our

parish, why not read of teen saints in

"Ablaze-Stories of Daring Teen Saints" by Colleen Swaim? All of these books are

listed on the CTK website by clicking on "Library" at the top. This will tell you

where to find the book in our library. For

example, if it's listed under "Ministry", you can find it on the shelves with that heading.

Just remove and sign the card, put it in the box and ENJOY!

Faith Formation News From Kelley Brooks, CTK's Director of Religious Education:

Blessed Trinity Shrine Retreat Job Opportunity:

Blessed Trinity Shrine Retreat, located in Ft. Mitchell, AL, is a rural center surrounded by 1200 acres of woodlands providing solitude from the fast-paced, hectic day-to-day life in our hurried world. Our modern, air conditioned facilities provide retreat space for those who wish to seek God. There are 40 individual rooms in the main center, two Hermitages, and one medium sized Pilgrim House meeting space.

We are presently seeking qualified candidates for a Development position who will assist with fundraising efforts. The position is 15 hours a week and could be the perfect opportunity for someone who is looking to supplement income or who has recently retired from a full-time job, but who wishes to remain active. Reflections.....

I don't know if Facebook has ever made the lame to walk but, beyond all doubt it has enabled the dumb to speak.

Kindness begins with the understanding that we all struggle.

The most important thing in communication is hearing what isn't said.

If you build a wall to keep people in, that is a prison. When you build a wall to keep people out, that is an expression of sovereignty.

It is important to know when to stop arguing with people and simply let them be wrong.

Can someone explain the difference between Russian interference in our elections and allowing illegal immigrants to vote?

Hyphenated. Non-hyphenated. That's irony.

I plan to lose 10 pounds this year....only 15 more to go!

You don't meet people by accident. There's always a reason; a lesson or a blessing.

Some people aren't loyal to you. They are loyal to their need of you. Once their needs change, so does their loyalty.

The success of getting things done is knowing what to leave undone.

People who wonder if the glass is half-empty or half-full miss the point. The glass is refillable.

How many boxes of thin mints do I have to eat before I start seeing results?

Don't become so consumed with hateful people that you stop doing the work they hate you for doing.

We need to stop just pulling people out of the river. We need to go up-stream and find out why they're falling in.

The trouble with weather forecasting is that it is right too often to ignore but wrong too often to rely on.

You are free to choose, but you are not free from the consequences of your choice.

Life is a grindstone—whether it grinds you down or polishes you up depends on what you're made of.

Although no one can go back and make a brand new start, anyone can start from now and make a brand new ending.

It is easier to fool people than it is to convince them they have been fooled.

With wisdom comes age.
