Jesus said, "Follow me, and I will make you fishers of men." They immediately left their nets and followed Him.

*Will you come and follow me, if I but call your name?
Will you go where you don't know and never be the same?
Will you let my love be shown, will you let my name be known,
Will you let my life be grown in you and you in me?
Lord, your summons echoes true when you but call my name.
Let me turn and follow you, and never be the same.
In your company I'll go where your love and footsteps show,
Thus I'll move and live and grow in you and you in me.*

ACA: Annual Catholic Appeal!

The Annual Catholic Appeal (formally the BAA) commenced the weekend of January 18 and 19. It is time for us to do what we can to support not only our Diocese but the programs and ministries that benefit our parish and our Catholic community.

The ACA supports the office of Catholic Schools and the education of our future priest and deacons. The ACA supports ministries that change lives for the better. We are blessed with much; let us be a blessing to others.

This year's theme is **“Sowing the Seeds.”** Your sacrificial gift and prayers will help make this year's appeal a success. You should have received a letter and pledge card from Bishop Hartmayer. Please prayerfully consider your gift this year. We want to show our support of the diocesan family by exceeding our goal this year (or by continuing to exceed our goal as we have in past years).

Remember it is the participation of each and every parish family that makes our parish successful in the ACA process. Please pledge something as soon as possible.

Go to: www.diosav.org and donate today!

CTK Library News:

For those in our parish with an interest of religious history, the CTK Library Staff is pleased to announce the addition of three new books to our growing collection.

“A Pope and a President: John Paul II, Ronald Reagan, and the Extraordinary Untold Story of the 20th Century”. Although this book is more than 600 pages, it reads like a suspense novel. Historian Paul Kengor describes the personal crusade of two world leaders to dissolve atheistic Soviet-imposed communism in Eastern Europe, including the details of their interpersonal relationship. This is a great read!

“Whose Bible is it: a history of the scriptures throughout the ages” Most of the books about the Bible’s history are encyclopedic in size and scope; however, religion scholar Jaroslav Pelikan’s book presents a delightful and insightful distillation in less than 250 pages. This book describes the historical context for the Latin Mass, for those who might be critical of our Catholic traditions.

“The Cross: History, Art, and Controversy” Using numerous photos, Theology Professor Robin Jensen focuses on how the cross has been represented in painting and literature over the past 2,000 years. This book would be an outstanding resource for a high school student’s research project!

What is Called For More?

The Called For More Pilot is an initiative of the Catholic Leadership Institute (CLI). CLI is an international Catholic apostolate founded almost 30 years ago to support all leaders in the Roman Catholic Church with the best leadership tools and training to fulfill their roles in the Church. CLI received a grant from the Lilly Endowment to pilot a new process for supporting priests and parishes in thriving in ministry. By gathering information about each priest and each parish, the pilot seeks to give parishioners more awareness about the needs and opportunities of their local community, priests more awareness and support around their ongoing ministerial development, and the diocese better information with which to consider and discern priestly assignments and parish support. Catholic Leadership Institute's grant calls for 12-15 dioceses in the United States to participate in the pilot. Your diocesan bishop and his senior leadership have opted to accept the invitation to participate.

CLI's criteria for participation included the 1) bishop and diocese's desire to support their priests and parishes better, 2) dioceses of different sizes and locations, 3) bishops and dioceses willing to have all of their parishes and priests participate, 4) bishops and dioceses with larger strategic objectives to help encourage growth in their parishes and among their priests.
