No servant can serve two masters.

God created us to keep our heart, soul, mind and strength focused on serving Him alone. Yes, we must have money for our earthly needs; but if we ever lost it all yet could still manage to be at peace, trusting God, then we are not “*servicing mammon.*” God wants our souls; all the wealth we collect here is only a short-term sense of security. We must never put our faith and trust in money, for it will not last. We have one task – to faithfully serve our Lord Jesus Christ and trust Him for everything. He promises to take care of us. “*Your Father knows the things you have need of before you ask Him.*” (Matt. 6:8)

*Welcome Back
Westminster
School Chorale
and Chorus!*

*This Marks
Your 10th Year
of Celebrating Mass, and Gifting the
Congregation with a Recital!*

While the young men and women of The Westminster School, located in Atlanta, attend their annual retreat at Callaway Gardens, they will also be celebrating Mass and performing a mini-concert at Christ the King. It is always a great blessing for us to worship with this wonderful group of students and to hear their beautiful voices praising God.

Everyone is invited to a small reception after the 10:30 a.m. Mass, followed by a 30 minute performance showcasing religious hymns, classical works, along with some fun popular tunes.

Plan to be a part of this uplifting experience!

We would like to thank all our fellow parishioners who have sent cards, called us, and especially have kept us in your prayers. We are most appreciative of our parish family and the love you send our way!

Diocesan Prayer for Vocations

O God, hear my prayer and let my cry come unto you. Bless our Diocese of Savannah with many vocations to the priesthood, diaconate, and religious life. Give the men and women you call the light to understand your gift and the love to follow always in the footsteps of your priestly son. Amen

I ♥ MY LIBRARY

We have some new books in our Library here at Christ the King! One of the ones for kids is called “Do Unto Otters” by Laurie Keller. It is a book about manners and though it is for children, we adults could learn a little from this book as well! The other book is called “How to Read a Church” by Richard Taylor. You will find out things about churches that you may never have known. “Churches and cathedrals are packed with meaning. All around, numbers, colors, the animals and plants in the stonework, and the scenes in the stained glass, point to aspects of Christian teachings about God. In a number of senses, and to different degrees, churches were built to be read.”

Ken and I really enjoyed this one and hope you will too!
